Hi Emy,

I'm reaching out on behalf of the Conservative Climate Foundation (CCF) to invite you to join a **Congressional Delegation to COP27 in Sharm El-Sheikh, Egypt, November 10-14, 2022.**

It is imperative the international community understands and appreciates the ways in which conservative Members of Congress are leaning forward on climate issues more than ever before. This year, we are inviting you to join us at the 27th United Nations Conference of the Parties (COP) for complementary programming that will occur parallel to the official UN negotiations in Egypt. The CCF team will arrange and pay for all travel, accommodations, and meals related to our trip's agenda.

Please RSVP by September 22 by replying all to this email, and I will send flight details.

CCF invites you to join a
Congressional Delegation to
COP 27
