Dear Federal Partner,

As the Executive Director and CEO of National Association of Counties (NACo), it is my pleasure to extend an invitation to you as a leader in federal policymaking to participate in NACo's inaugural 2022 Federal Fellowship Initiative. This is an invitation-only cohort that will be comprised of congressional staff, White House officials and other federal agency representatives. County governments play a critical role as public service providers for America's citizens. Since 1935, NACo has represented the interests of all of America's 3,069 counties and assisted them in the pursuit of excellence in public service.

NACo's new Federal Fellowship will focus on the importance and structure of America's intergovernmental system, with a specific emphasis on the roles, responsibilities, operations and policy priorities of county governments across the country. As part of the initiative, NACo aims to educate members of Congress, Congressional staff and federal policy officials about the roles and responsibilities of counties across the country.

Members of the cohort are invited to participate in a **Miami-Dade County Site Visit** from Wednesday, October 26 – Friday, October 28, 2022, at the Hyatt Regency Miami. During the Initiative's first in-person, field-based tour located in Miami-Dade County, Fla., participants will engage with federal, state and local leaders, and visit tour sites including the Miami International Airport, PortMiami, Miami-Dade County Emergency Operation Center and the Miami Center for Mental Health and Recovery.

Enclosed in this packet, please review the full agenda for the Miami-Dade County site visit and related Ethics Committee documents. NACo Director of Government Affairs Eryn Hurley is available to assist you in any way possible to coordinate your participation. Please contact Ms. Hurley at ehurley@naco.org or 571.262.9015 with any specific questions.

We hope you will be able to accept our invitation and look forward to your participation in our Federal Fellowship Initiative.

Sincerely,

Matthew Chase
