REQUEST FOR TRIP EXTENSION

Pursuant to the *Regulations and Guidelines for Privately Sponsored Travel* § III.E.3:

When a traveler extends their trip by arriving earlier or staying later than scheduled by the sponsor, this is a trip extension. Prior written Committee approval is required for all trip extensions, regardless of whether the traveler is extending for an official or personal purpose. In the case of a Senate employee, the individual's supervising Senator or officer must also approve the extension.

Under no circumstance may a trip sponsor pay expenses attributable to a trip extension. At a minimum, the Senate traveler is responsible for the cost of any increase in expenses incurred because of a personal extension, and all meal and lodging expenses associated with the extension day(s). For officially-related extensions, consistent with Senate Rule 38, the Senate office must pay all additional expenses.

The Committee will determine the expenses the Senate traveler or Senate office will be required to pay based on a review of the totality of the circumstances of the trip, including the length and purpose of the extension, as follows:

- If an extension is equal to or less than the length of the trip, the traveler may accept transportation to and from the trip location. Any additional expenses incurred as a result of the extension must be paid by the traveler (for personal extensions) or the Senate office (for official extensions).
- If an extension is greater than the length of the trip and on one side of the trip, the Senate traveler may only accept transportation from the sponsor on the side of the trip that is continuing as scheduled. The Senate traveler (for personal extensions) or the Senate office (for official extensions) must pay all transportation costs on the side of the trip with the extension. As with all extensions, the Senate traveler must also pay any additional expenses incurred as a result of the extension.
- If an extension is greater than the length of the trip and on both sides of the trip, or significantly greater than the length of the trip (e.g., more than double) and on one side of the trip, the Senate traveler or Senate office must pay all transportation costs to and from the trip location, as well as any additional expenses incurred as a result of the extension. In determining whether to approve an extension, the Committee will also consider whether special circumstances support extending the trip, such as restrictions on travel due to religious observances or for medical reasons.

Dear CT,

You are invited to be the special guest of the Consumer Technology Association (CTA)® for our Leaders in Technology (LIT) program at **CES 2024**, taking place in Las Vegas, Jan. 9-12, 2024.

With an anticipated 130K+ attendees and 3500+ exhibitors, CES 2024 will be the largest in-person, independently audited tech event in the world.

You'll have the opportunity to hear directly from industry visionaries about how policy affects the cutting-edge tech that's fueling our nation's economy and job growth.

The program is also designed to meet the requirements of the ethics committee of the U.S. House of Representatives for privately-sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. You are only allowed to attend CES on Friday if accompanying your member.

Please find the required **Private Sponsor Certification Form and list of House staff invitees for your review here**. This form will need to accompany your request to the U.S. House Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today using your .gov email address — This is a limited, non-transferable invitation and **we ask that you reply by Dec. 7**. For questions, please contact **LITprogram@CTA.tech**.

We hope that you will be able to join us for the Leaders in Technology program at CES 2024 — the global stage of innovation.

SELECT COMMITTEE ON ETHICS

January 5, 2024

CT Turner
Office of Senator Tammy Duckworth
United States Senate
Washington, DC 20510

Dear Mr. Turner:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to the *2024 Consumer Electronics Show: Leaders In Technology*, in Las Vegas, Nevada, on January 10–12, 2024, sponsored by the Consumer Technology Association (CTA). Provided that you adhere to the guidance set forth below, it appears that it is permissible for you to accept necessary expenses from CTA in connection with this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.[1] You are employed as the administrative and technology director in the Office of Senator Tammy Duckworth. CTA invited you to travel to the *2024 Consumer Electronics Show: Leaders In Technology*, in Las Vegas, Nevada, on January 10–12, 2024. CTA certified to the Committee that it will pay the necessary expenses[2] related to the travel and that it is neither a lobbyist, lobbying firm, agent of a foreign principal, or otherwise acting as a representative or agent of a foreign government. Although CTA is a private entity that retains or employs a federally registered lobbyists or foreign agent, CTA has certified that no registered lobbyist or agent of a foreign principal will accompany you on any segment of your trip.[3]

Additionally, you inform the Committee that you plan to extend your trip for an official purpose. Based on the information you submitted, the Committee understands that, for an official purpose, you intend to extend your trip in Las Vegas for four days after the conclusion of officially related events. Because your proposed extension is longer than the sponsored trip itself, your office must pay the full cost of your transportation to Las Vegas, Nevada and your return transportation, as well as any other additional expenses incurred as a result of extending your trip.

Discussion

Privately sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's official Senate duties. Incorporating reforms from the Honest Leadership and Open Government Act of 2007 (HLOGA), Pub. L. 110–81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately Sponsored Travel and Glossary of Terms* (collectively, *Travel Regulations*). The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Trips sponsored by private entities that retain or employ a lobbyist or foreign agent may not exceed one day, exclusive of travel time and one overnight stay. A second overnight stay may be allowed if the sponsor establishes in writing that a two-night stay is practically required and necessary to accomplish the purpose of the trip. The Committee examines these requests on a case-by-case basis and will consider the distance of travel, the availability of transportation to or from the location of the one-day event, the start and end time of the day's official activities, and any other exceptional circumstances described in writing prior to the trip. Regardless of whether one or two overnight stays are approved, all scheduled officially-connected activities must take place on one calendar day. The sponsor may pay for meals and expenses for the overnight stays but may not plan or sponsor any substantive activities for the Senate invitee on those days. For such trips, neither lobbyists nor foreign agents may accompany a Senate invitee on any segment of the trip.[4]

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form,* and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately Sponsored Travel.**[5]

Consistent with these standards and Committee precedent, CTA's factual representations, and the guidance contained in this letter regarding extending your trip for an official purpose, it

appears that it is permissible for you to accept necessary expenses from CTA in connection with this trip, provided that the actual travel-related expenses for this one-day trip (exclusive of travel time and two overnight stays conform to the information and materials you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

Finally, Senate Rule 34 requires a reporting individual[6] on their financial disclosure report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed $480 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their financial disclosure report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director
