Name of Traveler: Matthew S. Murphy

Employing Office/Committee: Senator Tom Cotton

Private Sponsor(s) (list all): Foundation for Nuclear Studies

Travel date(s): October 25-26, 2022

*Note: If you plan to extend the trip for any reason you **must** notify the Committee.*

Destination(s): Oakridge National Laboratory, Knoxville Tennessee

Explain how this trip is specifically connected to the traveler's official or representational duties:

In my role as a policy advisor to Sen. Cotton on energy issues, it's imperative to understand nuclear technology given our state contains one of the few commercially operating nuclear power plants in the country. Oakridge is the largest science and energy national laboratory in the Department of Energy system—this trip will improve my technical knowledge and skillset so that I can better advise Sen. Cotton in regards to nuclear issues and industrial challenges. The water based reactor we'll be touring is similar to the facilities we have in Arkansas, and the nuclear training center aligns with Sen. Cotton's platform on workforce development.

Name of accompanying family member (if any): _____

Relationship to Employee: ☐ Spouse ☐ Child

I certify that the information contained in this form is true, complete and correct to the best of my knowledge:
