Subject: Invitation to the Leaders in Technology Program at CES 2023, Jan. 5-8

Dear Phillip,

You are invited to be the special guest of the Consumer Technology Association (CTA)® for our Leaders in Technology (LIT) program at **CES® 2023** — taking place in Las Vegas, Jan. 5-8.

When global innovators and business leaders gather, opportunity is inevitable. More than 1400 companies from across the globe — with more being added everyday — will showcase the latest in digital health, food tech, automotive tech, metaverse, gaming, smart home and more. You'll hear directly from industry visionaries about how policy affects the cutting-edge tech that's fueling our nation's economy and job growth.

New this year, CES is partnering with the World Academy of Arts and Sciences (WAAS) to **showcase the critical role of technology in support of the United Nations Human Security For All (HS4A) program**. Human security will be a theme throughout the show, from conference programming to dedicated CES Innovation Awards.

The program is also designed to meet the requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. **Please find the required Private Sponsor Certification Form and list of Senate staff invitees for your review here.** This form will need to accompany your request to the U.S. Senate Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today using this email address —Phillip_Berenbroick@menendez.senate.gov. This is a limited, non-transferable invitation and we ask that you reply by Nov. 29. For questions, please contact LITprogram@CTA.tech.

We hope that you will be able to join us for the Leaders in Technology program at CES 2023 — the global stage for innovation.

Sincerely,

India Herdman
