Hello, Daniel:

We at **Software.org: the BSA Foundation** would like to invite you to join us for an **AI-focused Senate staff delegation trip to New York City on Wednesday, August 2 – Friday, August 4.**

The theme of the trip will be “**AI & Software Enabling Digital Transformation.**” Participants will interact with AI experts, technologists, and business leaders on the forefront of emerging technologies from top software companies including **Adobe, Autodesk, IBM, Microsoft, Salesforce, and SAP.** Special program elements will take participants behind the scenes of AI’s role in financial services and offer opportunities to discuss implications of AI to national security and workforce development with relative authorities.

The group will depart Union Station by train on the morning of Wednesday, August 2 and return on the afternoon of Friday, August 4. The trip’s programming and all travel, meals, and accommodations will be provided by Software.org in accordance with Ethics rules and guidelines. We seek to limit the trip to a bipartisan group of 12-15 senior Senate staff.

Please let me know by **reply to this email by Friday, June 16** if you’re able to join us for this immersive trip on AI. You have been specially selected for this trip, and the invitation is non-transferable.

Thank you in advance for your consideration. We hope you’re able to join us in New York. I’m happy to address any questions you might have in the meantime!

Best,

Gideon Lett
