Dear Ms. Richter,

The Global Women's Innovation Network (GlobalWIN) invites you to join us for a delegation trip to New York City, New York. We will depart from Washington, DC on Thursday, October 6th, and programming will begin upon arrival before departing New York and returning to Washington, DC on Friday, October 7th. Although we are in the early planning stages, we will confirm policy discussions and site visits with companies at the forefront of innovation and technology, as well as with female leaders in manufacturing, transportation, tech, politics, and other industries. Your work on these topics and active participation in our discussions will be a great asset to our delegation, which will include senior staff from both Republican and Democratic Senate and House offices.

GlobalWIN was founded in 2009 as an educational nonpartisan 501(c)(3) non-profit organization. With Honorary Co-Chairs Senators Shelley Moore Capito (R-WV) and Maggie Hassan (D-NH), Congresswomen Cathy McMorris Rodgers (WA-05) Debbie Wasserman Schultz (FL-23), Chrissy Houlahan (PA-06), and Young Kim (CA-39), GlobalWIN provides a dynamic forum for women executives and thoughtful leaders in academia, government, and business who are passionate about innovation and its potential to advance critical policy issues. GlobalWIN is dedicated to helping women in these fields and related policy debates by providing opportunities to: 1) recognize their contributions to innovation and related policy debates; 2) share their views & engage publicly; 3) access resources that might not otherwise be readily available to accomplish these objectives; 4) broaden their network across areas of expertise and beyond our borders.

GlobalWIN offers to cover your travel, hotel, and meal expenses related to the trip, in compliance with the rules under Senate ethics laws. For background, we have a record of successful Congressional staff delegation trips, including London in 2013, Brussels in 2014, and Dublin in 2015, New York City in 2016, London in 2017, and Paris in 2018, London in 2019, Berlin in 2020, New York in 2021, and London and Austin so far in 2022, as well as several others.
