GlobalWIN New York City Educational Trip
Thursday, October 6th – Friday, October 7th

About GlobalWIN

With Honorary Co-Chairs Senators Shelley Moore Capito (R-WV) and Maggie Hassan (D-NH), Congresswomen Cathy McMorris Rodgers (WA-05) Debbie Wasserman Schultz (FL-23), Chrissy Houlahan (PA-06), and Young Kim (CA-35), GlobalWIN is a bipartisan nonprofit organization based in Washington, DC that provides a dynamic forum for women who are passionate about innovation. We have built and continue to expand this powerful network of executives and thought leaders in academia, government, and business, who work in innovation-driven fields. GlobalWIN provides an important forum for female leaders to grow personally and professionally, while contributing to key policy debates.

GlobalWIN highlights women leaders and connects the public and private sector through our programming that includes networking receptions, policy roundtables, career workshops, and educational trips in the United States and abroad. On October 6, 2022, GlobalWIN will bring 12-15 Congressional Staff Members from Republican and Democratic Offices in the U.S. Senate to New York City for two days of intensive programming on an array of issues including tech, telecommunications, innovation and female leadership. Our stay in New York will combine all tiers of GlobalWIN programming and provide all participants a rare opportunity to grow professionally while connecting with experts and leaders outside of the U.S.

Why New York?

GlobalWIN will bring fifteen Senate Staff Members from Republican and Democratic Offices to New York for two days of intensive programming on an array of issues such as privacy and data protection, healthcare distribution across the country, energy and transportation policy, female leadership, and innovation in tech. GlobalWIN provides these Congressional staffers with the unique opportunity to participate in meetings directly related to their subject matter expertise, while also glean information from non-direct and equally important sources. Our stay in New York will combine all tiers of GlobalWIN programming and provide participants with a rare opportunity to grow professional while connecting with experts and leaders outside of DC.

The GlobalWIN Congressional Delegation

The Congressional delegation of staffers that will be joining us are senior female staff from both Republican and Democratic Offices, as well as committee staff, with wide-ranging work portfolios, matching our curated schedule of programming. Each of these staffers was chosen based on the range of issues that they work on, including issues related to tech policy, small business and entrepreneurship investment, telecommunications, national security, infrastructure, environmental policy, healthcare distribution, and other innovation-driven fields. They were also chosen as examples of women in leadership on Capitol Hill, as they are some of the highest-ranking female staff members in Congress. The confirmed list of participants will be set in early September.
