RE-2 Employee Post Travel Disclosure of Travel Expenses

Date/Time Stamp

RECEIVED
SECRETARY OF THE SE
PUBLIC RECORDS
2024 SEP 16 PM 12:46

Post Travel Filing Instructions: Complete this form within **30 days** of returning from travel. Submit all forms to the Office of Public Records in 232 Hart Building.**This form is a public disclosure. The form and all attachments will be made publicly available.**

Certification:*In compliance with the Regulations Governing Privately Sponsored Travel, Senate Rule 35, and the Honest Leadership and Open Government Act of 2007, I certify that I accepted the following gift of privately sponsored travel:*

Private Sponsor(s):
United Nations Foundation – Global Health Advocacy – Immunization & Global Health Security, Friends of the Global Fight Against AIDS, Tuberculosis and Malaria

Travel Dates:
08/10/2024 to 08/17/2024

Name of accompanying family member (if any):

Relationship to Traveler:

Expenses

Transportation Expenses	Lodging Expenses	Meals Expenses	Other Expenses (Amount & Description)
$2,890.00	$835.70	$446.03	$400.00

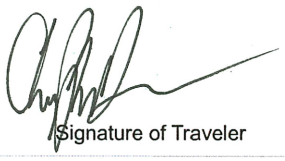
I also certify that attached to this form are all required documents for post travel disclosure, including:

- **The final Employee Pre-Travel Authorization** (Form RE-1)
- The final **Private Sponsor Travel Certification Form** with all attachments
- The final invitation
- The final approved itinerary

Finally, I certify that all trip information reflected in the attachments above accurately reflects the travel that I accepted. If there were any changes to the trip after I received approval from the Committee, the changes are described in ATTACHMENT 1.

9/16/24
Date

Chelsey Rice-Davis
Printed Name of Traveler

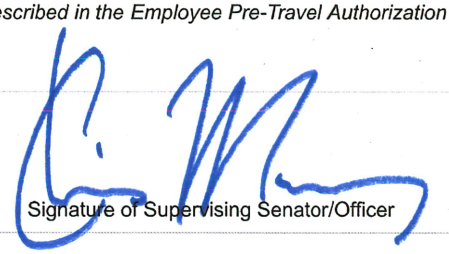


Signature of Traveler

TO BE COMPLETED BY SUPERVISING MEMBER/OFFICER

I have made a determination that the expenses set out above in connections with travel described in the Employee Pre-Travel Authorization form, are necessary transportation, lodging, and related expenses as defined in Rule 35.

9/16/24
Date



Signature of Supervising Senator/Officer

ATTACHMENT 1 – CHANGES FROM APPROVED PRE-TRAVEL

Note: Material changes to a trip that occur after the Committee has issued an approval letter may invalidate the Committee's approval. Please contact the Committee with any questions regarding changes to an approved trip.

Were there any changes to the pre-approved travel expenses? (Transportation, Meals, Lodging, Other)?

● Yes ○ No

Expense Change	Revised Amount	Explanation
Meals	$446.03	Adjustment reflects actual costs
Lodging	$835.70	Adjustment reflects actual costs
Misc. Expenses	$405.38	Adjustment reflects actual costs

Were there any changes to the pre-approved itinerary?

● Yes ○ No

Explanation: Please see attached final post-trip itinerary

Were there any additional changes to the pre-approved trip?

● Yes ○ No

Explanation: As discussed with Senate Ethics counsel prior to the approval of the trip, Friends of the Global Fight was removed as a trip sponsor. UN Foundation was the sole sponsor, thus there should be no reference to Friends in the pre-trip paperwork.

RE-1 Employee Pre-Travel Authorization

Date/Time Stamp

Pre-Travel Filing Instructions: Complete and submit this form at least 30 days prior to the travel departure date to the **Select Committee on Ethics in SH-220.** Incomplete and late travel submissions will **not** be considered or approved.

Name of Traveler:
Chelsey Rice-Davis

Employing Office/Committee:
Senator Murphy

Private Sponsor(s):
United Nations Foundation

Destination(s):
Mozambique

Travel Dates:
8/10-8/19

NOTE: If you plan to extend the trip for any reason you **must** notify the Committee.

Explain how this trip is specifically connected to the traveler's official or representational duties.
This trip is to see U.S. global health efforts in Mozambique, which directly relates to my work as health policy advisor, advising Senator Murphy in his role on LHHS Appropriations and the HELP Committee, which authorizes and appropriates funding for U.S. global health

Do you have an accompanying family member or spouse on this trip? **Name and Relationship to Traveler:**

☐ (signify "yes" by checking box)

I certify that the information contained in this form is true, complete and correct to the best of my knowledge.

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

Health Team Lead; Salesio Macuacua Specialist in Child Health and Immunization; Abuchahama Saifodine, USAID PMI Resident Advisor; Yari Torres-Mendoza, CDC PMI Resident Advisor; Monica Dea, Global Health Security Advisor; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luis Morfin, CDC Deputy Director; Adam Wolkon, CDC Branch Chief Epidemiology & Surveillance; Larina Konold, State Department, Economic Unit Chief for Environment, Science, Technology & Health; Antonio Langa, DOD HIV/Health Lead

10:15am – 10:45am Transit via hired car to the Mozambique Ministry of Health

10:45am – 11:45am **Meeting with Dr. Armindo Tiago, Minister of Health of Mozambique**

The delegation will meet with the Minister of Health, and related Ministry of Health officials, to discuss how U.S.-UN-Mozambique investments are helping put an end to malaria-related deaths and helping prepare to respond to future health threats. Directors of key technical areas will be in attendance, including immunization and malaria.

This meeting will help the delegation understand how the U.S. and UN, in close collaboration with the Government of Mozambique, are helping Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens.

Location: Ministry of Health, 9th Floor Conference Room

Anticipated Speakers in Attendance: Dr. Armindo Tiago, Minister of Health; Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Maureen Gallagher, Chief of Child Health & Nutrition, UNICEF; Samuel Ojong, Health Manager, UNICEF

11:45am – 12:00pm Transit via hired car to Botanica

12:00pm – 1:30pm **Working Lunch with Mozambique Directors of National Immunization and National Malaria Control Programs**

The delegation will have a working lunch with the Directors of Mozambique's National Immunization Program (PAV) and National

Malaria Control Program. The working lunch is an opportunity for the delegation to ask technical questions about the new collaboration between the two programs as Mozambique rolls out the malaria vaccines.

Location: Botanica, 148 Rua Kibiriti Diwane, Maputo, Mozambique

Anticipated Speakers in Attendance: Emily Hillman, Family Health Division Chief; Dulce Nhassico, Maternal and Child Health Team Lead; Salesio Macuacua Specialist in Child Health and Immunization; Abuchahama Saifodine, USAID PMI Resident Advisor; Yari Torres-Mendoza, CDC PMI Resident Advisor; Jolene Nakao, CDC Associate Director, GHS & Public Health Emergency Response; Baltazar Candrinho, Director, National Malaria Control Program; Dr. Manuel Novela, Manager, Expanded Program on Immunization (aka Programa Alargado de Vacinacao, PAV); Esmeralda Karegeanes, Health/Immunization Specialist, UNICEF; Samuel Ojong, Health Manager, UNICEF

1:30pm – 1:45pm Transit via hired car to Ministry of Agriculture

1:45pm – 2:35pm **Meeting with Dr. Celso Ismael Correia, Minister of Agriculture and Rural Development of Mozambique**

The delegation will meet with the Minister of Agriculture and Rural Development, to discuss how U.S-Mozambique investments are helping to prevent, prepare, and respond to infectious diseases and achieve the core capacities required by the International Health Regulations. Directors of key technical areas will be in attendance.

Location: Ministry of Agriculture and Rural Development

Anticipated Speakers in Attendance: Dr. Celso Correia, Minister; Jolene Nakao, CDC Associate Director GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Kelly Badiane, HIV, TB, and Health Threats Division Chief; Monica Dea, Global Health Security Advisor; Lara Machuama, Nutrition Specialist, UNICEF; Maureen Gallager, Chief of Health & Nutrition Section

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

2:35pm – 3:00pm Transit time via hired car

3:00pm – 4:00pm **UN Country Team Overview**

The delegation will meet with WHO Country Representative, UNICEF Country representative, and UNAIDS Country Representative, for an overview of the UN portfolio in Mozambique and their work in immunization, malaria, and global health security.

Location: UNICEF Office., Av Zimbabwe 1440

Anticipated Speakers in Attendance: Tomas Valdez, World Health Organization; Benilde Soares Health Specialist, UNICEF; Michela Romanelli, Health System strengthening Specialist, UNICEF; Maureen Gallagher, Chief of Health & Nutrition, UNICEF; Michel Kouakou, Country Director, UNAIDS; Marilena Urso (SRHR Technical Specialist), UNFPA; Luis Vedor, Healthcare Infrastrucure Specialist, UNHabitat; Wild do Rosario, Health Portfolio, UNDP; Antonio Capote, Health Portfolio, UNDP; Satar Tashbid, Health Portfolio OIC, OIM; Maria Salazar, Country Director, UNOPS

4:00pm – 4:15pm Transit time via hired car to hotel

4:15pm – 5:30pm Executive Time

5:30pm – 6:00pm Transit via hired car to Restaurante NOM

6:00pm – 8:00pm **Working Dinner with IOM, UNHCR, WHO, UN Women**
Due to the country's geography, Mozambique is highly exposed to severe weather-related events – including cyclones and flooding. Most recently, in early 2023, the country was hit twice by the same Tropical Cyclone Freddy, affecting 10 of 11 provinces, triggering health crises, spikes in water-borne diseases, and displacing nearly 200,000 individuals.

The delegation will have a working dinner with representatives from the UN International Organization for Migration (IOM), WHO, UNFPA, and UNHCR to discuss health service delivery in the wake of humanitarian emergencies, and the unique challenges displaced populations face in

receiving adequate health care – from maintaining adherence to critical medicines to routine immunization and malaria commodities.

Location: Restaurante NOM, Rua do Chuindi 45, Maputo, Mozambique

Anticipated Speakers in Attendance: Laura Tomm Bonde, Chief of Mission, IOM; Ahmed Baba Fall, Representative, UNHCR; Severin v. Xylander, Representative, WHO; Marie Laetitia Kayisire, Representative, UN Women

8:00pm – 8:30pm Transit via hired car to hotel

Overnight **Radisson Blu Hotel**
Avenida Marginal 141, Maputo, 1100
+258 (21) 242400

Tuesday, August 13 --- Maputo

Attire: Field Dress/Casual.

6:30am – 7:40am Breakfast at the hotel *(at your leisure)*

7:40am – 8:30am Transit via hired car to Instituto Nacional de Saude (INS)

8:30am – 11:30am **Visit to the Instituto Nacional de Saude (INS)**

The delegation will visit the National Institute of Health (INS) in Mozambique, where they will meet Dr. Eduardo Samo Gudo, the INS Director General, for an introductory meeting and overview. The visit includes a tour of the National Health Reference Laboratory, highlighting malaria, global health security, USG, Global Fund, and UN investments.

The USG has supported INS to enhance its role in public health functions, such as disease surveillance, laboratory diagnosis, outbreak investigation, public health emergency management, and workforce development including the Field Epidemiology Training Program (FETP) to strengthen the capacity of health professionals. The President's Malaria Initiative (PMI) supports the malaria parasitology and entomology labs (including the insectary) and malaria specific FETP residents.

Explain how this trip is specifically connected to the traveler's official or representational duties:

I advise Senator Murphy on health policy, including for his committee assignments on the Health, Education, Labor, and Pensions (HELP) Committee and the Labor, Health and Human Services, Education (LHHS) Subcommittee of Appropriations. This trip is important for understanding the global health work that we fund in Congress and authorize in the HELP Committee. This relates directly to the committees my boss is on and the work that I do for him on those committees.

History of Congressional Travel

UNF sponsors domestic and international Congressional trips to bring staff and Members to key locations and countries to showcase the complementary nature of US-UN programmatic work. Since 2011, past destinations have included Bangladesh, Thailand, Tanzania, Cameroon, Rwanda, Ethiopia, Uganda, Kenya, and Malawi.

Educational Activities

UNF is an advocate for the UN, using partnerships, advocacy, constituency-building, and fundraising to raise awareness about the importance of the UN and UN-supported activities. UNF is a public charity focusing on global health issues, including malnutrition, immunization, maternal and child health, and malaria.

Lobbyist and Foreign Agent Registration Information

Lobbyist Registration Status: *I certify that the sponsor is not a federally registered lobbyist and do not retain or employ a federally registered lobbyist.*

Foreign Agent Registration Status: *I certify that the sponsor is not an agent of a foreign principal and do not retain or employ an agent of a foreign principal.*

Foreign Government Involvement

Foreign Agent Registration Status:

- ● I certify that the sponsor is not a foreign government.
- ● I certify that the sponsor is not an entity that is owned or operated by a foreign government.
- ● I certify that the sponsor does not receive funding from a foreign government.

Purpose and Details

Provide a brief description of the trip.

During the trip, the delegation will travel to Mozambique to observe how the US, the Global Fund to Fight AIDS, Tuberculosis and Malaria, and the UN are working together to eradicate polio and increase child immunization rates, reduce the burden of malaria, and improve access to HIV and TB interventions. This learning trip provides an opportunity for the delegation to learn about impact of bilateral global health programs led by CDC, USAID, the President's Malaria Initiative, and PEPFAR, and multilateral partnerships through UNICEF, WHO, Gavi, the Vaccine Alliance, the Global Polio Eradication Initiative, and the Global Fund in Maputo and Nampula, Mozambique. The delegation will conduct site visits to rural and urban health facilities, national vaccine cold storage, polio campaign monitoring, malaria indoor spraying campaigns, and HIV clinics. Staff will also meet with community health workers, technical experts, public health NGOs, and families benefitting from US investments.

Explain how the purpose of the trip relates to your organization's mission.

The UN Foundation works to educate all Americans, including Members and Staff of the U.S. Congress, on the importance of a strong U.S.-UN relationship, with a particular focus on bilateral and multilateral global health issues such as global immunization, malaria, and child health. Participants will learn how bilateral USAID, CDC, the President's Malaria Initiative, and PEPFAR global health interventions work in complement with, and are amplified by, multilateral UN and Global Fund to Fight AIDS, Tuberculosis, and Malaria global health activities.

Is your organization the only sponsor for this trip?

○ Yes ● No

Describe your organization's role in planning the trip.

UNF and Friends are the two sponsors of this trip, jointly organizing the program and logistics. UNF handles all outreach to congressional staff and is the contact for planning purposes. UN Foundation received a contribution from the Bill & Melinda Gates Foundation (BMGF), which was made with the knowledge that congressional travel generally might be funded. The BMGF has not played any role in organizing the trip, and has not been involved in the selection or invitation of the trip participants.

History of Congressional Travel

August 2022: Congressional learning trip to Mozambique August 2023: Congressional learning trip to Malawi

Educational Activities

Friends of the Global Fight Against AIDS, Tuberculosis and Malaria ("Friends of the Global Fight")is the United States' leading advocate for the Global Fund to Fight AIDS, Tuberculosis and Malaria ("the Global Fund"), a public-private partnership that invests more than $5 billion per year to combat infectious diseases. Friends of the Global Fight educates U.S. policymakers, including Congressional Members and staff, about the Global Fund's mission, its innovative and transparent approach to health funding, and the lifesaving impact of its work. Friends of the Global

Fight provides analysis that helps policymakers understand the value of continued investment in the Global Fund and bilateral health assistance programs like the President's Emergency Plan for AIDS Relief and the President's Malaria Initiative.

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

July 3, 2024

Dear Chelsey,

On behalf of the United Nations Foundation and Friends of the Global Fight Against AIDS, Tuberculosis and Malaria, I am writing to invite you to participate in an educational trip to Mozambique, from August 10-17.

The goal of this trip is to learn how the U.S. government, United Nations, and the Global Fund to Fight AIDS, Tuberculosis and Malaria (Global Fund) are working together to stop infectious diseases like polio and measles, increase child immunization rates, reduce the prevalence and impact of malaria, and improve access to interventions against HIV/AIDS. You will have the opportunity to learn about the impact of bilateral health programs led by USAID, the President's Malaria Initiative, PEPFAR, CDC, and multilateral partnerships through UNICEF, WHO, Gavi, the Vaccine Alliance, and the Global Fund, in the capital city of Maputo and the northern area of Nampula Province.

The trip itinerary will examine three areas of global health threats – vaccine-preventable diseases, malaria, and HIV/AIDS – during five days of high-level meetings with government officials from the Government of Mozambique, the U.S. government, and multilateral partners.

Throughout the trip, you will experience multiple rural and urban site visits encompassing health facilities, national cold storage areas for vaccines and health commodities, routine immunization activities, malaria interventions and treatments, and clinics supporting HIV/AIDS interventions. You will have the opportunity to meet with community health workers, technical experts, public health NGOs, and families who have benefitted from U.S. and UN investments. Trip participants will depart from Washington Dulles International Airport (IAD) on the morning of Saturday, August 10, 2024, and return to IAD on Saturday, August 17, 2024.

I ask that you RSVP to this invitation as soon as possible, and no later than Friday, June 28. I hope you will be able to join this opportunity, as I am confident that learning more about U.S. and UN bilateral and multilateral engagement in strengthening global health will be particularly beneficial to your work in Congress.

Best regards,
Brian Massa

Director, Global Health Advocacy
United Nations Foundation

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

Agenda for UNF/Friends of Global Fight Congressional Learning Trip to Mozambique August 10 - 17, 2024

** All Times Local **
+6 hours from Washington, DC

Saturday, August 10 --- Travel

Attire: Casual.

10:55am	Depart Washington Dulles International Airport (IAD) on Ethiopian #501 *Flight time 13h 15m*

Sunday, August 11 --- Travel/Arrival

Attire: Casual.

7:10am	Arrive Bole Addis Ababa International Airport (ADD)
8:55am	Depart ADD on Ethiopian #819
1:00pm	Arrive Maputo International Airport (MPM)

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

Yari Torres-Mendoza, CDC PMI Resident Advisor; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Adam Wolkon, CDC Branch Chief, Epidemiology & Surveillance; Maria Ines Deus, CDC Branch Chief, Mother & Child Health

9:00am – 9:25am **Meeting with U.S. Ambassador to the Republic of Mozambique, Peter Hendrick Vrooman**

The delegation will have a 25 min courtesy meeting with the U.S. Ambassador Peter Hendrick Vrooman prior to the modified country team meeting.

Location: U.S. Embassy Maputo, Ambassador's Office

Anticipated Speakers in Attendance: Amb. Peter Vrooman; Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director

9:25am – 10:15am **Modified Country Team Meeting**

The delegation participated in a modified country meeting with the Ambassador, Deputy Chief of Mission, State Department, USAID, CDC, PEPFAR, and DOD to discuss how U.S Government investments are helping improve the health of Mozambicans and strengthening the ability to identify and respond to future health threats.

This meeting will help the delegation understand how the U.S., in close collaboration with other partners, is helping Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens.

Location: U.S. Embassy Maputo

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, Family Health Division Chief; Kelly Badiane, HIV, TB, and Health Threats Division Chief; Dulce Nhassico, Maternal and Child

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

Health Team Lead; Salesio Macuacua Specialist in Child Health and Immunization; Abuchahama Saifodine, USAID PMI Resident Advisor; Yari Torres-Mendoza, CDC PMI Resident Advisor; Monica Dea, Global Health Security Advisor; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luis Morfin, CDC Deputy Director; Adam Wolkon, CDC Branch Chief Epidemiology & Surveillance; Larina Konold, State Department, Economic Unit Chief for Environment, Science, Technology & Health; Antonio Langa, DOD HIV/Health Lead

10:15am – 10:45am Transit via hired car to the Mozambique Ministry of Health

10:45am – 11:45am **Meeting with Dr. Armindo Tiago, Minister of Health of Mozambique**

The delegation will meet with the Minister of Health, and related Ministry of Health officials, to discuss how U.S.-UN-Mozambique investments are helping put an end to malaria-related deaths and helping prepare to respond to future health threats. Directors of key technical areas will be in attendance, including immunization and malaria.

This meeting will help the delegation understand how the U.S. and UN, in close collaboration with the Government of Mozambique, are helping Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens.

Location: Ministry of Health, 9th Floor Conference Room

Anticipated Speakers in Attendance: Dr. Armindo Tiago, Minister of Health; Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Maureen Gallagher, Chief of Child Health & Nutrition, UNICEF; Samuel Ojong, Health Manager, UNICEF

11:45am – 12:00pm Transit via hired car to Botanica

12:00pm – 1:30pm **Working Lunch with Mozambique Directors of National Immunization and National Malaria Control Programs**

The delegation will have a working lunch with the Directors of Mozambique's National Immunization Program (PAV) and National

Malaria Control Program. The working lunch is an opportunity for the delegation to ask technical questions about the new collaboration between the two programs as Mozambique rolls out the malaria vaccines.

Location: Botanica, 148 Rua Kibiriti Diwane, Maputo, Mozambique

Anticipated Speakers in Attendance: Emily Hillman, Family Health Division Chief; Dulce Nhassico, Maternal and Child Health Team Lead; Salesio Macuacua Specialist in Child Health and Immunization; Abuchahama Saifodine, USAID PMI Resident Advisor; Yari Torres-Mendoza, CDC PMI Resident Advisor; Jolene Nakao, CDC Associate Director, GHS & Public Health Emergency Response; Baltazar Candrinho, Director, National Malaria Control Program; Dr. Manuel Novela, Manager, Expanded Program on Immunization (aka Programa Alargado de Vacinacao, PAV); Esmeralda Karegeanes, Health/Immunization Specialist, UNICEF; Samuel Ojong, Health Manager, UNICEF

1:30pm – 1:45pm Transit via hired car to Ministry of Agriculture

1:45pm – 2:35pm **Meeting with Dr. Celso Ismael Correia, Minister of Agriculture and Rural Development of Mozambique**

The delegation will meet with the Minister of Agriculture and Rural Development, to discuss how U.S-Mozambique investments are helping to prevent, prepare, and respond to infectious diseases and achieve the core capacities required by the International Health Regulations. Directors of key technical areas will be in attendance.

Location: Ministry of Agriculture and Rural Development

Anticipated Speakers in Attendance: Dr. Celso Correia, Minister; Jolene Nakao, CDC Associate Director GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Kelly Badiane, HIV, TB, and Health Threats Division Chief; Monica Dea, Global Health Security Advisor; Lara Machuama, Nutrition Specialist, UNICEF; Maureen Gallager, Chief of Health & Nutrition Section

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

2:35pm – 3:00pm Transit time via hired car

3:00pm – 4:00pm **UN Country Team Overview**

The delegation will meet with WHO Country Representative, UNICEF Country representative, and UNAIDS Country Representative, for an overview of the UN portfolio in Mozambique and their work in immunization, malaria, and global health security.

Location: UNICEF Office., Av Zimbabwe 1440

Anticipated Speakers in Attendance: Tomas Valdez, World Health Organization; Benilde Soares Health Specialist, UNICEF; Michela Romanelli, Health System strengthening Specialist, UNICEF; Maureen Gallagher, Chief of Health & Nutrition, UNICEF; Michel Kouakou, Country Director, UNAIDS; Marilena Urso (SRHR Technical Specialist), UNFPA; Luis Vedor, Healthcare Infrastrucure Specialist, UNHabitat; Wild do Rosario, Health Portfolio, UNDP; Antonio Capote, Health Portfolio, UNDP; Satar Tashbid, Health Portfolio OIC, OIM; Maria Salazar, Country Director, UNOPS

4:00pm – 4:15pm Transit time via hired car to hotel

4:15pm – 5:30pm Executive Time

5:30pm – 6:00pm Transit via hired car to Restaurante NOM

6:00pm – 8:00pm **Working Dinner with IOM, UNHCR, WHO, UN Women**
Due to the country's geography, Mozambique is highly exposed to severe weather-related events – including cyclones and flooding. Most recently, in early 2023, the country was hit twice by the same Tropical Cyclone Freddy, affecting 10 of 11 provinces, triggering health crises, spikes in water-borne diseases, and displacing nearly 200,000 individuals.

The delegation will have a working dinner with representatives from the UN International Organization for Migration (IOM), WHO, UNFPA, and UNHCR to discuss health service delivery in the wake of humanitarian emergencies, and the unique challenges displaced populations face in

receiving adequate health care – from maintaining adherence to critical medicines to routine immunization and malaria commodities.

Location: Restaurante NOM, Rua do Chuindi 45, Maputo, Mozambique

Anticipated Speakers in Attendance: Laura Tomm Bonde, Chief of Mission, IOM; Ahmed Baba Fall, Representative, UNHCR; Severin v. Xylander, Representative, WHO; Marie Laetitia Kayisire, Representative, UN Women

8:00pm – 8:30pm Transit via hired car to hotel

Overnight **Radisson Blu Hotel**
Avenida Marginal 141, Maputo, 1100
+258 (21) 242400

Tuesday, August 13 --- Maputo

Attire: Field Dress/Casual.

6:30am – 7:40am Breakfast at the hotel *(at your leisure)*

7:40am – 8:30am Transit via hired car to Instituto Nacional de Saude (INS)

8:30am – 11:30am **Visit to the Instituto Nacional de Saude (INS)**

The delegation will visit the National Institute of Health (INS) in Mozambique, where they will meet Dr. Eduardo Samo Gudo, the INS Director General, for an introductory meeting and overview. The visit includes a tour of the National Health Reference Laboratory, highlighting malaria, global health security, USG, Global Fund, and UN investments.

The USG has supported INS to enhance its role in public health functions, such as disease surveillance, laboratory diagnosis, outbreak investigation, public health emergency management, and workforce development including the Field Epidemiology Training Program (FETP) to strengthen the capacity of health professionals. The President's Malaria Initiative (PMI) supports the malaria parasitology and entomology labs (including the insectary) and malaria specific FETP residents.

The delegation will also learn about INS's work on the health effects of climate change. Additionally, INS receives funding from the Global Fund to support community surveillance activities and lab systems through SIS-COVE, complementing the U.S. Government's investment. The visit will underscore U.S. support for Mozambique's health security and highlight capacity-building efforts in the national health system.

Location: INS

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director GHS & Public Health Response; Yari Torres-Mendoza, CDC PMI Resident Advisor; Abuchahama Saifodine, PMI Resident Advisor; Kelly Badiane, USAID HIV, TB and Health Security Division Chief; Monica Dea, USAID Global Health Security Advisor; Adam Wolkon, CDC Epidemiology & Surveillance Branch Chief

11:30am – 12:20pm Transit time via hired car

12:20pm – 2:00pm **Working Lunch with Global Fund Implementing Partners**
The delegation will have a working lunch with civil society organizations implementing HIV, TB, and malaria interventions to understand challenges and opportunities on the ground and perspectives from local partners.

Location: Radisson Blu Hotel

Anticipated Speakers in Attendance: Maria Carolina Silva, Country Director, World Vision Mozambique; Jason Befus, Resource Mobilization Director, World Vision Mozambique; Celso Varinde, Executive Director, Center for Collaboration in Health; Laison Daniel, Technical Director, Center for Collaboration in Health; Fredi Fombe, Monitoring & Evaluation Officer, Fundacao para o Desenvolvimento da Comunidade (FDC)

2:00pm – 2:30pm Coffee break; transition to second conference room at hotel

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT AGAINST AIDS, TUBERCULOSIS AND MALARIA

2:30pm – 4:00pm **Vaccination campaign micro-planning table-top exercise**

The delegation will participate in a table-top exercise aiming to simulate what it takes to develop a vaccination campaign micro-plan (based around polio outbreak response) and challenge them to create their own plan that leverages limited resources to reach the maximum number of children in a community. The microplan is an important tool for healthcare planning and service delivery. It identifies population location and helps with the rationalization of team workload in the delivery of immunization services. During this exercise, the delegation also will hear an overview of what a microplan is and how it has been used from experts working in Mozambique to develop/implement these plans along with local health care workers.

Location: Radisson Blu Hotel

Anticipated Speakers in Attendance: Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Adam Wolkon, CDC Branch Chief, Epidemiology & Surveillance; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, Global Immunization Division (GID), Global Health Center (GHC); Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor; Esmeralda Karegeanes, Health/Immunization Specialist, UNICEF; Jean-Marcus, Polio Coordinator, UNICEF

4:00pm – 5:30pm **Executive Time**

5:30pm – 6:00pm Transit via hired car to SALT

6:00pm – 7:30pm **Delegation Dinner**

The delegation will have an early dinner as a group in preparation for early morning departure.

Location: SALT, Maputo
Avenida De Marginal – Jardim Centenario

Overnight	Radisson Blu Hotel Avenida Marginal 141, Maputo, 1100 +258 (21) 242400

Wednesday, August 14 – Nampula

Attire: Field Dress/Casual.

5:00am – 5:15am	Transit via hired car to MPM
5:15am	Check in for flight; security
6:10am	**Depart MPM for Nampula on LAM Flight #TM 150** *2h 10m*
8:20am	Arrive Nampula Airport (APL)
8:50am – 9:00am	Transit via hired car to Grand Plaza Nampula Hotel
9:00am – 10:00am	**Check in; Breakfast at Hotel** Rua da Mueda Bairro Urbano, Nampula 1111 *Met by Manuel Ngovene* +258 26 215 757
10:00am – 10:15am	Transit via hired car to Provincial Health Services Offices
10:15am – 11:15am	**Courtesy meeting with the Provincial Health Services and the Provincial Health Directorates** The delegation will meet with Provincial Health Authority leadership to understand how the U.S., in close collaboration with the Government of Nampula, is helping Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens. Nampula Province is located in northern Mozambique and is the most populous province with over 6.6 million inhabitants. Agriculture is key for the economy of Nampula with major crops including cashew nuts, cotton, corn, and cassava. The USG investments in health include but are not

limited to malaria, immunization, and health security, supporting a resilient health system for Mozambique. Nampula has the second highest incidence of malaria in the country. In 2023 there were 2.4 million cases of malaria reported. Despite the improvements in vaccine coverage Mozambique reported 204,863 zero dose children in 2023. Nampula province has the highest number of zero-dose children at 46,069. According to the 2022–2023 Demographic Health Survey only 25% of children in Nampula under 2 years old are fully vaccinated with basic antigens. In recent years, Nampula Province has faced outbreaks of numerous diseases, including polio, cholera, measles, and COVID-19. With USG support, ongoing efforts continue in rapid disease detection to and response to polio with five cases of vaccine-derived poliovirus type 2 detected since 2021 and cholera with 5,622 cases and 15 deaths recorded since October 1, 2023.

Location: V7G6+QFH, Nampula, Mozambique

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Raju Lourenco, USAID Provincial Advisor; Vasconcelos Muetequelane, Health & Nutrition Specialist, UNICEF

11:15am – 11:45am Transit via hired car

11:45am – 12:30pm **Visit to a Polio Environmental Sample Collection Site + AMOSTRA**

Observation and interaction with public health officers as they demonstrate environmental sampling to test for polio and discuss the polio environmental surveillance platform as an asset to refine polio response activities on the ground, disease detection and national health security. The delegation will also have an opportunity to see the project AMOSTRA.

AMOSTRA is funded through multiple technical areas (PEPFAR, TB, GHS) to transport samples (and results) from health facilities to reference laboratories, ensuring that samples are effectively transported from collection sites to testing labs in a timely and safe manner, assuring the

quality of samples during transport. AMOSTRA also returns physical test results, where available and necessary, back to the collection sites.

Location: Ponto de Bairro Central

Anticipated Speakers in Attendance: Luciana Flannery, CDC Polio Expert, Polio Eradication Branch, Global Immunization Division, Global Health Center; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

12:30pm – 1:00pm Boxed-lunch while in transit to CMAM Regional Medical Warehouse via hired car

1:00pm – 2:15pm **Visit and Tour of Central de Medicamentos e Artigos Medicos (Central Medical Stores) Nampula Regional Medical Warehouse**

The delegation will meet with Dr. Maria Etelvina, Head of the Nampula Regional Warehouse for a guided visit through the warehouse and see first-hand the $7.9 million USG investment made to improve the availability and distribution of medical supplies in Nampula, Cabo Delgado, Niassa, and Zambezia.

The USG supported the construction of the Nampula regional warehouse, which is owned and operated by the Mozambican Government through CMAM. This is the second largest warehouse for health commodities in the country. This meeting will help the delegation understand how the U.S., in close collaboration with the Government of Nampula, is helping Mozambique build a healthier, more secure, and more prosperous country for all citizens by strengthening its supply chain system.

Global Fund is also working on a project to develop a second regional warehouse to mitigate supply and demand constraints and improve health commodity access.

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT AGAINST AIDS, TUBERCULOSIS AND MALARIA

Location: CMAM, Bairro de Murapaniua, Nampula

Anticipated Speakers in Attendance: Dr. Maria Etelvina, Head of the Nampula Regional Warehouse; Lucilo Williams, CMAM Pharmacy Director; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

2:15pm – 2:45pm Transit via hired car

2:45pm – 3:45pm **PIRCOM Community Dialogue Visit**

PIRCOM is an inter-religious organization that promotes health prevention messages and does advocacy for health issues in Mozambique - malaria, HIV, family planning, maternal and child health, nutrition and health security. It is supported by USG and Global Fund.

The delegation will attend a PIRCOM community dialogue at the Rapale Community and observe the interaction between the religious leader and the community members. The delegation will also have the opportunity to ask questions.

Anticipated Speakers in Attendance: Yari Torres-Mendoza, CDC/PMI; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

3:45pm – 4:15pm Transit via hired car

4:15pm – 5:00pm **Tour of a Community Radio in Nampula City**

The delegation will visit a community radio supported via the local organization h2n and learn about the key role community radios play in promotion of health messages and dissemination of important information during emergency response. H2n is a local organization supported by the PMI project Fighting Malaria with Social and Behavioral Change (SBC), as well as other USG projects, and provides technical assistance to community radios such as this one. The community radio promotes health prevention messages (e.g., emergency response, malaria and nutrition) to communities via radio spots and debates. The delegation will be able to appreciate that community radios are a voice for the communities and a primary source of information. In addition, Global Fund provides significant support for community radios, a primary means of communication during severe weather disasters.

Location: Nampula City

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

9:45am – 10:00am Transit via hired car to the Nacavala Community

10:0am – 12:30pm **Visit to the Nacavala Community to observe a Mobile Brigade, which includes immunization services**

The delegation will have the opportunity to observe first hand the implementation of a vaccine mobile brigade. The delegation will be able to speak with vaccinators about the recent vaccine campaigns and engage with community members. The delegation will interact with Community Health Workers to learn about Up-Scale, PIN programs. The Community Health Workers will also be available to share with the delegation what a typical day looks like and answer any questions. The Community Health Workers in Mozambique promote routine immunization, refer community members to health facilities, and test and treat some diseases like malaria.

Location: Nacavala Community

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Emergency; Lucians Flannery, CDC Polio Expert, GID/GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, Family Health Division; Yari Torres-Mendoza PMI Resident Advisor; Ossufo Namicano, Health Officer, UNICEF; Benilde Soares, Health Specialist, UNICEF

12:30pm – 1:00pm Boxed lunch & Transit via hired car to Nacavala Health Facility

1:00pm – 3:00pm **Visit to Nacavala's Health Center**

The delegation will visit the Nacavala District Health Facility (HF). The Health Facility Director, Ofélia Gracinda Diogo, will receive the delegation and provide a brief overview of the HF and a walking visit. Visitors will see where different services are provided within the facility and be able to talk to health care workers providing these services including malaria diagnosis and treatment, immunization services and

PEPFAR supported HIV Prevention of Mother to Child Transmission and Pediatric Treatment services. The HF visit will illustrate how different U.S. Government supported initiatives and programs come together to improve Mother and Child Health Care. The delegation will hear how U.S. Government investments are complementary and coordinated with Global Fund's support.

This visit will serve to underscore the USG and UN commitment to support Mozambique's national health goals in Nampula province and Nacavala district in the area of malaria, immunization and see the demand for health care in the peripheral area of Nampula province.

Location: Nacavala Health Center

*Anticipated Speakers in Attendance: Eduarda Pimentel de Gusmao, ICAP/Columbia University Country Director; Helder Macul, ICAP/Columbia University Deputy Director; **Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Yari Torres-Mendoza, CDC PMI Resident Advisor; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Health Office Director; Emily Hillman, USAID Family Health Division Chief;** Salesio Macuacua, USAID Specialist in Child Health and Immunization; Ossufo Namicano, Health Officer, UNICEF; Benilde Soares, Health Specialist, UNICEF*

9:00am – 10:30am	**Site Visit with Colaboração em Saúde (CCS) to Global Fund support TB services at Xipamanine Health Center, Maputo City** CCS is the primary funding recipient for the Global Fund TB Grant. Maputo City Health Authorities (SPS) will greet and welcome the delegation at the site. Health care providers and CCS staff will show where TB patients receive services in the facility and respond to questions from the delegation. CCS is also receiving some PEPFAR funding for support for clinical services in Maputo City, including for People Living with HIV that are co-infected with TB, and can respond to questions and discuss how the Global Fund, the Government of Mozambique, and health partners in Mozambique are working together to fight TB and build a resilient and sustainable health system in Mozambique. The site visit will allow the delegation to understand how Global Fund grants for the 2023-2025 implementation period are helping to expand access to community TB case finding in priority districts in the country. With the U.S. being the largest contributor to the Global Fund, this will

also be a valuable opportunity for the delegation to see the impact of U.S. investment across different platforms including PEPFAR.

The delegation will have the opportunity to engage with the USAID and CDC health teams, learn about the Mozambique Mission health portfolio and how USG collaborates with Global Fund and other partners. During this time, we will review the agenda for the week and clarify any outstanding questions.

Location: U.S. Embassy Maputo, MPR

Anticipated Speakers in Attendance: Ritu Singh USAID Integrated Health Office Director; Emily Hillman, Family Health Division Chief; Kelly Badiane, HIV, TB, and Health Threats Division Chief; Monia Dea, Global Health Security Advisor; Dulce Nhassico, Maternal and Child Health Team Lead; Salesio Macuacua Specialist in Child Health and Immunization; Abuchahama Saifodine, USAID PMI Resident Advisor;

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

Yari Torres-Mendoza, CDC PMI Resident Advisor; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Adam Wolkon, CDC Branch Chief, Epidemiology & Surveillance; Maria Ines Deus, CDC Branch Chief, Mother & Child Health

9:00am – 9:25am **Meeting with U.S. Ambassador to the Republic of Mozambique, Peter Hendrick Vrooman**

The delegation will have a 25 min courtesy meeting with the U.S. Ambassador Peter Hendrick Vrooman prior to the modified country team meeting.

Location: U.S. Embassy Maputo, Ambassador's Office

Anticipated Speakers in Attendance: Amb. Peter Vrooman; Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director

9:25am – 10:15am **Modified Country Team Meeting**

The delegation participated in a modified country meeting with the Ambassador, Deputy Chief of Mission, State Department, USAID, CDC, PEPFAR, and DOD to discuss how U.S Government investments are helping improve the health of Mozambicans and strengthening the ability to identify and respond to future health threats.

This meeting will help the delegation understand how the U.S., in close collaboration with other partners, is helping Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens.

Location: U.S. Embassy Maputo

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, Family Health Division Chief; Kelly Badiane, HIV, TB, and Health Threats Division Chief; Dulce Nhassico, Maternal and Child

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT AGAINST AIDS, TUBERCULOSIS AND MALARIA

The delegation will also learn about INS's work on the health effects of climate change. Additionally, INS receives funding from the Global Fund to support community surveillance activities and lab systems through SIS-COVE, complementing the U.S. Government's investment. The visit will underscore U.S. support for Mozambique's health security and highlight capacity-building efforts in the national health system.

Location: INS

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director GHS & Public Health Response; Yari Torres-Mendoza, CDC PMI Resident Advisor; Abuchahama Saifodine, PMI Resident Advisor; Kelly Badiane, USAID HIV, TB and Health Security Division Chief; Monica Dea, USAID Global Health Security Advisor; Adam Wolkon, CDC Epidemiology & Surveillance Branch Chief

11:30am – 12:20pm Transit time via hired car

12:20pm – 2:00pm **Working Lunch with Global Fund Implementing Partners**
The delegation will have a working lunch with civil society organizations implementing HIV, TB, and malaria interventions to understand challenges and opportunities on the ground and perspectives from local partners.

Location: Radisson Blu Hotel

Anticipated Speakers in Attendance: Maria Carolina Silva, Country Director, World Vision Mozambique; Jason Befus, Resource Mobilization Director, World Vision Mozambique; Celso Varinde, Executive Director, Center for Collaboration in Health; Laison Daniel, Technical Director, Center for Collaboration in Health; Fredi Fombe, Monitoring & Evaluation Officer, Fundacao para o Desenvolvimento da Comunidade (FDC)

2:00pm – 2:30pm Coffee break; transition to second conference room at hotel

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

2:30pm – 4:00pm **Vaccination campaign micro-planning table-top exercise**

The delegation will participate in a table-top exercise aiming to simulate what it takes to develop a vaccination campaign micro-plan (based around polio outbreak response) and challenge them to create their own plan that leverages limited resources to reach the maximum number of children in a community. The microplan is an important tool for healthcare planning and service delivery. It identifies population location and helps with the rationalization of team workload in the delivery of immunization services. During this exercise, the delegation also will hear an overview of what a microplan is and how it has been used from experts working in Mozambique to develop/implement these plans along with local health care workers.

Location: Radisson Blu Hotel

Anticipated Speakers in Attendance: Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Adam Wolkon, CDC Branch Chief, Epidemiology & Surveillance; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, Global Immunization Division (GID), Global Health Center (GHC); Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor; Esmeralda Karegeanes, Health/Immunization Specialist, UNICEF; Jean-Marcus, Polio Coordinator, UNICEF

4:00pm – 5:30pm **Executive Time**

5:30pm – 6:00pm Transit via hired car to SALT

6:00pm – 7:30pm **Delegation Dinner**

The delegation will have an early dinner as a group in preparation for early morning departure.

Location: SALT, Maputo
Avenida De Marginal – Jardim Centenario

Overnight	Radisson Blu Hotel Avenida Marginal 141, Maputo, 1100 +258 (21) 242400

Wednesday, August 14 – Nampula

Attire: Field Dress/Casual.

5:00am – 5:15am	Transit via hired car to MPM
5:15am	Check in for flight; security
6:10am	**Depart MPM for Nampula on LAM Flight #TM 150** *2h 10m*
8:20am	Arrive Nampula Airport (APL)
8:50am – 9:00am	Transit via hired car to Grand Plaza Nampula Hotel
9:00am – 10:00am	**Check in; Breakfast at Hotel** Rua da Mueda Bairro Urbano, Nampula 1111 *Met by Manuel Ngovene* +258 26 215 757
10:00am – 10:15am	Transit via hired car to Provincial Health Services Offices
10:15am – 11:15am	**Courtesy meeting with the Provincial Health Services and the Provincial Health Directorates** The delegation will meet with Provincial Health Authority leadership to understand how the U.S., in close collaboration with the Government of Nampula, is helping Mozambique build a healthier, more secure, more democratic, and more prosperous country for all citizens. Nampula Province is located in northern Mozambique and is the most populous province with over 6.6 million inhabitants. Agriculture is key for the economy of Nampula with major crops including cashew nuts, cotton, corn, and cassava. The USG investments in health include but are not

limited to malaria, immunization, and health security, supporting a resilient health system for Mozambique. Nampula has the second highest incidence of malaria in the country. In 2023 there were 2.4 million cases of malaria reported. Despite the improvements in vaccine coverage Mozambique reported 204,863 zero dose children in 2023. Nampula province has the highest number of zero-dose children at 46,069. According to the 2022–2023 Demographic Health Survey only 25% of children in Nampula under 2 years old are fully vaccinated with basic antigens. In recent years, Nampula Province has faced outbreaks of numerous diseases, including polio, cholera, measles, and COVID-19. With USG support, ongoing efforts continue in rapid disease detection to and response to polio with five cases of vaccine-derived poliovirus type 2 detected since 2021 and cholera with 5,622 cases and 15 deaths recorded since October 1, 2023.

Location: V7G6+QFH, Nampula, Mozambique

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Ritu Singh, USAID Integrated Health Office Director; Raju Lourenco, USAID Provincial Advisor; Vasconcelos Muetequelane, Health & Nutrition Specialist, UNICEF

11:15am – 11:45am Transit via hired car

11:45am – 12:30pm **Visit to a Polio Environmental Sample Collection Site + AMOSTRA**

Observation and interaction with public health officers as they demonstrate environmental sampling to test for polio and discuss the polio environmental surveillance platform as an asset to refine polio response activities on the ground, disease detection and national health security. The delegation will also have an opportunity to see the project AMOSTRA.

AMOSTRA is funded through multiple technical areas (PEPFAR, TB, GHS) to transport samples (and results) from health facilities to reference laboratories, ensuring that samples are effectively transported from collection sites to testing labs in a timely and safe manner, assuring the

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

quality of samples during transport. AMOSTRA also returns physical test results, where available and necessary, back to the collection sites.

Location: Ponto de Bairro Central

Anticipated Speakers in Attendance: Luciana Flannery, CDC Polio Expert, Polio Eradication Branch, Global Immunization Division, Global Health Center; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

12:30pm – 1:00pm Boxed-lunch while in transit to CMAM Regional Medical Warehouse via hired car

1:00pm – 2:15pm **Visit and Tour of Central de Medicamentos e Artigos Medicos (Central Medical Stores) Nampula Regional Medical Warehouse**

The delegation will meet with Dr. Maria Etelvina, Head of the Nampula Regional Warehouse for a guided visit through the warehouse and see first-hand the $7.9 million USG investment made to improve the availability and distribution of medical supplies in Nampula, Cabo Delgado, Niassa, and Zambezia.

The USG supported the construction of the Nampula regional warehouse, which is owned and operated by the Mozambican Government through CMAM. This is the second largest warehouse for health commodities in the country. This meeting will help the delegation understand how the U.S., in close collaboration with the Government of Nampula, is helping Mozambique build a healthier, more secure, and more prosperous country for all citizens by strengthening its supply chain system.

Global Fund is also working on a project to develop a second regional warehouse to mitigate supply and demand constraints and improve health commodity access.

0000000008120 RECEIVED BY: SECRETARY OF THE SENATE Date: September 16, 2024

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT | AGAINST AIDS, TUBERCULOSIS AND MALARIA

Location: CMAM, Bairro de Murapaniua, Nampula

Anticipated Speakers in Attendance: Dr. Maria Etelvina, Head of the Nampula Regional Warehouse; Lucilo Williams, CMAM Pharmacy Director; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

2:15pm – 2:45pm Transit via hired car

2:45pm – 3:45pm **PIRCOM Community Dialogue Visit**

PIRCOM is an inter-religious organization that promotes health prevention messages and does advocacy for health issues in Mozambique - malaria, HIV, family planning, maternal and child health, nutrition and health security. It is supported by USG and Global Fund.

The delegation will attend a PIRCOM community dialogue at the Rapale Community and observe the interaction between the religious leader and the community members. The delegation will also have the opportunity to ask questions.

Anticipated Speakers in Attendance: Yari Torres-Mendoza, CDC/PMI; Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

3:45pm – 4:15pm Transit via hired car

4:15pm – 5:00pm **Tour of a Community Radio in Nampula City**

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT AGAINST AIDS, TUBERCULOSIS AND MALARIA

The delegation will visit a community radio supported via the local organization h2n and learn about the key role community radios play in promotion of health messages and dissemination of important information during emergency response. H2n is a local organization supported by the PMI project Fighting Malaria with Social and Behavioral Change (SBC), as well as other USG projects, and provides technical assistance to community radios such as this one. The community radio promotes health prevention messages (e.g., emergency response, malaria and nutrition) to communities via radio spots and debates. The delegation will be able to appreciate that community radios are a voice for the communities and a primary source of information. In addition, Global Fund provides significant support for community radios, a primary means of communication during severe weather disasters.

Location: Nampula City

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Response; Luciana Flannery, CDC HQ Polio Expert, Polio Eradication Branch, GID, GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, USAID Family Health Division Chief; Salesio Macuacua, USAID Specialist in Child Health and Immunization; Monica Dea, USAID Global Health Security Advisor

Mendoza PMI CDC Resident Advisor; Ossufo Namicano, Health Officer, UNICEF; Benilde Soares, Health Specialist, UNICEF

9:45am – 10:00am Transit via hired car to the Nacavala Community

10:0am – 12:30pm **Visit to the Nacavala Community to observe a Mobile Brigade, which includes immunization services**

The delegation will have the opportunity to observe first hand the implementation of a vaccine mobile brigade. The delegation will be able to speak with vaccinators about the recent vaccine campaigns and engage with community members. The delegation will interact with Community Health Workers to learn about Up-Scale, PIN programs. The Community Health Workers will also be available to share with the delegation what a typical day looks like and answer any questions. The Community Health Workers in Mozambique promote routine immunization, refer community members to health facilities, and test and treat some diseases like malaria.

Location: Nacavala Community

Anticipated Speakers in Attendance: Irene Benech, CDC Country Director; Jolene Nakao, CDC Associate Director, GHS & Public Health Emergency; Lucians Flannery, CDC Polio Expert, GID/GHC; Arlete Tamele Mahumane, CDC Pediatric Treatment Advisor; Ritu Singh, USAID Integrated Health Office Director; Emily Hillman, Family Health Division; Yari Torres-Mendoza PMI Resident Advisor; Ossufo Namicano, Health Officer, UNICEF; Benilde Soares, Health Specialist, UNICEF

12:30pm – 1:00pm Boxed lunch & Transit via hired car to Nacavala Health Facility

1:00pm – 3:00pm **Visit to Nacavala's Health Center**

The delegation will visit the Nacavala District Health Facility (HF). The Health Facility Director, Ofélia Gracinda Diogo, will receive the delegation and provide a brief overview of the HF and a walking visit. Visitors will see where different services are provided within the facility and be able to talk to health care workers providing these services including malaria diagnosis and treatment, immunization services and

UNITED NATIONS FOUNDATION

FRIENDS OF THE GLOBAL FIGHT AGAINST AIDS, TUBERCULOSIS AND MALARIA

PEPFAR supported HIV Prevention of Mother to Child Transmission and Pediatric Treatment services. The HF visit will illustrate how different U.S. Government supported initiatives and programs come together to improve Mother and Child Health Care. The delegation will hear how U.S. Government investments are complementary and coordinated with Global Fund's support.

This visit will serve to underscore the USG and UN commitment to support Mozambique's national health goals in Nampula province and Nacavala district in the area of malaria, immunization and see the demand for health care in the peripheral area of Nampula province.

Location: Nacavala Health Center

9:00am – 10:30am	**Site Visit with Colaboração em Saúde (CCS) to Global Fund support TB services at Xipamanine Health Center, Maputo City** CCS is the primary funding recipient for the Global Fund TB Grant. Maputo City Health Authorities (SPS) will greet and welcome the delegation at the site. Health care providers and CCS staff will show where TB patients receive services in the facility and respond to questions from the delegation. CCS is also receiving some PEPFAR funding for support for clinical services in Maputo City, including for People Living with HIV that are co-infected with TB, and can respond to questions and discuss how the Global Fund, the Government of Mozambique, and health partners in Mozambique are working together to fight TB and build a resilient and sustainable health system in Mozambique. The site visit will allow the delegation to understand how Global Fund grants for the 2023-2025 implementation period are helping to expand access to community TB case finding in priority districts in the country. With the U.S. being the largest contributor to the Global Fund, this will

also be a valuable opportunity for the delegation to see the impact of U.S. investment across different platforms including PEPFAR.
