Form RE-1

0000000003516 RECEIVED BY: SECRETARY OF THE SENATE Date: September 16, 2022

Mr. Drew Hudson
United States Senate
Dirksen Senate Office Building, Room 224
Washington, D.C. 20510

May 4, 2022

Dear Mr. Hudson,

On behalf of the Jewish Institute for National Security of America (JINSA), it is my pleasure to invite you to participate in our Congressional National Security Program to Israel, to be held **August 12-20, 2022.**

JINSA is a not-for-profit 501(c)3 organization dedicated to working with congressional, military, and civilian decisionmakers to ensure American strategic interests, primarily in the Middle East, are defended. JINSA believes the cornerstone of this defense is a robust U.S.-Israeli security cooperation relationship. One of the ways JINSA executes its educational mission is through unique programs that promote dialogue between prominent U.S. military leaders and government officials and their Mideast counterparts. For example, for four decades JINSA has brought prominent retired military leaders to Israel to visit key security and historical sites and meet with senior Israeli generals and security officials; last year, that annual delegation included General Joseph F. Dunford, USMC (ret.), 19th Chairman of the Joint Chiefs of Staff, and CENTCOM Commander General Joseph L. Votel, USA (ret.). The Congressional National Security Program will follow a similar model in order to provide insight and understanding to Israel's security challenges, the shared threats facing Israel and the United States, the benefits of U.S.-Israel security cooperation, and ways to deepen that cooperation.

The program curriculum will feature visits to strategically important sites, such as Israel's borders with Gaza, Lebanon, Syria, and Egypt, where participants will be briefed by IDF commanders to better understand the security challenges Israel faces on each respective border, including its lack of strategic depth. Delegation participants will also visit key religious and historical sites throughout the country and will meet with senior Israeli security, military, and foreign affairs officials.

The program will include briefings on topics such as:

- Middle East security challenges confronting the United States and Israel;
- U.S.-Israeli strategic cooperation with Abraham Accords countries;
- Linkages between Israel's "Silicon Wadi," IDF weapons technology, and the U.S. defense establishment; and
- Cyber threats and challenges for military intelligence.

Please RSVP by May 20, 2022 to Morgan Viña at mvina@jinsa.org or (202) 262-9385 or Matt Kenney at mkenney@jinsa.org or (703) 946-8363 to let us know if you are able to attend. Please also reach out to either Morgan or Matt if you have any questions about this invitation or travel arrangements.

Finally, enclosed, please find the following information which participants will be required to submit to the Senate Ethics Committee no later than July 12, 2022:

Thank you for your consideration.

Sincerely,
