Clean Fuels
Foundation

April 10, 2023

PO Box 104898 Jefferson City,
MO 65110-4898

Dear John,

On behalf of the Clean Fuels Alliance Foundation (the Foundation) and sponsoring organizations, we'd like to invite you to join us for the Washington, DC/Maryland ***2023 Capitol Region Sustainability and Clean Fuels Tour.***

This is a valuable opportunity to learn about the biomass-based diesel industry and the expanding production and use of renewable, sustainable liquid fuels that reduce carbon today in the District of Columbia's heavy-duty vehicles. Space is limited, so please reserve your spot early. **Reservations must be received before close of business Friday, April 28, 2023.**

The tour will leave from the Capitol Visitor Center in Washington, DC and visit the Valley Proteins facility where you will see and discuss facility operations and learn how it fits into the value chain for renewable fuels. Darling Ingredients Inc. owns and operates Valley Proteins, the world's leading company turning food waste into sustainable products and producer of renewable energy, has completed the acquisition of Valley Proteins, one of the largest independent rendering companies in the United States. The tour will end at a Maryland farm where participants will learn how soybeans are grown and processed for food products and oil. Lunch and transportation are included.

This privately sponsored tour will provide you a first-hand look at the economic and environmental benefits of biodiesel and renewable diesel use in the region. Participants will learn how biodiesel is produced, distributed, and used and learn about the supply chain of agricultural raw materials for production.

Made from an increasingly diverse mix of resources such as recycled cooking oil, soybean oil, and animal fats, clean fuels are a proven, integral part of America's agriculture economy.

Reserve your place on the tour today with an email or phone call to Paul Winters, pwinters@cleanfuels.org, (202) 737-8803.

Reserve your seat now!

Please contact us if you have any questions.

Sincerely,

Trip Name: 2023 Capitol Region Sustainability and Clean Fuels Tour

Purpose and Details

Provide a brief description of the trip.

This privately sponsored tour will provide a first-hand look at components integral to biodiesel, renewable diesel, and renewable jet fuel production. Arriving first at the Valley Proteins facility, a world leader in turning food waste into sustainable products, participants will learn how used cooking oil and animal fats fit into the renewable fuel value chain. The second stop will be at a Maryland farm where participants will see how soybeans are grown and processed for food products and oil. The on-site visits will be accompanied by discussions with professionals in government fleet management, B100 technology, fuel supply, the Maryland biodiesel industry, and environmental justice engagement. Lunch and transportation are included.

Explain how the purpose of the trip relates to your organization's mission.

The topics covered on this tour meet the Foundation's stated mission to advance the research and education of clean-burning, biomass-based diesel alternatives and their co-products.

Is your organization the only sponsor for this trip?

○ Yes ◉ No

If No, describe your organization's role in planning the trip.

Friday, June 16, 2023	
8:00 am	Participants meet and check-in for tour at the U.S. Capitol Visitor Center, 1st Street, Washington, DC 20515
8:15 am	Bus leaves for Darling Ingredients/Valley Proteins Inc. (1515 Open Street, Baltimore, Maryland 21226)

After boarding *Tom Verry*, Executive Director Clean Fuels Alliance Foundation will provide a tour **Welcome and Overview.** Mr. Verry will review the day's agenda and schedule. Mr. Verry has 30 years' experience in the biodiesel and soybean industries.

9:15 am	Arrive and Tour Valley Proteins, Inc.

9:15 – 9:30 am **Clean Fuels 101 and Industry Update** – *Paul Winters*, Director of Public Affairs, Clean Fuels Alliance America, will explain how biodiesel, renewable diesel, and renewable jet fuel are made, and review the policies and economic factors that are driving the industry's rapid growth. Paul has 20 years' experience in advocacy for advanced biofuels.

9:30 – 10:00 am **Environmental Justice and Benefits to Local Communities**, *Antoine Thompson*, Executive Director Greater Washington Region Clean Cities Coalition (GWRCCC) will discuss biodiesel's benefits for local and environmental justice communities and how biodiesel use meets regional environmental goals. Mr. Thompson is a former New York State Senator. His work for the Clean Cities Coalition focuses on clean energy, transportation and environmental justice and equity.

10:00 – 10:30 am **Used Cooking Oil Collection and Environmental Benefits**, *Mike Rath,* Darling Ingredients and Chairman, Clean Fuels Alliance America, will discuss the economic and environmental benefits of recycling waste – such as used cooking oil and animal fats – and adding value to them through biodiesel, renewable diesel and SAF production.

10:30 – 11:30 am – **Tour Facility**, Valley Proteins facility manager will lead participants through the facility where they will see the process of cleaning up used cooking oil, learn how it fits into the value chain for renewable fuels and hear about the environmental benefits. Darling Ingredients Inc. owns and operates Valley Proteins, the world's leading company turning food waste into sustainable products and producer of renewable energy, has completed the acquisition of Valley Proteins, one of the largest independent rendering companies in the United States.

11:30 am	Depart Darling Ingredients/Valley Proteins Inc. for Farm (9005 Clemsonville Rd, Unionbridge, MD 21791)
12:30 pm	Arrive at the Farm

12:30 pm **Welcome to the Farm,** *Belinda Burrier,* owner Burrier Farms will welcome participants to her farm. She will discuss biobased products and the value they add to soybean farms. Belinda and her husband, Dave, grow soybeans, corn, wheat, and hay on their farm in Union Bridge, Maryland. They utilize a range of biobased products in their operation.

12:30 – 1:15 pm **Lunch and Roundtable Discussion.** A box lunch will be provided. During lunch, Paul Winters will lead a round table discussion that includes experts from biodiesel production facilities and fuel providers. Topics will include a discussion of industry's economic impact in the region and other communities across the country.

Clean Fuels Foundation

2023 Capitol Region Sustainability and Clean Fuels Tour

1:15 – 1:35 pm <u>B100 in Action</u>, *Tim Fitzgerald,* Fleet Director, DC DPW (Department of Public Works), will discuss the city fleet's experience using biodiesel blends. The Clean Fuels Foundation partnered with DC DPW to secure Diesel Emission Reduction Act grant funds to convert the city's fleets to run on B100. Tim has 30 years' experience in fleet management, including with Philadelphia, Atlanta, the District of Columbia, and Harris County, Texas. A DC DPW B100 vehicle will be on display.

1:35 – 1:55 pm <u>Low Carbon Fuel Demand</u>, *Richard Hilmer,* Division Chief, Prince George's County Fleet Management, will discuss the region's need for low-carbon fuels in existing vehicles and infrastructure to meet budget and environmental goals. Rick has 40 years' experience in fleet management including 27 years as a public fleet manager. He has been a GWRCCC board member since 2008 and is a Certified Automotive Fleet Manager and member of the National Association of Fleet Administrators (NAFA).

1:55 – 2:15 pm <u>Vector System B100 Technology,</u> *Colin Huwyler,* CEO (Chief Executive Officer), Optimus Technologies, will discuss the Vector system installed on DC vehicles and how it enables the fleet to run on B100 year-round. Colin is the co-founder of Optimus, a company that builds fuel systems for existing diesel engines and infrastructure to transition to sustainable, cleaner fuels.

2:15 – 2:35 pm <u>Fueling Logistics</u>, *Jon Scharingson,* Executive Director, Strategic Initiatives at Chevron Renewable Energy Group, will discuss logistics of providing biodiesel to the DC fleet. Jon oversees marketing activities and is responsible for business development, including national accounts and fleets.

2:35 – 3:30 pm <u>Biodiesel and Maryland</u>. This panel discussion will include production, supply and animal food uses. ***Danielle Bauer Farace,*** Executive Director, Maryland Soybean Board, Delaware Soybean Board, and Atlantic Soybean Council, will discuss the region's soybean production and markets. Danielle has been involved in the region's soybean industry since 2019.

Jay Nusbaum, Manager, Southern States Cooperative, will discuss biodiesel use and blending in the region. Southern States is a fuel supplier to the region. Jay has nearly 45 years' experience in the industry.

Brian Palmer, Senior Director – Grain Origination, Perdue AgriBusiness will discuss soybean use for animal feed and food uses. Brian has more than 20 years' experience in the grain handling industry. He has worked in many roles at Perdue since 2008.

3:30 – 4:30 pm <u>Farm Tour</u>, *Belinda Burrier* provides participants with a farm tour and its buildings to learn how it produces, harvests, stores, ships and profits from biodiesel. Participants will be given the opportunity to ask questions of all speakers during the tour.

4:30 pm	Depart Farm for return to Capitol Visitors Center (1st Street, Washington, DC 20515)
6:00 pm	Arrive at Capitol Visitor's Center – Tour Complete
