SELECT COMMITTEE ON ETHICS

August 19, 2025

Troy Dougall
Office of Senator John R. Curtis
United States Senate
Washington, DC 20510

Dear Mr. Dougall:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to the *Eurasia Center Congressional Fellowship Program* in Warsaw, Poland and Kyiv, Ukraine, on August 23-29, 2025, sponsored by the Atlantic Council. Provided that you adhere to the guidance set forth below, it appears that it is permissible for you to accept necessary expenses from the Atlantic Council in connection with this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.¹ You are employed as a National Security Advisor in the Office of Senator John R. Curtis. The Atlantic Council invited you to travel to the *Eurasia Center Congressional Fellowship Program* in Warsaw, Poland and Kyiv, Ukraine, on August 23-29, 2025. The Atlantic Council certified to the Committee that it will pay the necessary expenses² related to the travel and that it is neither a lobbyist, lobbying firm, agent of a foreign principal, or otherwise acting as a representative or agent of a foreign government. The Atlantic Council has also certified that it does not retain or employ a registered lobbyist or agent of a foreign principal and that no registered lobbyist or agent of a foreign principal will accompany you at any point throughout your trip.³

Discussion

Privately sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's

official Senate duties. Incorporating reforms from the Honest Leadership and Open Government Act of 2007 (HLOGA), Pub. L. 110-81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately Sponsored Travel (Travel Regulations)*. The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Entities that do not retain or employ a lobbyist or foreign agent and all non-profit organizations designated as tax-exempt organizations under § 501(c)(3) of the Internal Revenue Code of 1986, regardless of whether they retain or employ a lobbyist or foreign agent, may sponsor foreign trips for up to seven days. The seven-day limitation means seven 24-hour periods, calculated from the time of arrival in the trip location to the time of departure from the trip location. For such trips, neither lobbyists nor foreign agents may accompany a Senate invitee at any point throughout the trip, other than in a *de minimis* way.⁴ This means that neither lobbyists nor foreign agents may accompany Senate invitees at any point to and from the event, at the event itself, or at the location being visited.⁵

The Committee has determined that § 501(c)(3) non-profit organizations that are classified as private foundations, as opposed to public charities, may not pay for transportation from the United States to a foreign country.⁶ However, the Atlantic Council represented to the Committee that it is a § 501(c)(3) public charity, as opposed to a private foundation, pursuant to the Internal Revenue Code.⁷

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form*, and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately Sponsored Travel.**

Consistent with these standards, Committee precedent, and the Atlantic Council's factual representations, it appears that it is permissible for you to accept necessary expenses from the

⁴ The term "*de minimis*" has a specific definition. See *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 6-8.

⁵ See *Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 6-10.

⁶ See 26 U.S.C. § 4941 et seq. Section 501(c)(3) of the Internal Revenue Code broadly defines non-profit, charitable, tax-exempt organizations. These § 501(c)(3) organizations are then further defined or designated as "public charities" and "private foundations."

Atlantic Council in connection with this trip, provided that the actual travel and travel-related expenses conform to the information and materials you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

Please be advised that the United States Constitution prohibits the acceptance of any gift, including a meal, from a foreign government without the consent of Congress. In the Foreign Gifts and Decorations Act (FGDA), Congress consented to the acceptance by federal government officials of: (1) gifts of minimal value and (2) travel or the expenses for travel taking place entirely outside the United States, from a foreign government (which includes those acting as a representative or agent of a foreign government).⁸ The Senate has defined minimal value as \$100 or less. Further, pursuant to FGDA, there are certain reporting and procedural requirements that are imposed upon Members, officers, and employees who accept gifts from a foreign government. Please review the Committee's "Dear Colleague" letter of January 11, 2019, setting forth the items to be included in filing that report.

Finally, Senate Rule 34 requires a reporting individual⁹ on their financial disclosure report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed \$480 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their financial disclosure report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director
