History of Congressional Travel

Congressional staff educational tours have been provided by the St. Louis AgriBusiness Club starting in 1985 and every odd numbered year through 2005. Event tours started again in 2013 and have been provided in 2015, 2017, 2019. Our organization has provided fifteen quality, hands-on, and valuable educational events with accountability over 38 years.

Educational Activities

Missouri and Illinois congressional staff are invited to St. Louis AgriBusiness Club meetings from September to June each year to learn more about challenges and successes of the agriculture and food industry. Staff members pay their own registration fees for these professional development events. The club partners with the Saint Louis Science Center GROW agriculture exhibit to educate K-12 students and the general public about the agricultural industry. The club promotes agricultural careers at various educational events within the St. Louis region.

Purpose and Details

Provide a brief description of the trip.

This event will highlight the process of food and non-food products from the farm to the table and consumer in the St. Louis region of Missouri and Illinois. Participants will have a close up view at each industry site. Tour stops will include: a barge ride on the Mississippi River going through a lock and dam; farm tour showcasing robotics, drones, equipment technology, animal care; grain terminal; plant research labs and greenhouses; food and beverages processing facilities. Expert agribusiness representatives and club members will be presenting the successes and advancements along with communicating issues and challenges at each tour site. Participants will be encouraged to ask questions and interact with industry professionals.

Explain how the purpose of the trip relates to your organization's mission.

World population is expected to grow by 2 billion people to 9.8 billion by 2050. Educating our decision makers and support staff is so important to ensure that our food supply is nutritious, abundant, and affordable. The mission of the St. Louis AgriBusiness Club is to promote the positive impact of the agricultural industry in the Greater St. Louis region through educational, networking and professional development opportunities. The phrase 'seeing is believing' means that if you see something yourself, you will believe it to exist or be true. This educational tour will provide participants with real life experiences beyond a classroom presentation. Our club's educational and networking mission mirrors the purpose of this tour for Congressional staff.

ST. LOUIS AGRIBUSINESS CLUB

HI Congressional Staff:

As a congressional staff member, the St. Louis Agribusiness Club would like to offer you an invitation to the **AgMazing Congressional Tour**, Wednesday to Friday, August 23-25, 2023. Twenty staff are registered so far from eight states. We have space for ten more.

The goal of this three day event is to showcase the importance of agriculture in our region as well as nationally and globally. This tour will offer hands on education of farms, processing/storage facilities, river infrastructure and end users. Topics covered will include everything from sustainability in agriculture to job creation, infrastructure needs and economic impact. **$43 billion and 166 thousand jobs for the St. Louis region is demonstrated in our most recent Ag Economic Study.**

Please complete the **registration form** this week. Sponsor travel forms will be sent to you after registering and are due to the Ethics Committee by the end of the day on Monday, July 24th. **View itinerary** for the three days.

St. Louis Agribusiness Club AgMazing (8-15-23)
Congressional Staff Educational Event Itinerary
August 23, 24, 25, 2023 (Central Time)

Wednesday, August 23

9 am **DoubleTree Hotel Westport**
1973 Craigshire Dr, St. Louis, MO 63146
Charter Bus will pick up St. Louis Agribusiness Club members to meet tour participants at the airport. Bus will drop off members and Congressional staff back at the hotel at the conclusion of Wednesday's events.

9:45 am **Southwest Airlines Flight arrives to Lambert International Airport(STL)**
10701 Lambert International Blvd., St. Louis, MO 63145
Participants will be greeted by St. Louis Agribusiness Club members.

10:20 am – 10:40 am **Travel to Saint Louis Science Center**
5050 Oakland Ave, St. Louis, MO 63110

10:40 am - 12:30 pm **GROW Agriculture and Food Exhibit**
GROW is a 5,000-square-foot pavilion and an acre of beautiful outdoor space at the Saint Louis Science Center. In the GROW Pavilion and Gallery, not only will you learn about your food's journey from farm to table, you'll learn the scientific processes that turn seeds into towering plants. Staffers will discover the story of agriculture and the many ways technology is shaping the agricultural landscape. The St. Louis AgriBusiness Club most recent economic study will be presented showcasing the importance of food and agriculture.

12:30 pm - 12:45 pm **Travel to Danforth Center**

12:45 pm - 2:30 pm **Donald Danforth Plant Science Center/I39 North with box lunch**
975 N Warson Rd, Olivette, MO 63132

The Donald Danforth Plant Science Center is a not-for-profit research institute with a mission to improve the human condition through plant science. Research, education and outreach aim to have impact at the nexus of food security and the environment and position the St. Louis region as a world center for plant science. The Center's work is funded through competitive grants from many sources, including the National Institutes of Health, U.S. Department of Energy, National Science Foundation, and the Bill & Melinda Gates Foundation. 39 North is a 600-acre innovation district in St. Louis anchored by the Donald Danforth Plant Science Center, BRDG Park, the Helix Incubator, Bayer Crop Science, and the Yield Lab. At 39 North, we're building and championing a place and an idea that, hundreds of years from now, history will celebrate as changing the world and forever improving the human condition. Both in St. Louis, and around the world. Attendees will see and hear about the important plant science research being done in the St. Louis region and its impact on the region's economy. They will also learn the importance to farmers in the agricultural industry and to consumers across the world developing plant science that will contribute to food security and allow farmers to use less resources. Tour will include the research facilities and labs at Danforth. The Danforth Center is committed to enhancing the St. Louis region as a world center for plant science, and creating new jobs for future generations.

2:30 pm - 3 pm **Travel to Bayer Crop Science**

3 pm - 5 pm **Bayer Crop Science - Chesterfield**
700 W Chesterfield Pkwy W, Chesterfield, MO 63017

Bayer is committed to a world where biodiversity thrives in harmony with humankind. Where hunger and climate change are terms relegated to history books. Where farms are more sustainable, with plants that are more adaptive and resilient, to help improve life for families and communities. In short, where agriculture is part of the solution. Staffers will take a tour of the lab facility and see how science has an important role in the day to day operations of a farmer.

5 pm - 5:15 pm **Travel to Stemme Farm**

5 pm - 7 pm **Warren Stemme Grain Farm with meal**
165 River Valley Drive, Chesterfield, MO 63146

The Warren Stemme Farm is operated by Warren and his son. They raise corn, soybeans and wheat. The group will tour the farm and crop fields and see the equipment utilized to plant, grow and harvest these crops. They will hear about the challenges farmers face and the many issues which impact farmers from trade to waterways infrastructure. Staffers will have the opportunity get up close to farm equipment including: tractors, combines, tilling equipment, planters, and sprayers.

7:30 pm **DoubleTree Hotel Westport**
1973 Craigshire Dr, St. Louis, MO 63146

Thursday, August 24

8:00 am **Bus arrives at DoubleTree Hotel Westport**
1973 Craigshire Dr, St. Louis, MO 63146

Bus will pick up St. Louis Agribusiness Club members and Congressional staff. Bus will drop everyone off at the hotel at the conclusion of Thursday's events.

8:10 am - 8:30 am **Travel to Nestle Purina**

8:30 am - 10:30 am **Nestle Purina Headquarters**
2s Checkerboard Square
St. Louis, MO 63164

Headquartered in St. Louis, Nestle Purina was founded in 1894 and employs over 7,500 people in the U.S. and many more worldwide. Nestle Purina provides quality, nutritional products for pets while raising awareness for the welfare of pets and the needs of dogs, cats and other pets. Nestle Purina is considered a great place to work, even allowing employees to bring their pets into the offices every day. The group will receive a tour of the Nestle Purina headquarters including a performance by the Purina Incredible Dog Team. Staffers will hear about the many plant and animal based products used in the creation and processing of high quality animal food and feed.

10:30 am – 10:50 am **Travel to America's Central Port**

10:50 am – 12:15 pm **America's Central Port**
1635 West First Street, Granite City, IL 62040

The Port is a special-purpose unit of local government whose mission is to develop multi-modal transportation, create business expansion opportunities, and facilitate and assist in job creation for the Southwest Illinois region. Located just north of downtown St. Louis in Southwest Illinois, lies a 1,200 acre multi-modal business and industrial campus known as America's Central Port. Situated at the heart of the United States transportation network, the Port provides exceptional access to three major freight transportation modes: river, rail, and road. Home to multiple manufacturers, building material suppliers, and other industrial and transportation businesses, the Port is an excellent location for freight intensive operations.

12:15 pm - 12:45 pm **Travel to Eckert's Orchards**

12:45 pm – 2:30 pm **Eckert's Orchard with lunch**
951 S Green Mt Rd, Belleville, IL 62220

Eckert's Farms is a family-run fruit and vegetable farm which provides additional agritourism opportunities for the surrounding region. The farm has fresh, seasonal crops featured at four different locations. The group will tour the orchards where Eckert's raises their fruit and will learn about the weather and business challenges faced by farmers in this sector. They will also learn about how consumers are seeking to learn more about agriculture and often turn to agritourism businesses like Eckert's to experience farming firsthand.

2:30 pm – 2:45 pm **Travel to Wehmeyer Seed Company**

2:45 pm – 4 pm **Wehmeyer Seed Company**
7167 Highbanks Road, Mascoutah, IL 62258

Founded in 1995, Wehmeyer Seed is a family-owned seed company dedicated to raising, conditioning and packaging high quality soybean and wheat seed utilizing extensive data and drone technologies.

4 pm – 4:45 pm **Travel to Anheuser-Busch Brewery**

4:45 pm – 6:45 pm **Anheuser-Busch Brewery with meal**
12th and Lynch St. St. Louis, MO 63118

Anheuser-Busch operates 12 breweries in the United States and is a subsidiary of Anheuser-Busch InBev, the largest beer producer in the world. In order to make their products, A-B houses a large grain procurement division. The group will tour the brewery in viewing how the company procures the ingredients they need to make their products. Staffers will learn about the impact A-B has on the local and worldwide economy and the importance of agriculture in the world-wide beverage industry.

7:30 pm **DoubleTree Hotel Westport**
1973 Craigshire Dr, St. Louis, MO 63146

Friday, August 25

7:15 am **Bus arrives at DoubleTree Hotel Westport**
1973 Craigshire Dr, St. Louis, MO 63146
