14th Annual Biofuels

Science and Sustainability Tour

Dear Kate Lundberg,

On behalf of the Iowa Renewable Fuels Association, you are cordially invited to participate in the **14th Annual Biofuels: Science and Sustainability Tour from August 14-17, 2023**, taking place in Iowa and Minnesota. This privately-sponsored tour has been organized to provide congressional staff and agency representatives an opportunity to learn about the biofuels industry and research community. The Midwest leads the nation in responding to the many challenges and opportunities in renewable energy and agriculture.

This event will include:

- Hands-on tours of an ethanol plant, biodiesel plant, renewable natural gas plant, farms, fuel distribution, and other facilities connected with ag and biofuels.
- A close look at cutting edge research projects that will cultivate the next generation of renewable fuels.
- Briefings by state and national experts, technology providers, family farmers and university research staff.

You will gain:

- A better understanding of the environmental and economic benefits of renewable fuels.
- Insight into technological advancements that are improving the efficiency and minimizing the carbon footprint of biofuels production and agricultural processes.

Please note all expenses are covered by the tour sponsors.

Learn more about the tour by checking out these [recaps of past tours](#).

Space is limited. If you are interested in participating in the tour, **please complete the following:**

- **[Click here](#) to fill out the tour registration form and return it to Monte Shaw, Executive Director of the Iowa Renewable Fuels Association, at mshaw@IowaRFA.org Please reply as soon as possible.**
- **Once registered, you will receive all of the paperwork necessary for submission to the Senate Ethics Committee (which is due no later than July 14, 2023).**

Any questions may be directed to Monte Shaw at (515) 252-6249, mshaw@IowaRFA.org. Thanks, and we hope to see you on the tour!

Sincerely,

Monte Shaw

Executive Director
Iowa Renewable Fuels Association

Purpose and Details

Provide a brief description of the trip.

To enhance first-hand knowledge of agriculture, energy, and environmental issues by touring corn ethanol and biodiesel production facilities, family farms, livestock producers, manufacturing facilities, and research centers; and meeting with local, state, and national experts to discuss ag and renewable fuels operations and policies.

Explain how the purpose of the trip relates to your organization's mission.

Iowa Renewable Fuels Association brings together Iowa ethanol and biodiesel producers to foster the development and growth of the state's renewable fuels industry through education, promotion, infrastructure development, and public policy. Because it educates Congressional and Administration staff on renewable fuels, the Tour furthers its efforts to create a positive policy environment for the industry.

Is your organization the only sponsor for this trip?

Yes

No

If No, describe your organization's role in planning the trip.

Iowa Renewable Fuels Association is the primary sponsor. It was collected funds from other sponsors and will pay all bills. It worked with other sponsors to create an invite list and was responsible for issuing the formal invitations to staff. IRFA helped plan the agenda for the tour and will serve as host/presenter on the tour.

If there are multiple sponsors, each sponsor must submit Organization Information (Page 1 of the Private Sponsor Travel Certification Form) and a Signature Page Form.
