United States Senate

SELECT COMMITTEE ON ETHICS

December 1, 2023

Molly Carpenter
Office of Senator Mike Crapo
United States Senate
Washington, DC 20510

Dear Ms. Carpenter:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to the 28th annual Conference of the Parties in Dubai, United Arab Emirates on December 6–11, 2023, sponsored by the Conservative Climate Foundation (CCF). Provided that you adhere to the guidance set forth below, it appears that it is permissible for you to accept necessary expenses from CCF in connection with this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.[1] You are employed as a Legislative Director in the Office of Senator Mike Crapo. CCF invited you to travel to the 28th annual Conference of the Parties in Dubai, United Arab Emirates on December 6–11, 2023. CCF certified to the Committee that it will pay the necessary expenses[2] related to the travel and that it is neither a lobbyist, lobbying firm, agent of a foreign principal, or otherwise acting as a representative or agent of a foreign government. CCF has certified that it does not retain or employ a registered lobbyist or agent of a foreign principal and that no registered lobbyist or agent of a foreign principal will accompany you at any point throughout your trip.[3]

Discussion

Privately-sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's

[2] The term "necessary expenses" has a specific definition. *See Select Committee on Ethics' Regulations and Guidelines for Privately-Sponsored Travel – Glossary of Terms* at 8.

official Senate duties. Incorporating reforms from the Honest Leadership and Open Government Act of 2007 (HLOGA), Pub. L. 110–81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately-sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately-Sponsored Travel and Glossary of Terms* (collectively, *Travel Regulations*). The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Entities that do not retain or employ a lobbyist or foreign agent and all non-profit organizations designated as tax-exempt organizations under § 501(c)(3) of the Internal Revenue Code of 1986, regardless of whether they retain or employ a lobbyist or foreign agent, may sponsor foreign trips for up to seven days. The seven-day limitation means seven 24-hour periods, calculated from the time of arrival in the trip location to the time of departure from the trip location. For such trips, neither lobbyists nor foreign agents may accompany a Senate invitee at any point throughout the trip, other than in a *de minimis* way.[4] This means that neither lobbyists nor foreign agents may accompany Senate invitees at any point to and from the event, at the event itself, or at the location being visited.[5]

The Committee has determined that § 501(c)(3) non-profit organizations that are classified as private foundations, as opposed to public charities, may not pay for transportation from the United States to a foreign country.[6] However, CCF represented to the Committee that it is a § 501(c)(3) public charity, as opposed to a private foundation, pursuant to the Internal Revenue Code.[7]

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form*, and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately-Sponsored Travel**.

---

[4] The term "*de minimis*" has a specific definition. *See Select Committee on Ethics' Regulations and Guidelines for Privately-Sponsored Travel – Glossary of Terms* at 3.

[5] *See Select Committee on Ethics' Regulations and Guidelines for Privately-Sponsored Travel* at 5; *see also Select Committee on Ethics' Regulations and Guidelines for Privately-Sponsored Travel – Glossary of Terms* at 2-3.

[6] *See* 26 U.S.C. § 4941 et seq. Section 501(c)(3) of the Internal Revenue Code broadly defines non-profit, charitable, tax-exempt organizations. These § 501(c)(3) organizations are then further defined or designated as "public charities" and "private foundations."

[7] 26 U.S.C. § 501(c)(3).

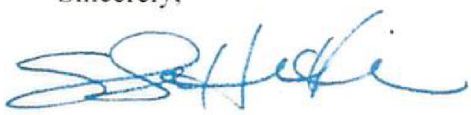

Consistent with these standards and Committee precedent, CCF's factual representations, it appears that it is permissible for you to accept necessary expenses from CCF in connection with this trip, provided that the actual travel and travel-related expenses conform to the information and materials you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

Please be advised that the United States Constitution prohibits the acceptance of any gift, including a meal, from a foreign government without the consent of Congress. In the Foreign Gifts and Decorations Act (FGDA), Congress consented to the acceptance by federal government officials of: (1) gifts of minimal value and (2) travel or the expenses for travel taking place entirely outside the United States, from a foreign government (which includes those acting as a representative or agent of a foreign government).[8] The Senate has defined minimal value as $100 or less. Further, pursuant to FGDA, there are certain reporting and procedural requirements that are imposed upon Members, officers, and employees who accept gifts from a foreign government. Please review the Committee's "Dear Colleague" letter of January 11, 2019, setting forth the items to be included in filing that report.

Finally, Senate Rule 34 requires a reporting individual[9] on his or her Financial Disclosure Report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed $480 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their Financial Disclosure Report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director

[9] A reporting individual is someone whose salary equals or exceeds 120% of the basic rate of pay for GS-15 ($141,022 for CY 2023) or is a political fund designee and is required to file Financial Disclosure Reports.

Conservative Climate
FOUNDATION

October 18, 2023

Ms. Molly Carpenter
Legislative Director
Office of Senator Mike Crapo (ID)
239 Dirksen Senate Office Building
Washington, DC 20510

Dear Ms. Carpenter:

On behalf of the Conservative Climate Foundation (CCF), I am pleased to invite you to join our third annual bicameral Republican Member delegation to COP28 in Dubai, **United Arab Emirates (UAE)**, from **Thursday, December 7 – Monday, December 11, 2023**. These travel dates are designed to accommodate the Senate vote schedule.

The Conservative Climate Foundation, a 501(c)3 non-profit organization, was founded in 2021 to support Republican Members of Congress and their staff to better understand climate and energy issues and conservative solutions to address them. CCF is dedicated to convening Republicans through organizing educational programming, networking opportunities with industry, think tanks, and innovators, as well as international delegations and domestic site visits.

Since ratification by the U.S. Senate in 1992, the United States has formally participated in the United Nations Framework Convention on Climate Change (UNFCCC). Each year the UNFCCC hosts the Conference of the Parties to the Convention (COP) to identify and assess international climate measures. In 2021, CCF brought the first-ever coordinated delegation of four Republican U.S. lawmakers to COP26 in Scotland. Last year, the Foundation brought five Members and congressional staff to COP27 in Egypt.

Please join us this December at COP28 in Dubai, UAE, for programming and media opportunities that will occur parallel to the official UN negotiations. CCF will arrange and pay for all travel, accommodations, and meals related to our trip's agenda, and we will assist in coordinating with the Senate Ethics Committee to facilitate this privately sponsored travel. **The ethics deadline is November 1st, so we request your RSVP as soon as possible to begin paperwork.**

Republican engagement at this international forum allows conservatives to highlight how U.S. energy leadership, innovation, resources, and commonsense policies can lead to lower global emissions, economic and job benefits, and deepened U.S. alliances. It is imperative the international community listen to and engage with conservative U.S. Members of Congress, and CCF is well-positioned to help educate on the importance of innovative, market-oriented solutions.

Please note, spots are limited, so we request your RSVP as soon as possible. We will be sharing additional agenda details in the coming months. If you or your staff would like to discuss this opportunity further, please contact me at Info@RightOnClimate.org.

Sincerely,

Heather Reams
