Senate Staff Leadership Learning Mission 5.0 to Jerusalem and the West Bank
February 18-26, 2023

A constituent accompanied trip
with financial sponsorship by Rebuilding Alliance, an American 501(c)3 organization
Additional Trip Sponsorship by the Rotary Club of Woodside / Portola Valley Foundation
and the Rotary Club of South San Francisco Foundation

MISSION GOALS: The overall goal of this Leadership Learning Mission was to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights and how U.S. policy and aid can support those aspirations.

RELEVANCE TO OFFICIAL DUTIES: The Leadership Learning Mission offered senior Senate staff the opportunity to further their understanding of this region of the world and to learn the implications of American policies in the region, to better support constituents. This fact-finding trip:

- Provided participants with an understanding of the history of Jerusalem, the West Bank, and Gaza leading to the current conditions;

- Considered the implications and impact of Israeli control of building and planning rights in East Jerusalem and the West Bank and explore successful ways to prevent the demolition of and help in the sustainable development of Palestinian homes, schools, water systems, and communities, especially in at-risk neighborhoods;

- Visited Palestinians and Israelis who work for peace and justice to understand the challenges they are facing, learn about their efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts, and how this makes a difference; and

- Showed how US aid and intervention benefits the health and education of Palestinian children.

LOCATION: The purpose of travel to Jerusalem and the West Bank was to give senior Senate staff the opportunity to see the evolving facts on the ground, attend on-site meetings, and where possible, to hear from Palestinians and Israelis working together to keep neighborhoods standing and safeguard human rights.

Of Note: Holy Land Trust was the tour operator selected by Rebuilding Alliance to implement this fact-finding mission. Elias D'eis and Itamar Shappira were our Tour Guides.

09:30-10:00 Transit to Aida Camp, UNRWA Meeting	
10:00-12:00 Meeting with UNRWA, Aida Camp	**What:** Tour of camp will introduce staff to realities of life in a refugee camp. Meeting with UNRWA will describe the scope and scale of UN Relief and Works Agency for Palestinian Refugee (UNRWA)'s food, education, and emergency operations in the West Bank, Jordan,

	Lebanon, Syria, Israel, and Gaza. Senate staff will learn about the refugee crisis, building on the overview of the history of refugees and the U.N. that will be part of the Monday discussion with UNOCHA. There will be time for questions and answers. **Why:** Palestinian refugees in the West Bank number close to 1 million. Many still live in very difficult conditions and are supported by UNRWA. Understanding the situation that Palestinian refugees face is crucial for Senate staffers because of the sheer numbers of refugees and their involvement in the peace process as an issue left to final status negotiation. Critical for understanding how U.S. aid to UNRWA is used to provide services for Palestinian refugees. **Presenter:** UNRWA Staff **Location:** Aida Refugee Camp, Bethlehem **Assurance:** The entirety of allotted time will be covering officially-connected activity.
12:00-13:15 Bus to Rachel Tomb Area on the Bethlehem side of the Wall, tour the Wall area	**What:** A look at the wall and the area around Rachel's Tomb (inaccessible from the Bethlehem side), a site that is important for both Palestinians and Israelis but that is now almost entirely encircled by the wall- and accessible only to Israelis. This visit includes a walk along the separation wall and an introduction to the geo-politics of the Bethlehem area. Why: The separation wall has been called a security measure by some and a land grab by others. It has long been controversial due to its route- which cuts deep into Palestinian territory and separates Palestinian communities. **Why:** One of the missions of this trip is to discuss barriers to peace and the separation wall has long been considered by the Palestinians to be an Israeli attempt to create more facts on the ground, and to include as much Palestinian land on the Israeli side as possible. **Presenter**: Said Zarzar, HLT Tour Guide **Location:** Bethlehem **Assurance:** The entirety of allotted time will be covering officially-connected activity
13:15-13:30 Transit to Afteem Restaurant, Manger Square, Bethlehem

The Church of the Nativity is the oldest site continuously used as a place of worship in Christianity, and the basilica, dating back to 325/26 is the oldest major church in the Holy Land. **Why:** "This presentation is relevant to the mission of the trip and the Congressional staff's official duties because it meets one major goal of this trip: to provide participants with an understanding of the history of the region which must include religious sites. **Location:** Manger Square, Bethlehem **Tour Guide:** Sana Sansour, HLT Tour Guide **Assurance:** The entirety of allotted time will be covering officially-connected activity
17:00-17:15 Walk across the street back to Holy Family Hotel	
17:15-17:45 Rest/free time	
17:45-18:00 Transit to Tent Restaurant, Beit Sahour	
18:00-19:30 Dinner at Tent Restaurant

19:45-21:15 Meeting with Parents Circle Leaders, at the Holy Land Trust Community Room	**What:** Meeting with Bassam Aramin and Rami Elhanan, community leaders of the Parents Circle - Families Forum (PCFF). PCFF is a joint Israeli-Palestinian organization of over 600 families, all of whom have lost an immediate family member to the ongoing conflict. Moreover, the PCFF has concluded that the process of reconciliation between

	nations is a prerequisite to achieving a sustainable peace. The organization thus utilizes all resources available in education, public meetings and the media, to spread these ideas. **Why:** Rami's thirteen-year-old daughter, Smadar, was the victim of suicide bombers; a decade later, Bassam's ten-year-old daughter, Abir, was killed by a soldier's rubber bullet. Together they use their grief to press for understanding and peace. Their story has been chronicled in Apeirogon: A Novel by Colum McCann. Meeting with leaders in the Israeli and Palestinian Communities who are working towards just and peaceful solutions, building bridges and crossing cultural and societal boundaries, is a key part of this Leadership Learning Mission. Rebuilding Alliance is working to bring Bassam Aramin and Rami Elhanan to the U.S. in the Fall of 2023 so that their story can reach policy-makers in Congress. **Presenters:** Rami Elhanan and Bassam Aramin **Where:** Holy Family Hotel, Bethlehem **Assurance:** The entirety of allotted time will be covering officially-connected activity.

07:00-07:45 Breakfast at hotel	
07:45-08:15 Transportation by bus to hilltop view over Bethlehem	
08:15-08:30 Hilltop view over Bethlehem	**What:** On the way out of Bethlehem, we stop at a pullout with a great view of Bethlehem, that looks in the direction of the UNRWA building from which we viewed the greater Bethlehem area the day before. This overview looks out over the wall, surrounding settlements, and what little is left of Palestinian land outside Bethlehem. **Why:** This overview is important for understanding the geo-political situation that is faced by the Bethlehem area, and understanding the impact of the Separation Wall and the settlements on this area, including being cut off from its historical ties to the city of Jerusalem.

	Presenter: Itamar Shapira, LLM tour leader **Location:** Outside Bethlehem, West Bank **Assurance:** The entirety of allotted time will cover officially-connected activity.
08:30-08:45 Transit by minibus to Haas Promenade, Jerusalem	
8:45-9:45 Haas Promenade, view over Jerusalem	**What:** Overview of Jerusalem's evolution as a center point in the Israeli-Palestinian conflict, including the 1948 Green Line, the 1967 conquests, East Jerusalem and West Bank annexations, Jewish neighborhoods/settlements, Palestinian neighborhoods, and discussion of civil status in the city of Jerusalem. Speaker will use maps of the Old City and Jerusalem area to explain historical and geopolitical reality and changes in the city. **Why:** This presentation is relevant to the mission of the trip and the Congressional Staff's official duties because it is providing the Staff with the base of information that they will need and draw upon throughout the remainder of the trip. **Presenter:** Itamar Shapira, LLM tour leader **Location:** Jerusalem's Haas Promenade, Daniel Yanofsky Street, Jerusalem, Israel **Assurance:** The entirety of allotted time will be covering officially-connected activity.
09:45-10:00 Transportation by bus to Damascus Gate for Old City Tour	
10:00-12:30 Guided walking tour of Old City, Jerusalem	**What:** Entry via Damascus Gate. This walk will include an overlook of the Wailing Wall, the Dome of the Rock and Al Aqsa Mosque, Church of the Holy Sepulchre, and other significant religious, historical, and cultural sites and neighborhoods to help Congressional staffers and constituents begin to understand the varied aspirations of Palestinians and Israelis and provide a better understanding of what the New York Times calls, "a distinctly 20th century story, with roots in colonialism, nationalism, and anti- Semitism." **Why:** A major objective is to provide the Congressional staff with an understanding of the history of the area leading up to the current conditions. Any discussion of that history must include the historical sites in the Old City of Jerusalem.

	Tour Guide: Itamar Shapira, LLM tour guide **Location:** Old City of Jerusalem **Assurance:** The entirety of allotted time will be covering officially-connected activity.
12:30-12:45 Walk from Dung Gate to Sumreen Home, Silwan	
12:45-13:15 Participants will have a catered lunch in the family's gated courtyard and meet with the family and many of the Israeli Jewish groups that have been advocating to save their home	**Location:** Sumreen Family home, Silwan neighborhood of East Jerusalem
13:15-14:15 Meeting the Sumreen Family and representatives of the Sumreen Coalition	**What:** Meeting will update the delegation and provide background on the case of the Sumreen family; will also introduce members of the coalition of Jewish/Israeli groups that worked together to save the family home. **Why:** The coalition exemplifies various groups coming together and working to save a home- starting small, with one home, but that home being very important to that family. This will serve as an introduction to some of the advocacy work RA has undertaken. **Presenters:** Mrs. Amal Sumreen, the homeowner; Rabbi Arik Ascherman- Torat Tzedek, Rabbi Moshe Silver- Seek Peace Jerusalem, Ms. Rachel Scwartz- Ir Amim **Location:** Silwan, Sumreen family home **Assurance:** The entirety of allotted time will be covering officially-connected activity.
14:15-14:45 Transit by minibus to meeting with ACRI	
14:45-16:15 Meeting with Shira Livne, ACRI	**What:** The Association for Civil Rights Israel (ACRI) is the oldest and most influential civil and human rights organization in Israel. Founded in 1972, ACRI is the only NGO in Israel advocating across the broad spectrum of human rights and civil liberties for everyone living in Israel and in the Occupied Palestinian Territories. Their strategic focus areas include: social and economic rights, civil and political rights, Arab society, the Occupied Palestinian Territories, and migrants, refugees and statusless peoples.

	Why: This briefing will focus on an analysis of the new Israeli Government and the implications of the political shift to that of a far right majority in the Knesset. The far right is pushing for significant changes to the judicial and legal systems in Israel. Implications for both Israeli and Palestinian Society to be discussed. **Presenter:** Shira Livne, ACRI Unit Director, Human Rights in the Occupied Territories **Location:** Meeting Room at the Holy Land Hotel, East Jerusalem **Assurance:** The entirety of allotted time will be covering officially-connected activity.
16:15-16:30 Walk to nearby UNOCHA Office	
16;30-18:15 UN Office for Coordination of Humanitarian Affairs (UNOCHA) Meeting	**What:** Discussion of the humanitarian need and relief required in the West Bank, East Jerusalem and Gaza, and possible underlying reasons for this ongoing crisis. **Why:** A major goal of our fact-finding tour is to show the Senate Staff how US aid benefits the health and education of Palestinian children — to do this, they will need to understand the depth of the humanitarian crisis and its reasons in the West Bank, East Jerusalem and Gaza. **Presenter:** Andrea DeDomenico, Special Assistant to the Humanitarian Coordinator (UNOCHA) **Location:** UNOCHA Office, East Jerusalem **Assurance:** The entirety of allotted time will be covering officially-connected activity.
18:15-19:15 Minibus back to hotel in Bethlehem	
19:15-20:00 Dinner at hotel	
Overnight Holy Family Hotel, Bethlehem	
2/22 Wednesday: Hebron, then South Hebron Hills/Masafer Yatta	
06:45-07:30 Early Breakfast at Hotel	

07:30-08:45 Transportation by bus to Hebron	
08:45-11:45 Tour of Hebron, H1 and H2 areas	**What:** Hebron is a city divided between Palestinians and Israeli settlers, with a heavy military presence. Palestinian homes and buildings are being taken over by Israeli settlers in Hebron and the major business district of Shuhada Street is closed. The delegation will visit Tomb of the Patriarchs and the Ibrahimi Mosque, the site of the 1994 massacre which led to the partitioning of both the building and the city itself. **Why:** A major objective is to provide the Senate Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include discussion of the historical sites and current conditions in Hebron, as well as the unique history of settlements in the city. **Presenter:** Tariq Tamimi, Hebron Chamber of Commerce, Itamar Shappira, and an HLT guide who was himself a child survivor of the 1994 massacre **Location:** Hebron **Assurance:** The entirety of allotted time will be covering officially-connected activity.
11:45-12:30 Transit by minibus to village of Susiya	
12:30-13:15 Lunch in Susiya	
13:15-14:00 Overview of the history of the Palestinian village of Susiya, meeting local leaders	**What:** Overview of the history of the Palestinian village of Susiya. In 2013, the Sub-Committee for Planning and Licensing of the Civil Administration's Supreme Planning Council rejected the village's proposed master plan stating that the "women and children would be better off living somewhere else." In 2015, Israel's High Court decided that the Palestinian Village of Susiya can be demolished before its case is even heard, and the case is still pending. We'll hear their story and learn of their aspirations to see the recognition of their master plan and live and build their future on their land without fear of demolition. **Why:** A key goal of this LLM is to consider the implications and impact of Israeli control of building and planning rights in Jerusalem and the West Bank and explore ways to prevent the demolition of Palestinian homes, schools, barns, and neighborhoods.

	Presenters: Nasser Nawaja, spokesperson of the Susiya Village Council and B'Tselem Regional Staff, Fatma Nawaja - head of Susiya Rural Women's Association and Social Worker with Rebuilding Alliance **Location:** Rural Women's Center, Susiya **Assurance:** The entirety of allotted time will be covering officially-connected activity.
14:00-14:30: Meet Nidal Younis, Masafer Yatta Village Council Head	**What:** Masafer Yatta region is currently designated as Firing Zone 918. Despite having inhabited the area for generations, 12 villages are facing eviction and demolition in this area. These actions are widely perceived as a preliminary to Israeli seizure of the land. A pivotal court case holds their fate in the balance. **Why:** A core goal of the trip is to consider the implications and impact of Israeli control of building and planning rights in the West Bank and explore successful ways to prevent the demolition of Palestinian homes, schools, water systems, and neighborhoods. **Presenter:** Nidal Younis, Head of Masafer Yatta Villages Council **Location:** Susiya **Assurance:** The entirety of allotted time will be covering officially-connected activity.
14:30-17:15: Transit to the Masafer Yatta village of Khallet al Dabeh , tour, and visiting the village school, then transit to Umm Al Kheir	**What:** The bumpy drive into the hills of the Masafer Yatta area will provide a sense of the cost to these communities when Israel's Military Firing Zone 918 was designated over their villages and land. The Khallet al Dabeh Elementary School is under demolition order. The delegation then travels to the Palestinian Bedouin village of Umm Al Kheir, immediately adjacent to the Israeli settlement of Carmel. **Why:** This is relevant to the mission of the trip and the staff's official duties because it shows the challenges of settler incursions into village lands, the impact of a military firing zone on populated areas, discriminatory planning regimens, and the prospect of the forcible transfer of the civilian population of Masafer Yatta under a May 2022 ruling by the High Court in a case that drew on for 23 years. **Presenter:** Nidal Younis: Head of the Masafer Villages Council; Eid Suleiman, artist, activist, and staff to Rebuilding Alliance, a resident of Umm Al Kheir who presented to Congress in 2017 and 2018 **Location:** Masafer Yatta: Khalet Al Dabeh, Um Al Kheir **Assurance:** The entirety of allotted time will be covering officially-connected activity.

17:15-19:15: Transit back to hotel	
19:15-20:00 Dinner at the hotel	
20:00-21:30 Discussion and Debrief on the day's agenda	
Overnight at the Holy Family Hotel, Bethlehem	
2/23 Thursday: Ofer Prison, U.S. Embassy Annex, Tel Aviv, Israeli NGOs	
07:45-08:30 Breakfast	
08:30-10:15 Presentation by Military Court Watch at Hotel	**What:** Military Court Watch will introduce their work to the delegation, and prepare them with context and background information to their visit to Ofer Prison. **Why:** Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice. **Presenters:** Gerard Horton and Salwa Duiabis, Military Court Watch **Location:** Meeting room in the Holy Family Hotel, Bethlehem Assurance: The entirety of allotted time will be covering officially-connected activity
10:15-11:00 Transportation by bus to Ofer Military Prison	
11:00-13:15 Observation of court proceedings	**What:** Observation of court proceedings for cases of Palestinian child prisoners. Military Court Watch (MCW)'s work is guided by the basic principle that children detained by the Israeli military authorities are entitled to all the rights and protections guaranteed under international law. Further, and in accordance with the principle that no State is permitted to discriminate between those over whom it exercises penal jurisdiction, there is no legal justification for treating Palestinian and Israeli children differently under Israel's military and civilian legal systems. In accordance with these principles, MCW advocates, and where appropriate, litigates, to ensure that all children that come in contact with the military legal system are treated fairly and in accordance with the law. **Why:** Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both

	enjoy equal rights, it is important for Senate staff to observe this separate, unequal form of juvenile justice. **Tour Guides:** Gerard Horton, Salwa Duabis both of Military Court Watch **Location:** Ofer Military Court, just outside the Palestinian town of Beitunia **Assurance:** The entirety of allotted time will be covering officially-connected activity.
13:15-14:30 Lunch/Transit en route to Tel Aviv	
14:30-15:15 Coffee break near Embassy, Tel Aviv	
15:15-15:30 Security to enter US Embassy - Tel Aviv Annex	**Location:** U.S. Embassy Tel Aviv Annex, Tel Aviv **Assurance:** The entirety of allotted time will be covering officially-connected activity.
15:30-16:30: Meeting with Political Counselor, U.S. Department of State, US. Embassy Jerusalem-Embassy Branch Office Tel Aviv	**What:** Meeting with a Political Counselor at the U.S. Embassy Tel Aviv Branch **Why:** Discussing the structure of the U.S. Embassy and State Dept. presence in the region and why there are different entities to deal with the Israeli and Palestinian governments. We will have just come from visiting Ofer Prison with Military Court Watch, amongst many other visits. The group will have an opportunity to ask questions regarding official U.S. policies in the region. **Presenter:** Mark Rosenshield, Deputy Political Counselor **Location:** U.S. Embassy Branch Office, Tel Aviv **Assurance:** The entirety of allotted time will be covering officially-connected activity
16:30-17:00 Transportation by minibus to meet with Israeli NGOs and Advocates, office of Gisha, Tel Aviv	
17:00-18:30 Meeting with Israeli NGOs and Advocates	**What:** Meeting with Israeli attorneys and advocates for a discussion of the shift in Israeli politics due to the recent election, and what that means for Israelis and Palestinians. Three NGOS: Yesh Din, Gisha, and B'Tselem, will discuss their human rights work. One of the discussion topics will center on Palestinian civil society and the recent designation

	of 6 key Palestinian human rights groups as illegal - this designation was made in October 2021 and has no merit for most of the international community. Solutions for how to continue to support Palestinian civil society will be discussed. Speakers will present an overview of history, policies, and what has led to the current crisis. **Why:** This is relevant to the mission of the trip and the Senate staff's official duties because one of the goals of our trip is to meet groups working towards peace. Meeting Israelis who work and advocate on behalf of Palestinians is part of this. For peace and stability to be achieved, Palestinian civil society must be supported and strengthened. **Presenter:** Sarit Michaeli, B'Tselem; Shahid Fahoum, Yesh Din; Dana Mills, Gisha **Location:** Gisha Office, Harakevet St. 42, Tel Aviv **Assurance:** The entirety of allotted time will be covering officially-connected activity
18:30-20:00 Transit by minibus back to Bethlehem	
20:00-21:00 Dinner at Hotel	
Overnight at Holy Family Hotel, Bethlehem	
2/24 Friday: US Embassy, Journalist Safety, Khan al Ahmar, Kfar Adumim, Dead Sea	
07:00-8:00 Breakfast and check out of hotel	
08:00-08:30 Transit to Al Walajeh	
08:30-10:15 Tour of Al Walajeh Village with the village's lawyer	**What**: The Palestinian village of Al-Walajeh is located in Areas B, and C of the West Bank in the Bethlehem Governorate, near Jerusalem. The village's entire area, 18 km^2, is beyond the Green Line, but one third of its land on the northern side was annexed to Israel along with the rest of East Jerusalem and included in Jerusalem's municipal boundaries. As opposed to the rest of the Palestinian neighborhoods and villages that were annexed, Israel did not recognize the residents of Walajeh -- not even those who lived in the annexed part -- as residents of Jerusalem, and therefore almost all of the 2,500 residents of the village carry the orange identity cards of West Bank residents. The village also is an example of the impact of vast settlement blocs on

	Palestinian villages in the area. Because the village is located between Jerusalem and the Gush Etzion Settlement block, large swaths of the village are facing demolition orders. During our visit, we were introduced to a single mother whose home was demolished just a few days earlier. **Why**: This presentation is relevant to the mission of the trip and the Congressional staff's official duties because it addresses many of the issues that are seen to impact peace in the region: Jerusalem and settlement takeover of Palestinian village lands, home demolitions, and discriminatory planning policies. This visit will give staff insight into the challenges faced by Palestinian communities on multiple fronts and explain why Senate intervention is needed to keep their town standing. **Location**: Al-Walajeh Village **Presenter:** Ibrahim Al-Araj (attorney for the village). **Assurance**: The entirety of allotted time will be covering officially-connected activity.
10:15-11:00 Meeting with the Abu Khayra Family, Al Walajeh	**What**: Entire neighborhoods of the village of Al Walajeh received demolition orders from the Government of Israel. The Abu Khyara family's home was demolished several years ago. Our partner in the planning of this delegation, the Holy Land Trust, funded and assisted in the rebuilding of the family's home. **Why**: One of the goals of this delegation is to discuss ways to stop demolitions and assure the future of this village. The village and the human rights groups that are rebuilding homes are working towards this goal. **Location**: Al-Walajeh Village **Presenter**: The Abu Khayra family **Assurance**: The entirety of allotted time will be covering officially-connected activities.
11:00-11:45 Transportation by bus to the U.S. Embassy in Jerusalem	
11:45-12:15 Clear Security check at the U.S. Embassy, Jerusalem	**Location:** U.S. Embassy, Jerusalem Assurance: The entirety of allotted time will be covering officially-connected activity
12:15-13:45: Meeting at the U.S. Embassy	**What:** Meeting with the Deputy Political Chief from the Office of Palestinian Affairs and the Chief of Staff and Senior Staff to the Office of United States Security Coordinator (**USSC**). This meeting will

	include a discussion about the State Department's role in Jerusalem, the West Bank, and Gaza. Congressional staff and guests will have the opportunity to ask questions about the "on the ground" operating environment and the role of the USSC. **Why:** This 'off the record' discussion is relevant to the Senate staff's official duties because the U.S. Embassy will present the official U.S. policy on the many topics of special interest to the delegation including discussions we held earlier in the week: East Jerusalem and Palestinian Area C planning issues, human rights, child detentions, Gaza aid, Israel and Palestinian safety and security, settler violence, and hope for peace agreements. **Presenter:** Kris Fresonke, OPA Chief Political Officer; Col. Stephen Gabavics and Col. Angelica Martinez, USSC **Location:** U.S. Embassy annex, Jerusalem, 18 Agron Road **Assurance:** The entirety of allotted time will be covering officially-connected activity.
13:45-14:30 Minibus to Khan Al Ahmar	
14:30-16:00 Lunch meeting with Eid Abu Khamis, spokesperson for Khan Al Ahmar	**What:** Khan Al Ahmar, a Bedouin community standing between Jerusalem and the E1 corridor/Maale Adumim settlement bloc, has long been threatened with forced displacement. This village, which predates the settlements around it, is one of the last Palestinian villages standing in the way of connecting the massive Maale Adumim settlement bloc to Jerusalem. Our meetings are with local leaders and residents to discuss the history of the area, the current legal standing of the court case filed against the Khan al Ahmar community pressing for its relocation, the recurring attacks by some of the settlers, and the efforts by some Kfar Adumim settlers to keep them safe. **Why:** E1 refers to the area between Jerusalem and the Maale Adumim- a massive bloc of settlements outside Jerusalem and in the West Bank. According to Amnesty International, *"The E1 area currently provides a vital passage between the northern and southern West Bank. Should Israeli construction take place on this land, a continuous Israeli settler presence will be established from occupied East Jerusalem to the Jordan Valley, effectively cutting the West Bank in half and severing East Jerusalem from the remainder of the occupied West Bank."*

	The small Bedouin community of Khan Al Ahmar has been at the center of court cases in Israel for years, with the State wanting the community evacuated, and moved elsewhere. They say it is for the community's own good, but the skeptics say it is to remove the final barrier to making Maale Adumim part of the Greater Jerusalem area and Israel proper. Khan al Ahmar has received international support from Europe and the U.S., which have helped keep it standing for now. **Presenter:** Eid Abu Khamees **Location:** Khan Al Ahmar **Assurance:** The entirety of allotted time will be covering officially-connected activities.
16:00-16:15 Transit to Kfar Adumim	
16:15-17:15 Discussion with settler residents at their home in Kfar Adumim	**What**: Meeting with local leaders from the settlement nearby to Khan Al Ahmar, Kfar Adumim **Why:** One of the trip objectives is to visit Palestinians and Israelis who work for peace and justice to understand the challenges they are facing, learn about their efforts to address those challenges. Contrary to the overriding narrative, there are some Israelis living in Israeli settlements who are working to help ensure that their Palestinian neighbors are able to stay on their land. Khan Al Ahmar, long a community facing court cases and potential displacement, is one such community. Some of the Israelis in Kfar Adumim speak out to keep Khan Al Ahmar standing. **Presenters:** Ze'ev Elitzur, Eitan Lehman **Location:** One of the speaker's homes, Kfar Adumim **Assurance:** The entirety of allotted time will be covering officially-connected activity
17:15-19:00 Minibus to Angel Hotel, Beit Jala	
19:00-19:30 Check in and free time	
19:30-19:45 Transit to Dinner at Chester Restaurant, Beit Jala	
19:45-21:45 Dinner at Chester Restaurant, Beit Jala	

21:45-22:00 Transit back to Angel Hotel	
Overnight at Angel Hotel, Beit Jala	
02/25 Saturday: Right to Enter in Ramallah, Al Aqaba, Rotary Nazareth, Departures	
06:30-07:45 Breakfast and Check-out of the hotel	
07:45-09:15 Transit to Ramallah	
09:15-10:45 Meeting with Right to Enter Group	**What:** The Government of Israel unilaterally denies entry or return to the West Bank and Gaza via the international Israeli borders at Ben Gurion Airport, Allenby Bridge, Sheikh Hussein Bridge, and Eilat. Most of those affected are Palestinian natives, spouses, children, parents and other close relatives of Palestinian ID holders. The policy affects entire families or individual members of families, like the father or the mother of minor children. As a result, families are torn apart, jobs or businesses lost and personal property becomes inaccessible. The practice applies to people with and without Palestinian or Arab origins, and to those with and without local family relations. In addition to families, affected groups include professionals, teachers, and academics who are in the oPt for teaching, research, the arts, business, visiting or volunteering their services. Most of these individuals have never overstayed their visitor's visas or breached any visiting regulations. **The Right to Enter** Campaign emerged in response to an escalation of entry denials and restrictions in 2006. RTE has concentrated its efforts on monitoring developments on the issues of 40,000 families (over half are American) affected by the current Israeli policy that denies entry to foreign passport holders to the occupied Palestinian territory (oPt) and advocating on their behalf. **Why:** Rebuilding Alliance aims to explore how peace can be achieved through equal treatment of Palestinians and Israelis. These discriminatory laws and policies targeting foreigners, including American should be of major concern to Congress. The U.S is reviewing a request by the Government of Israel to participate in the US Visa Waiver program — this discriminatory policy is inconsistent with the terms and conditions of the US Visa Waiver program. **Speakers:** Ambar Amleh **Location:** Darna Restaurant, Ramallah

	Assurance: The entirety of allotted time will be covering officially-connected activity.
10:45-12:45 Transit to Al Aqaba	**What:** Introducing the northern Jordan Valley area **Why:** The Jordan Valley is an area of strategic interest for the current Israeli Government, and settlements are weaved throughout. Members of the current Israeli Government have proposed annexing the Jordan Valley in order to create a security buffer for Israel. Annexation of the West Bank or of particular areas of the West Bank by the Israeli Government is something that is of extreme concern for the United States. Annexation would almost certainly negate a two state solution. A two state solution is still the official platform of the United States, and learning about the issue of annexation in this area should be of particular relevance to Senate Staff's official duties. **Tour Guide:** Itamar Shapirra, LLM tour guide **Location:** Ramallah-Al Aqaba **Assurance:** The entirety of allotted time will be covering officially-connected activity.
12:45-13:45 Lunch at the Rural Women's Association, Al Aqaba	
13:45-15:15 Al Aqaba Village Tour	**What:** Al Aqaba Village is located in the West Bank's Area C inside Firing Zone 900. The Israeli Army stopped 30 years of live-firing training in the village in 2002 when the High Court arranged for their agreement to remove the Army training camp from the Village. Despite the deaths and injuries caused by live-fire training, the village always maintained a deep commitment to peace, inspired by their late Mayor. In 2008, the Israeli High Court decided that *'for the time-being the center of the village will remain standing.'* As a result this became the first Palestinian Village in Area C to issue its own building permits — and for 12 years, no demolition orders were issued against the new homes. That changed in January, 2022 when a new High Court decision placed the whole village at risk of demolition and especially the homes under construction. The walking tour of Al Aqaba will visit the community park, goat cheese factory, and the homes that had just recently, this week, been issued demolition orders, as well as the home that was demolished in January. Rebuilding Alliance helped the village build their kindergarten and has worked with their housing

	cooperative to pioneer a successful home construction revolving loan program. **Why:** This tour is relevant to the House staff's official duties because (1) it is important to see what a Palestinian village looks like when the village is allowed to thrive, (2) seeing this will allow Senate staff to consider how U.S. policy and aid can support the aspirations of Palestinian village who seek to stay on their land by preventing the demolition of Palestinian homes, schools, and neighborhoods, (3) the village needs Congressional intervention to encourage the Commanding Officer of the West Bank to visit as required by the High Court, to respond to the village's request to move the Firing Zone outside the boundaries of the village and to approve the village's Master Plan. **Tour Guide:** Khaled Sawafta (Head of Village Council), Rawheye Alsbaih (Chair of the Rural Women's Association), Hisham Sbaih (Chair of the Al Aqaba Cooperative Assembly for Housing the Displaced & Head of Agricultural Association) Eng. Roba Daragmeh, Rebuilding Alliance **Location:** Al Aqaba Village **Assurance:** The entirety of allotted time will be covering officially-connected activity.
15:15-17:00 Transit to Nazareth	
17:00-19:30 Farewell Dinner with Rotary Club of Nazareth	**What:** A closing dinner that allows our delegation to bring forward their observations and questions. The Future Governor of the Rotary Clubs of Israel for the year 2023-2024, Mr. Bashir Naseer, is from the Rotary Club of Nazareth. His Rotary Club was instrumental in pressing Rotary International to recharter the Rotary Clubs in the West Bank. The club members will be in attendance and they invited two guest speakers to join them: the District Governor of Rotary's Inner Wheel association, and a human rights advocate and winner of the Israel Prize. **Why:** Throughout this trip, we have seen the impact of divided populations — this is an important moment to learn about how people can and do work together. This visit and tour is relevant to the House staff's official duties because a key goal is to visit Palestinians and Israelis who work for peace and justice to understand the challenges they are facing, learn about their efforts including joint efforts to address those challenges, consider what Congress is uniquely able to do

	to support such efforts, and how this makes a difference. We will also get a unique perspective from Israelis of Palestinian descent, in Israel's largest Palestinian/Arab city. **Speaker:** Bashir Naseer, 2023/24 Incoming Governor of the Rotary Clubs of Israel; Nader Elias, President of the Nazareth Rotary Club **Location:** Blend Restaurant, near the Old City, Nazareth **Assurance:** The entirety of allotted time will be covering officially-connected activity.

Rebuilding Alliance

Dear Hanna,

The deadline for joining Rebuilding Alliance's Senate StaffDel Leadership Learning Mission 5.0 to Jerusalem and the West Bank is tomorrow, Tuesday. The one week trip departs on February 18th and returns February 26th.

Please sign up here

If you're not applying, please take a moment to R.S.V.P. with suggestions or concerns

Although the trip is a 'fact-finding' mission, compassionate listening is also part of the experience. Your visit, especially your thoughtful questions, can be a positive influence with policy makers overseas at this critical time.

We've built a lot of trust through the years and that's why Rebuilding Alliance's access is quite remarkable — we'll visit both the Tel Aviv and the Jerusalem offices of the U.S. Embassy, meet United Nations staff, dine with a coalition of rabbis who are working to prevent the forced eviction of their Palestinian neighbors, visit with Palestinian families in neighborhoods targeted for demolition, and meet Israel's Rotary District Governor Elect. One of the most disquieting parts of the trip will be a visit to the Juvenile Court in Ofer Prison.

Upon your return, your insight can inform your boss and foster productive interactions with constituents.

I've included the Mission Goals below. Feel free to call me at (650) 440-9667 if you have any questions. **Please sign up here** or hit reply to R.S.V.P. I look forward to hearing from you.

Sincerely,

Donna Baranski-Walker

Donna Baranski-Walker
Founder and Executive Director, Rebuilding Alliance

P.S. I am an M.I.T. engineer and the Executive Director of Rebuilding Alliance, a U.S. 501(c)3

nonpartisan nonprofit that has been working in the West Bank, Jerusalem, and the Gaza Strip for 20 years. I care about the 'how' of peace building, specifically all the things that can't wait for a peace agreement: food, health, jobs, schools, safety, housing, fairness, and justice, things that should be available to all throughout the region.

I am also the president of the Rotary Club of Woodside / Portola Valley, one of the additional trip sponsors. I've asked all the Rotary Clubs in my area to cosponsor this trip. Eventually, I hope that Rotary Clubs in your state will co-sponsor future Leadership Learning Missions.

Why I am inviting Rotary Clubs to co-sponsor this trip: Rotary is a nonprofit service organization with clubs in nearly every city in the U.S. and around the world. One of Rotary's six areas of focus is 'Support for Peace'. By carrying out service projects and supporting peace fellowships and scholarships, Rotary members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

I especially appreciate **the Rotary 4 Way Test** and I use this to guide our Leadership Learning Missions:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

P.P.S.
MISSION GOALS: The overall goal of this Leadership Learning Mission 5.0 is to explore how aspirations for peace can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights and how U.S. policy and aid can support those aspirations.

RELEVANCE TO OFFICIAL DUTIES: The Leadership Learning Mission offers senior Senate staff the opportunity to further understand this region of the world and the implications of American policies in it, and to better support constituents. This trip will

- Provide participants with an understanding of the history of Jerusalem, the West Bank, and Gaza leading to the current conditions
- Consider the implications and impact of Israeli control of building and planning rights in East Jerusalem and the West Bank and explore successful ways to prevent the demolition — and help in the sustainable development — of Palestinian homes, schools, water systems, and communities, especially in at-risk neighborhoods
- Visit Palestinians and Israelis who work for peace and justice to understand the challenges they are facing; learn about their efforts, including joint efforts to address those challenges; consider what Congress is uniquely able to do to support such efforts, and how this makes a difference; and
- Show how US aid and intervention benefit the health and education of Palestinian children

LOCATION: Travel to Jerusalem and the West Bank will give senior Senate staff the opportunity to see the evolving facts on the ground, attend on-site meetings, and where possible, hear from Palestinians and Israelis working together to keep neighborhoods standing and safeguard human rights.

Of Note: Holy Land Trust is the tour operator selected by Rebuilding Alliance to implement this fact-finding mission.
