Importance: High

Good morning,

You received the invite below last week and I wanted to follow up with a more detailed draft itinerary, including the policy issues we're likely to discuss with the tech businesses we expect to visit.

We have plenty of spaces available, so please let us know if you are able to attend by **COB on Weds, Jan. 17**. The ethics paperwork is due **COB Monday, Jan. 22** for both the House and Senate. Before then we'll provide all the paperwork you'll need to submit, including a polished itinerary, the primary sponsor form, and invitee list.

Thanks very much and we hope you can join us,

The App Economy in the Big Easy

New Orleans, LA

Wednesday, February 21 – Friday, February 23, 2018

Join us February 21 – 23 for an educational tour of tech companies in New Orleans, Louisiana, that are leading innovation in the app economy.

- The tour will introduce congressional and executive branch staff to emerging companies, startups, and new technologies in the app economy.
- Participants will hear from company leaders about how small businesses are leading the way in improving products and services on connected devices and how federal regulation and statutes impact their businesses. Congressional staff will have an opportunity to participate in policy presentations and view demos of some of the latest products and services.
- New Orleans is home to a robust ecosystem of startups and entrepreneurs in the tech sector, making it an ideal location to explore these issues with leaders in the app economy.

To RSVP, please contact Graham Dufault at gdufault@actonline.org.

Note: ACT | The App Association is consulting with the House and Senate Ethics Committees regarding this event. We will be covering the cost of transportation, lodging, and group meals.

ACT | The App Association is a 501(c)6 organization. It is a nonprofit, nonpartisan association representing more than 100 small- and mid-sized software companies in the app economy.
