History of Congressional Travel

This will be the sixth time that Rebuilding Alliance is bringing a Leadership Learning Mission to Jerusalem and the West Bank, and the second time with Senate staff. We brought House staff in 2018, 2020, twice in 2022, and Senate staff in February 2023. The Rotary Club of Woodside/Portola Valley joined us as an Additional Trip Sponsor for three Leadership Learning Missions to Jerusalem and the West Bank and two Rotary clubs became Grantmaking Organizations for the Senate staff travel for our Leadership Learning Mission 5.0 trip.

Educational Activities

Rebuilding Alliance regularly holds Contact Congress Zoom briefings, in-person briefings, and webinars that bring human rights experts, villagers, and youth to brief Senate and House staff. Constituents are invited to join each Zoom briefing and to request the intervention of their House or Senate member to assure safety and human rights for all. Our staff regularly participate as guest speakers in forums and conferences and publish project reports on the web, social media, and via email to our mailing list. Each week, Rotary Clubs invite a guest speaker to educate and address the needs of their communities, locally or internationally.

Purpose and Details

Provide a brief description of the trip.

The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights and how U.S. policy and aid can support those aspirations, especially exploring how to assure the safety of children and families. The trip will achieve these goals through meetings with community leaders, human rights experts, U.S. embassy officials, and decision makers. Prioritizing safety, travelers will visit sites and cities of cultural, social, historical, and political significance to better understand this region of the world, and consider the implications of American policies in the region.

Explain how the purpose of the trip relates to your organization's mission.

Rebuilding Alliance is dedicated to advancing equal rights for the Palestinian people through education, advocacy, and support that assures Palestinian families the right to a home, schooling, economic security, safety, and a promising future. The mission of Rotary is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through their fellowship of business, professional, and community leaders. This trip relates to both missions by advancing the Senate staffs' understanding of this region and sharing tangible ways to build peace while encouraging those who are working for the safety of children and families, equal rights, fairness, justice, and peace.

Dear Senate Ethics Committee,
Rebuilding Alliance invited the following staff to all Senate offices: Chief of Staff, Legislative Director, Press Secretary, District Director, Foreign Policy Issues, in addition to all staff for the Senate Foreign Relations Committee, and the subcommittee of the Senate Appropriations Committee, Subcommittee on State, Foreign Operations, and Related Programs, a total of 571 email invitations. We invited them in this way because each of their official duties do indeed require insight and understanding regarding this region. This is the same list that Rebuilding Alliance has been inviting to meet with Israeli and Palestinian experts on Zoom briefings with constituents. New staff who work on these issues with constituents are encouraged to attend as well. We do such Zoom briefings once or twice every month -- and these are not lobbying calls because this is never about legislation.

Senate Staff Leadership Learning Mission 7.0 to Jerusalem and the West Bank
February 9-19, 2024

A constituent accompanied trip
with financial sponsorship by Rebuilding Alliance, an American 501(c)3 organization
and may include grant funding provided by the Rotary Club of Woodside / Portola Valley Foundation
and other Rotary Club Foundations

MISSION GOALS: The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights and how U.S. policy and aid can support those aspirations, especially exploring how to assure the safety of children and families. Prioritizing safety, travelers will visit sites and cities of cultural, social, historical, and political significance to better understand this region of the world, and consider the implications of American policies in the region.

RELEVANCE TO OFFICIAL DUTIES: While always prioritizing safety, the Leadership Learning Mission will offer senior Senate staff the opportunity to further their understanding of this region of the world and to learn the implications of American policies in the region, to better support constituents.

This fact-finding trip will:

- Provide participants with an understanding of the history of Jerusalem, the West Bank, and Gaza;
- Develop their understanding of the challenges faced by all in this time of crisis through meetings with community leaders, human rights experts, U.S. embassy officials, and decision makers participants;
- Consider the implications and impact of Israeli control of building and planning rights in East Jerusalem and the West Bank and explore successful ways to prevent the demolition of, and help in the sustainable development of Palestinian homes, schools, water systems, and communities, especially in at-risk neighborhoods;
- Visit Palestinians and Israelis who are providing emergency response and who work for peace and justice to understand the challenges they are facing now, learn about their efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts, and how this makes a difference; and
- Show how U.S. aid and intervention benefits the health and safety of children and families in Gaza, the West Bank, and Israel.

LOCATION: The purpose of travel to Jerusalem and the West Bank is to give senior Senate staff the opportunity to see the evolving facts on the ground, attend on-site meetings, and where possible, to hear from Palestinians and Israelis working together to keep neighborhoods standing and safeguard human rights.

Of Note: Holy Land Trust is the tour operator selected by Rebuilding Alliance to implement this fact-finding mission. Elias D'eis and Itamar Shappira will be Tour Guides.

Meeting with UNRWA will describe the scope and scale of UN Relief and Works Agency for Palestinian Refugee (UNRWA)'s food, education, housing, medical care, and emergency response in the West Bank, Jordan, Lebanon, Syria, Israel, and Gaza. Now in Gaza, UNRWA schools are filled with over a million displaced Palestinians who have no homes to return to. Senate staff will learn about the history of Palestinian refugees and the U.N. There will be time for questions and answers. **Why:** Palestinian refugees in the West Bank number close to 1 million and in Gaza they are 80% of the total population of close to 2.2 million. UNRWA's services provide an essential lifeline. Understanding the situation that Palestinian refugees face is crucial for Senate staffers because of the sheer numbers of refugees, the depth of displacement in Gaza, and also the crisis in the West Bank. The future of Palestinian refugees was to be decided in the final status negotiations of a peace agreement. This visit is critical for understanding how U.S. aid to UNRWA has been used to provide services for Palestinian refugees and the consequences of pausing or canceling aid. **Presenter:** Kate O'Rourke, Deputy Director UNRWA Operations (Programs) West Bank **Location:** Aida Refugee Camp, Bethlehem **Assurance:** The entirety of allotted time will be covering officially-connected activity.

This visit includes a walk along the separation wall and an introduction to the geo-politics of the Bethlehem area. Why: The separation wall has been called a security measure by some and a land grab by others. It has long been controversial due to its route- which cuts deep into Palestinian territory and separates Palestinian communities. **Why:** One of the missions of this trip is to discuss barriers to peace and the separation wall has long been considered by the Palestinians to be

	an Israeli attempt to create more facts on the ground, and to include as much Palestinian land on the Israeli side as possible. **Presenter:** Said Zarzar, HLT Tour Guide **Location:** Bethlehem **Assurance:** The entirety of allotted time will be covering officially-connected activity

PCFF is a joint Israeli-Palestinian organization of over 600 families, all of whom have lost an immediate family member to the ongoing conflict. Moreover, the PCFF has concluded that the process of reconciliation between nations is a prerequisite to achieving a sustainable peace. The organization thus utilizes all resources available in education, public meetings and the media, to spread these ideas. **Why:** Rami's thirteen-year-old daughter, Smadar, was the victim of suicide bombers; a decade later, Bassam's ten-year-old daughter, Abir, was killed by a soldier's rubber bullet. Together they use their grief to press for understanding and peace. Their story has been chronicled in Apeirogon: A Novel by Colum McCann. Especially in this time of loss and war, meeting with leaders in the Israeli and Palestinian Communities who are working towards just and peaceful solutions, building bridges and crossing cultural and societal boundaries, is especially important and is a key part of this Leadership Learning Mission. Rebuilding Alliance is working to bring Bassam Aramin and Rami Elhanan to the U.S. in the Fall of 2024 so that their story can reach policy-makers in Congress. **Presenters:** Rami Elhanan and Bassam Aramin **Where:** Holy Land Trust Office, Bethlehem **Assurance:** The entirety of allotted time will be covering officially-connected activity.

	area the day before. This hilltop looks out over the wall, surrounding settlements, and what little is left of Palestinian land outside Bethlehem. **Why:** This overview is important for understanding the geo-political situation that is faced by the Bethlehem area, and understanding the impact of the Separation Wall and the settlements on this area, including being cut off from its historical ties to the city of Jerusalem. **Presenter:** Itamar Shapira, LLM tour leader **Location:** Outside Jerusalem, West Bank **Assurance:** The entirety of allotted time will cover officially-connected activity.

Speaker will use maps of the Old City and Jerusalem area to explain historical and geopolitical reality and changes in the city. **Why:** This presentation is relevant to the mission of the trip and the Congressional Staff's official duties because it is providing the Staff with the base of information that they will need and draw upon throughout the remainder of the trip. **Presenter:** Itamar Shapira, LLM tour leader **Location:** Jerusalem's Haas Promenade, Daniel Yanofsky Street, Jerusalem, Israel **Assurance:** The entirety of allotted time will be covering officially-connected activity.

Any discussion of that history must include the historical sites in the Old City of Jerusalem. **Tour Guide:** Itamar Shapira, LLM tour guide **Location:** Old City of Jerusalem **Assurance:** The entirety of allotted time will be covering officially-connected activity.

Their strategic focus areas include: social and economic rights, civil and political rights, Arab society, the Occupied Palestinian Territories, and migrants, refugees and statusless peoples. **Why:** This briefing will focus on an analysis of the challenges facing Israel post Oct. 7th and the implications of the political shift to a far right majority in the Knesset. The far right is pushing for significant changes to the judicial and legal systems in Israel. Implications for both Israeli and Palestinian Society to be discussed. **Presenter:** Shira Livne, ACRI Unit Director, Human Rights in the Occupied Territories **Location:** Meeting Room at the St. George Cathedral Guesthouse, Jerusalem **Assurance:** The entirety of allotted time will be covering officially-connected activity.
14:15 - 16:15 Teleconference call with Rebuilding Alliances NGO partners in Gaza	**What:** Rebuilding Alliance has worked with NGOs' in Gaza since 2003, many of which are affiliated with the UN Relief and Works Agency for Palestinian Refugees and Palestinian Non-Governmental Organizations. Rebuilding Alliance is currently working with the World Food Program to serve 32,000 daily hot meals in Gaza. This

	meeting will provide congressional staff the opportunity to speak directly with the Non-Governmental Org program managers who live in Gaza to hear about the challenges they are facing and what they see as possibilities for their future **Why:** These meetings will focus on how peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of basic human rights. Given that prior to Oct 7th the World Bank was reporting that the Gaza economy was close to collapse, we want our delegates to hear directly from NGOs in Gaza and the UN to learn what they are seeing around them and to explore tangible actions that can be taken to ameliorate famine, malnutrition, and disease. **Presenters:** Rebuilding Alliance's long-term Palestinian NGO partners. Palestinian homes and buildings are being taken over by Israeli settlers in Hebron and the major business district of Shuhada Street is closed. The delegation will visit Tomb of the Patriarchs and the Ibrahimi Mosque, the site of the 1994 massacre which led to the partitioning of both the building and the city itself. **Why:** A major objective is to provide the Senate Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include discussion of the historical sites and current conditions in Hebron, as well as the unique history of settlements in the city. **Presenter:** Tariq Tamimi, Hebron Chamber of Commerce, Itamar Shappira, and an HLT guide who was himself a child survivor of the 1994 massacre **Location:** Hebron **Assurance:** The entirety of allotted time will be covering officially-connected activity.
11:45-12:30 Transit by minibus to village of Susiya	Via minibus
12:30-13:15 Lunch in Susiya	
13:15-14:00 Overview of the history of the Palestinian village of Susiya, meeting local leaders	**What:** In 2013, the Sub-Committee for Planning and Licensing of the Civil Administration's Supreme Planning Council rejected the village's proposed master plan stating that the "women and children would be better off living somewhere else." In 2015, Israel's High Court decided that the Palestinian Village of Susiya can be demolished before its case is even heard, and the case is still pending. We'll hear their story and learn of their aspirations to see the recognition of their master plan and live and build their future on their land without fear of demolition or settler violence.

	Why: A key goal of this LLM is to consider the implications and impact of Israeli control of building and planning rights in Jerusalem and the West Bank and explore ways to prevent the demolition of Palestinian homes, schools, barns, and neighborhoods. **Presenters:** Nasser Nawaja, spokesperson of the Susiya Village Council and B'Tselem Regional Staff, Fatma Nawaja - head of Susiya Rural Women's Association and Social Worker with Rebuilding Alliance **Location:** Rural Women's Center, Susiya **Assurance:** The entirety of allotted time will be covering officially-connected activity.
14:00-14:30: Meet Nidal Younis, Masafer Yatta Village Council Head	**What:** Masafer Yatta region is currently designated as Firing Zone 918. Despite having inhabited the area for generations, 12 villages are facing eviction and demolition in this area. These actions are widely perceived as a preliminary to Israeli seizure of the land. A pivotal court case holds their fate in the balance. **Why:** A core goal of the trip is to consider the implications and impact of Israeli control of building and planning rights in the West Bank and explore successful ways to prevent the demolition of Palestinian homes, schools, water systems, and neighborhoods. **Presenter:** Nidal Younis, Head of Masafer Yatta Villages Council **Location:** Susiya **Assurance:** The entirety of allotted time will be covering officially-connected activity.
14:30-17:15: Transit to the Masafer Yatta village of Khallet al Dabeh, tour, and visiting the village school, then transit to Umm Al Kheir	**What:** The bumpy drive into the hills of the Masafer Yatta area will provide a sense of the cost to these communities when Israel's Military Firing Zone 918 was designated over their villages and land. The Khallet al Dabeh Elementary School is under demolition order but has remained standing through the intervention of members of Congress. The delegation then travels to the Palestinian Bedouin village of Umm Al Kheir, immediately adjacent to the Israeli settlement of Carmel. **Why:** This is relevant to the mission of the trip and the staff's official duties because it shows the challenges of settler incursions into village lands, the impact of a military firing zone on populated areas, discriminatory planning regimens, and the prospect of the forcible transfer of the civilian population of Masafer Yatta under a May 2022 ruling by the High Court in a case that drew on for 23 years.

	Presenter: Nidal Younis: Head of the Masafer Villages Council; Eid Suleiman, artist, activist, and staff to Rebuilding Alliance, a resident of Umm Al Kheir who presented to Congress in 2017 and 2018 **Location:** Masafer Yatta: Khallet Al Dabeh, Umm Al Kheir **Assurance:** The entirety of allotted time will be covering officially-connected activity.

02/15/24 Thursday: Military Court Watch, Juvenile Court, Ofer Prison, Tel Aviv: Israeli Lawyer, COGAT or Commanding Officer of the West Bank, Israeli NGOs	
07:00-07:30 Breakfast	
07:30-09:00 Presentation by Military Court Watch at St. George Cathedral Guesthouse	**What:** Military Court Watch will introduce their work to the delegation, and prepare them with context and background information to their visit to the Juvenile Court at Ofer Prison. **Why:** Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice. **Presenters:** Gerard Horton and Salwa Duiabis, Military Court Watch **Location:** Meeting room in the St. George Cathedral Guesthouse, Jerusalem **Assurance:** The entirety of allotted time will be covering officially-connected activity.
09:00-09:45 Transportation by bus to Ofer Military Prison	Via minibus

09:45-11:45 Observation of court proceedings	**What:** Observation of court proceedings for cases of Palestinian child prisoners. Military Court Watch (MCW)'s work is guided by the basic principle that children detained by the Israeli military authorities are entitled to all the rights and protections guaranteed under international law. Further, and in accordance with the principle that no State is permitted to discriminate between those over whom it exercises penal jurisdiction, there is no legal justification for treating Palestinian and Israeli children differently under Israel's military and civilian legal systems. In accordance with these principles, MCW advocates, and where appropriate, litigates, to ensure that all children that come in contact with the military legal system are treated fairly and in accordance with the law. **Why:** Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Senate staff to observe this separate, unequal form of juvenile justice. **Tour Guides:** Gerard Horton, Salwa Duabis both of Military Court Watch **Location:** Ofer Military Court, just outside the Palestinian town of Beitunia **Assurance:** The entirety of allotted time will be covering officially-connected activity.

COGAT implements the government's civilian policy within the West Bank and Gaza Strip, in coordination and cooperation with officials from defense and government offices in various fields. The Israeli Army's Central Command is tasked with implementing Israeli military law in the West Bank. **Why:** One of the Mission Goals is to explore how to assure safety, aid, and assistance for Palestinian children and families and also for Israeli children and families too. Requests for intervention by Senate offices on behalf of constituents are decided by these offices and what they do directly impacts the health and well being of families in both places. **Presenter:** Requesting a meeting with Major General Ghasan Alyan Head of COGAT or with Maj. 	for how to continue to support Palestinian civil society will be discussed. Speakers will present an overview of history, policies, and what has led to the current crisis. **Why:** This is relevant to the mission of the trip and the Senate staff's official duties because one of the goals of our trip is to meet groups working towards peace. 08:00-08:30 Transit to Al Walajeh	Via minibus
08:30-9:00 Tour of Al Walajeh Village with the village's lawyer	**What**: The Palestinian village of Al-Walajeh is located in Areas B, and C of the West Bank in the Bethlehem Governorate, near Jerusalem. The village's entire area, 18 km^2, is beyond the Green Line, but one third of its land on the northern side was annexed to Israel along with the rest of East Jerusalem and included in Jerusalem's municipal boundaries. As opposed to the rest of the Palestinian neighborhoods and villages that were annexed, Israel did not recognize the residents of Walajeh -- not even those who lived in the annexed part -- as residents of Jerusalem, and therefore almost all of the 2,500 residents of the village carry the orange identity cards of West Bank residents. The village also is an example of the impact of vast settlement blocs on Palestinian villages in the area. Because the village is located between Jerusalem and the Gush Etzion Settlement block, large swaths of the village are facing demolition orders. During our visit, we were introduced to a single mother whose home was demolished just a few days earlier. **Why**: This presentation is relevant to the mission of the trip and the Congressional staff's official duties because it addresses many of the issues that are seen to impact peace in the region: Jerusalem and settlement takeover of Palestinian village lands, home demolitions, and discriminatory planning policies. This visit will give staff insight into the challenges faced by Palestinian communities on multiple fronts and explain why Senate intervention is needed to keep their town standing. **Location**: Al-Walajeh Village **Presenter:** Ibrahim Al-Araj (attorney for the village). **Assurance**: The entirety of allotted time will be covering officially-connected activity.
9:00-10:00 Meeting with the Abu Khayra Family, Al Walajeh	**What**: Entire neighborhoods of the village of Al Walajeh received demolition orders from the Government of Israel. The Abu Khyara family's home was demolished several years ago. Our partner in the planning of this delegation, the Holy Land Trust, funded and assisted in the rebuilding of the family's home. **Why**: One of the goals of this delegation is to discuss ways to stop demolitions and assure the future of this village. The village and the human rights groups that are rebuilding homes are working towards this goal.

	Location: Al-Walajeh Village **Presenter**: The Abu Khayra family **Assurance**: The entirety of allotted time will be covering officially-connected activities.
10:00-10:45 Transportation by bus to the U.S. Embassy in Jerusalem	Via minibus
10:45-11:15 Clear Security check at the U.S. Embassy, Jerusalem	**Location:** U.S. Embassy, Jerusalem Assurance: The entirety of allotted time will be covering officially-connected activity
11:15-12:45: Meeting at the U.S. Embassy	**What:** Meeting with the Deputy Political Chief from the Office of Palestinian Affairs and the Chief of Staff and Senior Staff to the Office of United States Security Coordinator (USSC). This meeting will include a discussion about the State Department's role in Jerusalem, the West Bank, and Gaza. Congressional staff and guests will have the opportunity to ask questions about the "on the ground" operating environment and the role of the USSC. **Why:** This 'off the record' discussion is relevant to the Senate staff's official duties because the U.S. Embassy will present the official U.S. policy on the many topics of special interest to the delegation including discussions we held earlier in the week: East Jerusalem and Palestinian Area C planning issues, human rights, child detentions, Gaza aid, Israel and Palestinian safety and security, settler violence, and hope for peace agreements. **Presenter:** OPA Chief Political Officer; Col. Stephen Gabavics, USSC **Location:** U.S. Embassy annex, Jerusalem, 18 Agron Road **Assurance:** The entirety of allotted time will be covering officially-connected activity.
12:45-1:45 Light lunch, walking distance	Walking
13:45-14:30 Minibus to Kfar Adumim	Via minibus
14:30-15:40 Discussion with settler residents at their home in Kfar Adumim	**What:** Meeting with local leaders from the settlement nearby to Khan Al Ahmar, Kfar Adumim **Why:** One of the trip objectives is to visit Palestinians and Israelis who work for peace and justice to understand the challenges they are facing, learn about their efforts to address those challenges. Contrary to the overriding narrative, there are some Israelis living in Israeli settlements

	who are working to help ensure that their Palestinian neighbors are able to stay on their land. Khan Al Ahmar, long a community facing court cases and forced displacement, is one such community. Some of the Israelis in Kfar Adumim speak out to keep Khan Al Ahmar standing. **Presenters:** Ze'ev Elitzur, Eitan Lehman **Location:** One of the speaker's homes, Kfar Adumim **Assurance:** The entirety of allotted time will be covering officially-connected activity
15:40-16:30 Transit to Al Khan al Ahmar	Via minibus
14:30-16:00 Meeting with Eid Abu Khamis, spokesperson for Khan Al Ahmar	**What:** Al Khan Al Ahmar, a Bedouin community standing between Jerusalem and the E1 corridor/Maale Adumim settlement bloc, has long been threatened with forced displacement. This village, which predates the settlements around it, is one of the last Palestinian villages standing in the way of connecting the massive Maale Adumim settlement bloc to Jerusalem. Our meetings are with local leaders and residents to discuss the history of the area, the current legal standing of the court case filed against the Khan al Ahmar community pressing for its relocation, the recurring attacks by some of the settlers, and the efforts by some Kfar Adumim settlers to keep them safe. **Why:** E1 refers to the area between Jerusalem and the Maale Adumim- a massive bloc of settlements outside Jerusalem and in the West Bank. According to Amnesty International, *"The E1 area currently provides a vital passage between the northern and southern West Bank. Should Israeli construction take place on this land, a continuous Israeli settler presence will be established from occupied East Jerusalem to the Jordan Valley, effectively cutting the West Bank in half and severing East Jerusalem from the remainder of the occupied West Bank."* The small Bedouin community of Khan Al Ahmar has been at the center of court cases in Israel for years, with the State wanting the community evacuated, and moved elsewhere. They say it is for the community's own good, but the skeptics say it is to remove the final barrier to making Maale Adumim part of the Greater Jerusalem area and Israel proper. Khan al Ahmar has received international support from Europe and the U.S., which have helped keep it standing for now. **Presenter:** Eid Abu Khamees **Location:** Khan Al Ahmar

09:15-10:45 Meeting with Dr. Hanan Ashrawi at MIFTAH, the Palestinian Initiative for the Promotion of Global Dialogue and Democracy Alternate: Meeting with Right to Enter Group	**What:** Established in 1998, MIFTAH's mission is to "promote the principles of democracy and good governance within various components of Palestinian society." A former professor of English literature, Dr. Hanan Ashrawi, the founder of MIFTAH, is a distinguished Palestinian leader who served as the official spokesperson of the Palestinian delegation to the Middle East peace process in the Madrid Conference. She went on to serve as the Minister of Higher Education and Research before being elected as a member of the Executive Committee of the PLO in 2009, and 2018 before her resignation in 2020. **Why:** This meeting will provide travelers the opportunity to further their understanding of this region of the world from a Palestinian perspective and to better understand the implications of American policies. **Presenters:** Dr. Hanan Ashrawi, founder and Board Chair, Miftah. Awarded Rebuilding Alliance's Parrhesia Award in 2021 **Location:** Ramallah, West Bank **Assurance:** The entirety of allotted time will be covering officially-connected activity.

	Alternate: **What:** Until August 2023, the Government of Israel unilaterally denied entry or return to the West Bank and Gaza via the international Israeli borders at Ben Gurion Airport, Allenby Bridge, Sheikh Hussein Bridge, and Eilat. Most of those affected are Palestinian natives, spouses, children, parents and other close relatives of Palestinian ID holders. The policy affected entire families or individual members of families, like the father or the mother of minor children. As a result, families were torn apart, jobs or businesses lost and personal property became inaccessible. The practice applies to people with and without Palestinian or Arab origins, and to those with and without local family relations. In addition to families, affected groups include professionals, teachers, and academics who are in the oPt for teaching, research, the arts, business, visiting or volunteering their services. Most of these individuals have never overstayed their visitor's visas or breached any visiting regulations. Did that policy change for the better? Did it change again after Oct. 7th? **The Right to Enter** Campaign emerged in response to an escalation of entry denials and restrictions in 2006. RTE has concentrated its efforts on monitoring developments on the issues of 40,000 families (over half are American) affected by the current Israeli policy that denies entry to foreign passport holders to the occupied Palestinian territory (oPt) and advocating on their behalf. **Why:** Rebuilding Alliance aims to explore how peace can be achieved through equal treatment of Palestinians and Israelis. These discriminatory laws and policies targeting foreigners, including Americans should be of major concern to Congress. Now that the Government of Israel is participating in the US Visa Waiver program, discriminatory policy is inconsistent with the terms and conditions of such a program. **Speakers:** TBD **Location:** Darna Restaurant, Ramallah **Assurance:** The entirety of allotted time will be covering officially-connected activity.
10:45-12:45 Transit to Al Aqaba Village	**What:** Introducing the northern Jordan Valley area **Why:** The Jordan Valley is an area of strategic interest for the current Israeli Government, and settlements are weaved throughout. Members

	of the current Israeli Government have proposed annexing the Jordan Valley in order to create a security buffer for Israel. Annexation of the West Bank or of particular areas of the West Bank by the Israeli Government is something that is of extreme concern for the United States. Annexation would almost certainly negate a two state solution. A two state solution is still the official platform of the United States, and learning about the issue of annexation in this area should be of particular relevance to Senate Staff's official duties. **Tour Guide:** Itamar Shapirra, LLM tour guide **Location:** Ramallah-Al Aqaba **Assurance:** The entirety of allotted time will be covering officially-connected activity.
12:45-13:45 Lunch at the Rural Women's Association, Al Aqaba	
13:45-15:15 Al Aqaba Village Tour	**What:** Al Aqaba Village is located in the West Bank's Area C inside Firing Zone 900. The Israeli Army stopped 30 years of live-firing training in the village in 2002 when the High Court arranged for their agreement to remove the Army training camp from the Village. Despite the deaths and injuries caused by live-fire training, the village always maintained a deep commitment to peace, inspired by their late Mayor. In 2008, the Israeli High Court decided that *'for the time-being the center of the village will remain standing.'* As a result this became the first Palestinian Village in Area C to issue its own building permits — and for 12 years, no demolition orders were issued against the new homes. That changed in January, 2022 when a new High Court decision placed the whole village at risk of demolition and especially the homes under construction. The walking tour of Al Aqaba will visit the community park, goat cheese factory, and the homes that had just recently, this week, been issued demolition orders, as well as the home that was demolished in January. Rebuilding Alliance helped the village build their kindergarten and has worked with their housing cooperative to pioneer a successful home construction revolving loan program. **Why:** This tour is relevant to the Senate staff's official duties because (1) it is important to see what a Palestinian village looks like when the village is allowed to thrive, (2) seeing this will allow Senate staff to consider how U.S. policy and aid can support the aspirations of Palestinian village who seek to stay on their land by preventing the demolition of Palestinian homes, schools, and neighborhoods, (3) the village needs Congressional intervention to encourage the

	Commanding Officer of the West Bank to visit as required by the High Court, to respond to the village's request to move the Firing Zone outside the boundaries of the village and to approve the village's Master Plan. **Tour Guide:** Khaled Sawafta (Head of Village Council), Rawheye Alsbaih (Chair of the Rural Women's Association), Hisham Sbaih (Chair of the Al Aqaba Cooperative Assembly for Housing the Displaced & Head of Agricultural Association) Eng. Roba Daragmeh, Rebuilding Alliance **Location:** Al Aqaba Village **Assurance:** The entirety of allotted time will be covering officially-connected activity.
15:15-17:00 Transit to Nazareth	
17:00-19:30 Farewell Dinner with Rotary Club of Nazareth	**What:** A closing dinner that allows our delegation to bring forward their observations and questions. The Governor of the Rotary Clubs of Israel for the year 2023-2024, Mr. Bashir Naseer, is from the Rotary Club of Nazareth. His Rotary Club was instrumental in pressing Rotary International to recharter the Rotary Clubs in the West Bank. The club members will be in attendance and they invited two guest speakers to join them: the District Governor of Rotary's Inner Wheel association, and a human rights advocate and winner of the Israel Prize. **Why:** Throughout this trip, we have seen the impact of divided populations — this is an important moment to learn about how people can and do work together. This visit and tour is relevant to the Senate staff's official duties because a key goal is to visit Palestinians and Israelis who work for peace and justice to understand the challenges they are facing, learn about their efforts including joint efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts, and how this makes a difference. We will also get a unique perspective from Israelis of Palestinian descent, in Israel's largest Palestinian/Arab city. **Speaker:** Bashir Naseer, 2023/24 District Governor of the Rotary Clubs of Israel; Nader Elias, Past President of the Nazareth Rotary Club **Location:** Blend Restaurant, near the Old City, Nazareth **Assurance:** The entirety of allotted time will be covering officially-connected activity.
