Note: Material changes to a trip that occur after the Committee has issued an approval letter may invalidate the Committee's approval. Please contact the Committee with any questions regarding changes to an approved trip.

Were there any changes to the pre-approved travel expenses? (Transportation, Meals, Lodging, Other)?

● Yes ○ No

Expense Change	Revised Amount	Explanation
Meals	$11.00	Lunch on 4/19/2024 - pizza delivery total cost was less than expected.
Meals	$35.00	Breakfast delivery from Magleby's Fresh on 4/20/2024. In order to keep our schedule, we had decided to leave one hour earlier than was on the initial itinerary, and needed breakfast to be delivered earlier than our 7am departure. The bakery we had planned to go to did not open earlier than 8am, so we had to schedule breakfast catering for the morning. Only three caterers were available for early morning delivery, which required a minimum food and beverage order, flat delivery fee of $75, taxes and tipping for catering staff, which increased the cost.
Meals	$31.00	Lunch at Maddox Ranch House on 4/20/2024. Total included a large group service fee plus tipping, which exceeded our expected costs.
Meals	$16.00	Breakfast delivery from Einstein Bros Bagels on 4/21/2024. In order to keep our schedule, we had left earlier than was on the itinerary, and the cafe/bakery we had planned to go to did not open at that time. So we had decided to order breakfast delivery that could be taken to-go for consumption in the van. The total cost included a delivery fee, taxes, and tipping for catering and delivery staff.
Meals	$38.00	Lunch delivery from Red Iguana on 4/21/2024. Includes delivery and service fee plus tipping for catering staff. We needed to get catering delivered to our hotel since we could not find a restaurant closer to the hotel to host a bigger group on Sundays (most restaurants are closed on Sundays for church activities or did not take reservations for 10 or more people). Red Iguana was highly recommended by locals and available to cater, however they required a minimum food order for 10 people not including beverages. Lunch was also shared with hotel staff as a show of gratitude on our last day.

Were there any changes to the pre-approved itinerary?

● Yes ○ No

Explanation: Saturday, April 20, 2024: Breakfast delivered by Magleby's Fresh at 6:30am. Departure from hotel was at 7am. Sunday, April 21, 2024: Breakfast delivery from Einstein Bros Bagels at 7am. 8am-8:30am - Quick Visit to Tabernacle Choir Performance Description: The Tabernacle Choir is a cornerstone of the US choral tradition and an important cultural site of the LDS Church which aims to inspire people through music. Watching the choir live gives witness to a heritage that is ingrained in Utahn values and shows how this community safeguards cultural memory and identity. Sunday, April 21, 2024: 12pm-2pm - Visit to Kennecott's Bingham Canyon Mine Description: Wayne Bradshaw will lead a tour of the Kennecott Mine and give a presentation about the importance of Utah's mining history and the diverse immigrant communities it has brought to the state over the years - forging diversity in a place that may otherwise be assumed homogeneous. History of Congressional Travel

Care Lab has not previously sponsored any congressional travel. However, Care Lab was a domestic spinoff from Center of the Democracy of the Americas, which was founded by our executive director who had led trips for congressional staff, celebrities, and other community leaders to Cuba, Venezuela, and other Latin American countries.

Educational Activities

We offer a program called "Three Dinners," a master class on science-based tools for resilience in leadership. It is a unique professional development opportunity for Senate Chiefs of Staff to engage with tools of self-care, stress management, and bridging. In our program, they are able to form or strengthen relationships with counterparts, gain insights from experts on conflict management and engagement with "the other," and learn to apply effective skills they can use at the individual, office, Hill, and State levels. It is held over a series of three evenings in which each evening features a speaker who examines the psychology behind conflict management, bridging, and stress. At each session, a practical tool is offered and practiced. After chiefs go through our program, they are then graduated to our "201" programming where they deepen these skills and continue building the muscles of care, leadership, active listening, and de-escalation.

Purpose and Details

Provide a brief description of the trip.

This off-the-record trip, which is modeled on our previous international delegations, is an experiment in relationship-building and the practice of CARE LAB skills for self-care, bridging, and active listening. Over three days and two nights, we will be going to Utah with a bipartisan group of Senate Chiefs of Staffwho have "graduated" from our Three Dinners professional development series and are ready to test their skills to connect with Utahn communities. We'll engage with Utahns of all stripes while visiting their communities, homes, farms, and natural sites and meeting with local leaders.

Explain how the purpose of the trip relates to your organization's mission.

Care Lab's mission is to bring people and ideas together, across divides, to create a care-centered world. In pursuit of this mission, we work to reduce polarization and fragmentation. In Utah, conversations around values have become heated as they are facing one of the most rapid rates of growth occurring anywhere in the United States. This degree of change can create fear and cause deep fragmentation in any society. In response to this atmosphere, Utahn leaders are showing that there is a different way to take on these challenges, and a better way to disagree about how to solve them – together. The delegation will spend three days in intimate conversation and proximity with a cross-section of Utahn business leaders, community and religious leaders, ranchers, miners, law enforcement officials, students, immigrants, and others, to learn, to connect, and ideally, to build trust across lines of difference and between D.C. and Utahns.

Itinerary

The itinerary is below.

Transportation (Per Member/Officer/Employee: $1,535.38 | Accompanying Family Member: $0.00)

Transportation Type	Class	Amount
Airfare	Coach	$1,281.20

Note
Economy class flights from DCA to SLC on April 18, then return on April 21 from SLC to IAD.

Ground Transportation	N/A	$254.18

Note
Care Lab is renting a 17 passenger sprinter van with a driver to drive us to and from our various locations in Salt Lake City, Utah. The van will provide airport pickup on April 18, ground transportation to our community visits on April 19, 20, and 21.

Lodging (Per Member/Officer/Employee: $417.00)

Check-In	Check-Out	Facility	City	State	Country	Nights	Cost/Night	Cost Exceed Per Diem
04/18/2024	04/21/2024	Alta Club Hotel	Salt Lake City	Utah	United States	3	$139.00	Yes

Cost Exceeds Per Diem Reason
Our trip was originally planned for February 29-March 3, but got postponed to April 18-21. Our reservation was carried over.

Meals (Per Member/Officer/Employee: $225.00)

Date	Breakfast	Lunch	Dinner	Incidentals	Total	City	State	Country	Cost Exceeds Per Diem
04/18/2024	$0.00	$0.00	$0.00	$14.00	**$14.00**	Salt Lake City	Utah	United States	No
04/19/2024	$14.00	$20.00	$29.00	$0.00	**$63.00**	Salt Lake City	Utah	United States	Yes

Cost Exceeds Per Diem Reason
Lunch is above the per diem rate for government travel because it will be a catered lunch to a high school that will take into account delivery, service, and set up fees. Dinner will be a home cooked meal, but with groceries and other ingredients delivered to the host's home, which will also take into account delivery and service fees. Care Lab is covering the cost of the meal, including all ingredients and groceries and utensils, which the dinner host will use to prepare the dinner.

04/20/2024	$14.00	$25.00	$75.00	$0.00	**$114.00**	Salt Lake City	Utah	United States	Yes

Cost Exceeds Per Diem Reason
Lunch may exceed the federal per diem rate because it's at a restaurant that is considered a unique cultural site and it's menu items range between $20-$30. It's also one of the few restaurants that is available in Cache County that would take a bigger group reservation in advance. Dinner will exceed the per diem rate because the restaurant charges a minimum food and beverage cost in addition to the rental of the venue space and service fee.

04/21/2024	$14.00	$20.00	$0.00	$0.00	**$34.00**	Salt Lake City	Utah	United States	No
