Dear Lane,

On behalf of the United Nations Foundation, I would like to extend an invitation to you to participate in a congressional learning trip to observe the work of the United Nations in Uzbekistan on April 9-16, 2022.

The United Nations in Uzbekistan is a robust presence, comprised of 25 agencies, funds and programmes working together—with U.S. and government partners—to reduce poverty, strengthen health systems, advance gender equality, safeguard cultural heritage, and respond to dire humanitarian needs. These efforts have produced significant results, enhancing Uzbekistan's prosperity and creating mechanisms of multilateral support for national reforms aimed at liberalizing the economy, protecting fundamental human rights, and building responsive, democratic institutions.

Over the course of this trip, the delegation will conduct multiple site visits and engage in several high-level meetings, including with the UN Resident Coordinator in Uzbekistan, U.S. Amb. Daniel Rosenblum, and various other UN leaders and Uzbekistan government officials. The delegation, in addition, will travel to Termez, a city on the Uzbekistan-Afghanistan border that has become a major logistical hub used by UNICEF, UNHCR, WFP, IOM and others to ensure the expeditious delivery of emergency lifesaving humanitarian supplies to the people of Afghanistan.

We would be honored if you would consider joining us for this unique learning opportunity. We kindly note that that you must have received all necessary doses of an authorized COVID-19 vaccine plus a booster (if applicable) to participate in this trip. If you are interested in joining, please let us know as soon as possible, as space is limited.

We hope you will take this opportunity to learn more about the UN's work and look forward to your reply.

Sincerely yours,

Peter Yeo
Senior Vice President
