SELECT COMMITTEE ON ETHICS

February 14, 2023

Elizabeth Falcone
Office of Senator Mark R. Warner
United States Senate
Washington, DC 20510

Dear Ms. Falcone:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to an educational seminar in Jerusalem, Tel Aviv, and Tiberias, Israel, on February 18–26, 2023, sponsored by the American Israel Education Foundation (AIEF). Provided that you adhere to the guidance set forth below, it appears that it is permissible for you to accept necessary expenses from AIEF in connection with this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.¹ You are employed as the Chief of Staff in the Office of Senator Mark R. Warner. AIEF invited you to travel to an educational seminar in Jerusalem, Tel Aviv, and Tiberias, Israel, on February 18–26, 2023. AIEF certified to the Committee that it will pay the necessary expenses² related to the travel and that it is neither a lobbyist, lobbying firm, agent of a foreign principal, or otherwise acting as a representative or agent of a foreign government. AIEF has also certified that it does not retain or employ a registered lobbyist or agent of a foreign principal and that no registered lobbyist or agent of a foreign principal will accompany you at any point throughout your trip.³

Discussion

Privately sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's official Senate duties. Incorporating reforms from the Honest Leadership and Open Government

¹ If this letter does not correctly recite the facts, contact the Committee immediately.

² The term "necessary expenses" has a specific definition. See *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel – Glossary of Terms* at 8.

³ The term "any point throughout your trip" has a specific definition. See *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel – Glossary of Terms* at 2.

Act of 2007 (HLOGA), Pub. L. 110–81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately Sponsored Travel and Glossary of Terms* (collectively, *Travel Regulations*). The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Entities that do not retain or employ a lobbyist or foreign agent and all non-profit organizations designated as tax-exempt organizations under § 501(c)(3) of the Internal Revenue Code of 1986, regardless of whether they retain or employ a lobbyist or foreign agent, may sponsor foreign trips for up to seven days. The seven-day limitation means seven 24-hour periods, calculated from the time of arrival in the trip location to the time of departure from the trip location. For such trips, neither lobbyists nor foreign agents may accompany a Senate invitee at any point throughout the trip, other than in a *de minimis* way.⁴ This means that neither lobbyists nor foreign agents may accompany Senate invitees at any point to and from the event, at the event itself, or at the location being visited.⁵

The Committee has determined that § 501(c)(3) non-profit organizations that are classified as private foundations, as opposed to public charities, may not pay for transportation from the United States to a foreign country.⁶ However, AIEF represented to the Committee that it is a § 501(c)(3) public charity, as opposed to a private foundation, pursuant to the Internal Revenue Code.⁷

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form*, and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately Sponsored Travel.**

⁴ The term "*de minimis*" has a specific definition. See *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel – Glossary of Terms* at 3.

⁵ See *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 5; see also *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel – Glossary of Terms* at 2-3.

⁶ See 26 U.S.C. § 4941 et seq. Section 501(c)(3) of the Internal Revenue Code broadly defines non-profit, charitable, tax-exempt organizations. These § 501(c)(3) organizations are then further defined or designated as "public charities" and "private foundations."

⁷ 26 U.S.C. § 501(c)(3).

Consistent with these standards and Committee precedent, AIEF's factual representations, it appears that it is permissible for you to accept necessary expenses from AIEF in connection with this trip, provided that the actual travel and travel-related expenses conform to the information and materials you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

Please be advised that the United States Constitution prohibits the acceptance of any gift, including a meal, from a foreign government without the consent of Congress. In the Foreign Gifts and Decorations Act (FGDA), Congress consented to the acceptance by federal government officials of: (1) gifts of minimal value and (2) travel or the expenses for travel taking place entirely outside the United States, from a foreign government (which includes those acting as a representative or agent of a foreign government).⁸ The Senate has defined minimal value as \$100 or less. Further, pursuant to FGDA, there are certain reporting and procedural requirements that are imposed upon Members, officers, and employees who accept gifts from a foreign government. Please review the Committee's "Dear Colleague" letter of January 11, 2019, setting forth the items to be included in filing that report.

Finally, Senate Rule 34 requires a reporting individual⁹ on their financial disclosure report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed \$415 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their financial disclosure report. I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director

Enclosure: Travel Checklist

⁸ 5 U.S.C. § 7342.

⁹ A reporting individual is someone whose salary equals or exceeds 120% of the basic rate of pay for GS-15 (\$141,022 for CY 2023) or is a political fund designee and is required to file financial disclosure reports.

Elizabeth Falcone, Chief of Staff
The Office of the Honorable Mark Warner

Dear Elizabeth,

On behalf of the American Israel Education Foundation (AIEF), we would like to invite you to participate in a bipartisan AIEF Israel Seminar for senior congressional staff. The trip will depart on Saturday afternoon, February 18, 2023, and return to the United States on Sunday morning, February 26, 2023.

This seminar will delve into the most exciting and vexing issues facing Israel and the region, among them: the security threats confronting Israel on its Northern and Southern borders; the threat posed by a nuclear Iran; the opportunities presented by recent peace agreements between Israel and a number of Arab states; and the current prospects for peace between Israel and the Palestinians.

Participants will hear a wide array of viewpoints, including discussions with members of the Israeli Knesset and the Palestinian Authority; U.S. government officials; military leaders; heads of non-governmental organizations; and prominent academics and journalists. The program will also include visits to historic and religious sites in Jerusalem and the Galilee.

All trip-related expenses will be paid for by AIEF, and all aspects of the trip will be in full conformity with Senate and House ethics rules. AIEF will provide the forms required to assure your compliance with ethics requirements.

We hope you will be able to join us on what promises to be a rich, insightful, and educational trip. To RSVP, please fill out the [Participant Confirmation Form](https://aiefdn.org/participant-confirmation-form). If you have any questions, please contact Julie Peretz at (240) 476-2852 or jperetz@aiefdn.org.

Sincerely,

Richard Fishman
Executive Director, AIEF

Addendum

2. Description of the Trip

This seminar, which will be on the ground in Israel for seven days, is specifically designed to explore foreign policy and defense issues related to the U.S.-Israel relationship. Some of the key issues to be addressed include: the security threats confronting Israel on its Northern and Southern borders; the threat posed by a nuclear Iran; the opportunities presented by recent peace agreements between Israel and a number of Arab states; and the current prospects for peace between Israel and the Palestinians.

The seminar will consist of discussions with Israeli government officials, military officers, Members of the Knesset, Palestinian representatives and U.S. officials; as well as site surveys of the northern border with Lebanon and Syria, the southern border with the Gaza Strip, and the security fence. The seminar also aims to provide the political, historic, and religious context to the current conflicts and issues facing Israel and the region. It will explore the connection the three monotheistic religions have with the land and the influence this connection has on today's struggles. In addition to formal meetings and briefings, the trip provides experiential opportunities to help better understand the geographical complications, the security implications, and the historic root causes of the current conflicts.

14. Sponsoring Congressional Trips

Founded in 1988, the American Israel Education Foundation (AIEF) funds Israel Seminars for members of Congress, Capitol Hill staffers, state and local officials, and other political influentials. These trips to Israel are among the most critical programs AIEF supports on behalf of the U.S.-Israel relationship. These educational seminars allow policy makers to understand the complex historical, religious and geographic context of the Arab-Israeli conflict. Participants meet with Israeli government officials, military officers, members of the Knesset, U.S. government officials, Palestinian Authority officials and leading academics and journalists. For many of the participants, who make important decisions impacting Israel and the Middle East, these trips are their first, and sometimes, only exposure to the country. The most recent seminar with Senate staff participation was a staff trip including a Senate staff person, September 3-11, 2022.

location of Jerusalem and refers to the land surrounding the Old City, including the Mount of Olives, believed to be the departure point for Jesus' final entry into Jerusalem and the cemetery where Jews have been burying their dead for 2,500 years. The Holy Basin also includes the Western Wall, Judaism's holiest site, and the Temple Mount (Haram al-Sharif), sacred ground for Jews, Muslims, and Christians. These hills served as launching pads between 1948 and 1967 for sniper and mortar attacks on Israeli parts of the city by the Jordanian Army. Since 1967, these hills have become vibrant neighborhoods, fully integrated into the fabric of Jerusalem. It is vital for those discussing the issue of Jerusalem to understand these neighborhoods' strategic importance and their relationship to the areas in the immediate vicinity.

9:00-10:45 PM **Remembering the Victims of the Holocaust**
Visit to Yad Vashem Holocaust
Memorial and Museum

One cannot understand Israel's worldview without understanding the trauma of the Holocaust. Israelis view threats to its destruction considering the events of the 1930s and 1940s, when the German government's threats to exterminate the Jewish people were not taken seriously by the international community. This museum provides an important reference point as to how Israelis interpret the threat of an Iranian nuclear program and Iranian leaders committed to Israel's destruction. Yad Vashem has become a symbol of the Jewish people and its transformation from total helplessness to self-reliance and strength. Thus, a visit to Yad Vashem provides a historical context for the Jewish state. The museum's professional docent will guide the delegation through the main exhibit hall and the children's memorial.

Since 2001, Israeli communities bordering the Gaza Strip have been living under the threat of rocket fire. Since the Israeli withdrawal from the Gaza Strip in 2005 and the Hamas takeover of the Gaza Strip in 2007, the volume, range and accuracy of the rockets has only increased. More recently, Hamas has built dozens of terror tunnels to attack Israeli civilians. The delegation will meet with locals to

better understand the reality of living kilometers from Israel's border with Gaza, and how communities have sought to cope, both physically and psychologically.

12:15-12:30 PM Session ends

12:30-1:30 PM **The IDF and Israeli Society**
Lunch with Soldiers
-at Moshav Netiv HaAsara

In Israel, military service is mandatory for everyone over the age of 18, with several exceptions. Most Israelis join the army right after high school and serve for three years. As such, the Israel Defense Force (IDF) is an integral part of the fabric of Israeli society. During this lunch, participants will have the chance to meet with several soldiers serving in the southern region and hear about their experiences in the army. They will discuss the values of the Israel Defense Forces – known as Ruach Tzahal (literally “The Spirit of the IDF”). This overarching ethical code, and the guidelines and operation resulting from it, shape the mode of action applied by all IDF soldiers and units, both in peace and at war. During basic training, every IDF soldier studies and analyzes the code of ethics together with their commanders. It is customary for a framed copy of the code to be hung in every commander's office as a constant reminder of the IDF's values and guidelines.

Leaders in Congress have recognized the importance of Israel's missile defense system and have allocated more than \$1.6 billion for this technology. Participants will have the opportunity to visit an Iron Dome site and speak with the soldiers responsible for its operation.

9:45-10:45 AM Depart

10:45-11:30 AM **Israel's Narrow Waistline – Strategic Concerns**
Briefing at Alfei Menashe

Alfei Menashe is a Jewish community located on the western edge of the West Bank. Less than 10 miles from the Mediterranean Sea, Alfei Menashe provides a unique vantage point to discuss Israeli settlement policy, the routing of the security barrier, as well as Israel's narrow waistline. The sliver of Israeli land west of the West Bank is often referred to as the Hadera-Gadera rectangle, with the city of Hadera denoting the northern point, and the city of Gadera the southern point. The Hadera-Gadera rectangle is home to over 50 percent of Israel's population, as well as civilian infrastructure. The area is also home to Israel's "Silicon Valley", as well as Ben Gurion international airport. The discussion at Alfei Menashe will allow participants to see firsthand the proximity of Jewish and Arab neighborhoods in both Israel and the West Bank; as well as the strategic threats faced by the Israeli population living in Israel's narrow waistline.

11:30 AM-12:30 PM Depart for lunch

12:30-2:00 PM **Minority Rights in Israel**
Lunch with Mohammad Darawshe
Director of Planning, Equality and Shared Living
Givat Haviva Educational Institute
-at the hotel, Studio 5

Approximately 22% of Israeli residents are part of the non-Jewish minority, which includes, among others, Muslims, Christians, and Druze. As a liberal, democratic state, Israel is rooted in liberty, the rule of law, free and fair elections, and full civil rights for all citizens. Our speaker, Mohammad Darawshe is currently

the director of planning, equality, and shared living at Givat Haviva Educational Institute –a non-profit organization founded in 1949 as the national education center of the Kibbutz Federation in Israel. His focus throughout his career is promoting coexistence and quality among Israel's Jewish and Arab-Palestinians citizens. He will discuss the current challenges facing minority groups in Israel, as well as ways the government of Israel and NGOs seek to address these challenges.

2:00-3:30 PM Depart for Zarit

2:30-3:30 PM En route briefing: **The Jezreel Valley and Upper Galilee**

Our tour guide will spend an hour during the drive from Israel's center to the north to provide the delegation a briefing on the Jezreel Valley and the Upper Galilee and the challenges facing these regions of the country. For thousands of years, the Jezreel Valley served as a land bridge linking Africa, Asia, and Europe, and serving as a thoroughfare for ancient caravans and, more frequently, armies. In 1948, following Israel's establishment, the combined forces of Iraq and Jordan attempted unsuccessfully to capture the valley to split the just-born Israel into two parts. In the early 20th century, after decades of neglect, Jewish pioneers drained the swamps in the valley, transforming this region into Israel's "breadbasket" known for wheat, cotton, sunflowers, and fishponds. The Jezreel Valley is also home to historical and biblical sites including Tel Megiddo and Nazareth.

Today it is an important symbol of Israel's complex and diverse political reality. The Jezreel Valley, together with the areas of the Lower and Upper Galilee, is home to the majority of Israel's Arab citizens. A survey of this area provides an opportunity to discuss and learn about Israel's Arab citizens – 20 percent of the population – each of which has full democratic, social and welfare rights, the right to vote and serve in the Knesset, and the opportunity to serve on Israel's Supreme Court.

The Upper Galilee is home to the largest variety of ethnic communities in Israel including Druze, Circassian, Arab Muslim and Arab Christian villages. The Galilee is also home to ancient Jewish and Christian holy sites that provide additional historical and political context to regional tensions. Just as in the case of the Jezreel Valley, the area illustrates the role of minorities in Israel. At the same time, the Upper Galilee is home to some of the most prominent industrial hubs.

3:30-4:15 PM **Visit to Hezbollah Terror Tunnel**
-at Zarit

Virtually all southern Lebanon is a maze of underground bunkers, rocket-launching sites, and interconnected tunnels built by the Iranian-backed Hezbollah terrorist organization. Hezbollah is the most powerful terrorist organization in the world, stronger than most national armies. They receive around \$700 million annually from Iran, along with advanced weapons, training, and political support. During this visit, the delegation will have the opportunity to go into a Hezbollah tunnel discovered by the Israel Defense Forces (IDF), to see firsthand the threat this terrorist army poses to Israel and the region. Hezbollah has created a network of tunnels hundreds of kilometers long to enable terrorists to stage an infiltration attack on military and civilian targets in northern Israel. The IDF conducted Operation Northern Shield between December 2018 and January 2019, to locate and destroy the tunnels. In January 2020, the IDF began installing a series of underground sensors along the northern border to detect any new subterranean tunnels being dug into Israeli territory from Lebanon. Participants will hear from an IDF officer who will guide them through the opening of the tunnel and share the anti-tunneling technology Israel is using to detect new tunnels.

4:15-5:15 PM **Israel's Northern Border Concerns I: Lebanon and Hezbollah**
 Briefing with Colonel (Ret.) Miri Eisen
 Associate, International Institute for Counterterrorism, Reichman University
 -at Zarit

Col. (Res.) Miri Eisen speaks on regional geo-politics and security related issues in the media worldwide. Col. Eisen served in the Israeli intelligence community and retired from active duty at the rank of full colonel in 2004. Over her twenty-year career in the military, she served as the deputy head of the combat intelligence corps, the personal assistant to the Director of Military intelligence and as the intelligence officer in combat units and research departments. During this session she will provide an overview of the challenges faced by Israel on their border with Lebanon, including the threat of terrorist group Hezbollah.

Included is a guided survey and discussion of some of the most important events in the life of Jesus by the Sea of Galilee. Just as strategic surveys in Jerusalem focused on Jewish, Muslim, and Christian history and claims to the land, the site visits to the Christian sites help provide context for the competing religious narratives for the land of Israel. For example, we will be visiting the Mount of Beatitudes, where Jesus delivered the Sermon on the Mount,

the most studied and read speech of any religion in history. Our guide will also lead a discussion through Capernaum, the site of Jesus' ministry in the Galilee.

Ilan Shulman, a disabled IDF veteran, divides his time guiding geopolitical tours on the Galilee and Golan Heights, lecturing to students, giving geo-political briefings for delegations through various Israeli foreign ministry programs, and fulfilling his IDF reserve duties in the Northern Command's intelligence unit. Shulman was raised in Kibbutz Merom Golan near Israel's border with Syria, where one of his favorite jobs was herding the kibbutz cattle. Shulman served in the IDF's paratrooper's unit, rising to the position of company commander. He holds a BA in Israel and Middle East Studies. During this session he will take participants to the border between Israel and Syria and provide an overview of the Syrian civil war.

7:30-9:00 AM Depart

7:30 – 8:30 AM En route briefing: **Jericho Road and the E-1 Corridor**

Our tour guide will spend approximately one hour on the drive from Jerusalem to Masada – including Jericho Road – to discuss the strategic importance of the area east of Jerusalem. In 1948 and in 1967, the Jordanian army attacked Jerusalem from the east – the 1948 attack resulted in the city's division that lasted until 1967. Since then, Israel has established the City of Ma'ale Adumim east of Jerusalem, today home to some 40,000 residents. To the Palestinians, however, Ma'ale Adumim is the largest settlement on the West Bank. When Israel attempted to expand Ma'ale Adumim's boundary, into an area known as "E-1", the U.S. State Department stepped in and asked that no construction take place there. The issue needs to be examined with those discussing the future of Jerusalem in the context of the Israeli - Palestinian negotiations.

9:00- 10:30 AM **History and Geopolitics of the Roman Empire**
Guided survey of the National Archeological Park at Masada

Masada, which was excavated in the 1960s, is considered one of the most important archeological sites in Israel, indeed in the whole world. Masada was the site of the last stand of the Jews in Israel after the Romans destroyed Jerusalem and the Holy Temple in 70 A.D. A group of Jewish zealots fled to the Judean Desert and lived in the former mountaintop fortress of King Herod known as Masada for two years resisting the onslaught of the most powerful army in the world. Determined to break the resistance, the Romans finally scaled the mountain to capture and enslave the Jewish rebels. However, when they finally arrived, they found that all the men, women and children had killed themselves as a last act of defiance. The delegation will visit the magnificent ancient excavations; learn the narrative of Jewish resistance to the Romans backed by the archeological and historical evidence; and discuss the importance of the Masada story to the contemporary Middle East and the threats in the region

10:30-11:15 AM Depart for Dead Sea

11:15 AM-1:00 PM **Exploration of the Dead Sea Region**
-at Hod hotel

During our drive to and from the Dead Sea area, as well as during our visit to the Dead Sea, our tour guide will discuss a variety of issues integral to understanding this desert region, and relations with both the Palestinians and Jordanians. For decades, Israel has been developing the agricultural potential of the desert. While the Middle East is suffering from water shortages, Israel, through modern technology and water conservation policies, including the recycling of over 80 percent of water used for domestic purposes and transferring it to agriculture, has literally "made the desert bloom." The key regional players also face serious environmental issues in the Dead Sea region. One of the major environmental concerns is the receding of the Dead Sea and the appearance of sinkholes, which cause the earth above to collapse. Roads, fields, and buildings have collapsed due to this phenomenon, and experts are concerned the tourist infrastructure along the Jordanian and Israeli shores of the Dead Sea are in danger. This issue has led to unprecedented cooperation between Israelis, Jordanians and Palestinians and serves as a model for regional cooperation.
