Purpose and Details

Provide a brief description of the trip.

We will providing a first-hand experience and educational tour of our Lower Snake River System that we use for renewable energy, irrigation and transportation of our commodity. Participants will have the opportunity to experience the locks through the dam on a boat, tour the Lower Granite dam facility, learn more about the Port of Lewiston and its activities, tour a grain terminal and learn more about the barge transportation system. They will hear from farmers, barge operators, managers, and other related river system users.

Explain how the purpose of the trip relates to your organization's mission.

The Lower Snake River system is an important element to getting our farmers (members) product to market. Many of those in DC making important decisions about the river system have never experienced nor seen the dams and how it benefits our region. We are nonprofit member-based organization that provides educational information to our members as well as the public about the importance of our wheat industry.

Is your organization the only sponsor for this trip?

○ Yes ◉ No

If No, describe your organization's role in planning the trip.

We are the main sponsor, planner and organizer. We have three joint sponsors for this educational tour: Washington State Potato Commission, The McGregor Company and Northwest RiverPartners. Our joint sponsors are assisting in funding and providing speakers during the tour.

If there are multiple sponsors, each sponsor must submit Organization Information (Page 1 of the Private Sponsor Travel Certification Form) and a Signature Page Form.
