Dear Mr. Carlisle:

On behalf of the American Public Transportation Association (APTA), which represents an \$80 billion industry that directly employs 450,000 people and supports millions of private-sector jobs, it is my pleasure to invite you to APTA's 2022 TRANSform Conference to be held October 9-12, 2022, in Seattle, Washington.

In particular, we invite you to participate in the Congressional staff session: "Congress and the Year Ahead in Infrastructure Investment". This session is scheduled for Monday, October 10. This session will provide a good opportunity to discuss implementation of the Infrastructure Investment and Jobs Act, the THUD Appropriations Act, and pending infrastructure investment legislation, as well as your Committee's priorities for the coming year. We also invite you to attend any of the other educational sessions at the Conference.

We expect thousands of public-sector and private industry transit professionals will join us at the Conference. APTA's TRANSform Conference is the flagship event for public transportation professionals to engage in workshops, experience technical tours, and network with colleagues. Keynote speakers and educational sessions explore cutting-edge hot topics, including transformative technology, mental health awareness, community building, innovative funding, and finance, safety and security, workforce development, and worldwide mega projects.

APTA will provide you with hotel accommodations and meals, as well as roundtrip air fare between Washington, DC, and Seattle, WA, in accordance with Congressional ethics rules. We will follow up with additional information as necessary to facilitate approval from the Committee on Ethics.
