Were there any changes to the pre-approved itinerary?

☒ Yes ☐ No

Explanation: The pre-travel itinerary for March 17 at 5:00 PM planned for a tour of the Sheba Medical Center. The tour was cancelled due to an unscheduled meeting with a notable doctor regarding the work doctors are doing related to mental health addictions, including discussions of the substance abuse clinics in Israel and the mental health challenges Israelis face today (5:00 PM – 7:00 PM). The pre-travel itinerary for March 18 planned for breakfast at the hotel at 7:00 AM, that breakfast ended up being a substantive meeting with Jewish students who relayed stories of experiencing antisemitism of campus in the wake of October 7, 2023, as well as a volunteer medic that shared stories from the front lines in Gaza and discussed coping with the mental stress of war. The pre-travel itinerary for March 18 at 8:00 AM planned for a helicopter trip, that trip ended up including a substantive briefing en-route from members of the IDF. The pre-travel itinerary for March 18 at 11:45 AM planned for a visit of an IDF Iron Dome battery. That visit was cancelled due to security concerns (moved to March 19 at 9:30 AM). The pre-travel itinerary for March 18 planned for dinner at 8:30 PM, that dinner ended up being a substantive meeting with Relief Resources' executive leadership team regarding current activities in Israel and efforts to connect mental health professionals to clients. The pre-travel itinerary for March 19 at 10:00 AM planned for a tour of IDF Base Nahal Oz. The tour was cancelled because the base was closed to outsiders due to preparation for units to return to Gaza. The pre-travel itinerary for March 19 at 12:15 PM planned for a 15 minute visit to the Nova Festival site. That visit went for 60 minutes. The pre-travel itinerary for March 19 at 12:30 PM planned for a tour of IDF Base Julius. The tour was cancelled because the base was closed to outsiders due to preparation for units to return to Gaza. The BBQ lunch and tour of the Yahalom Unit HQ were cancelled for the same reason. The pre-travel itinerary for March 19 at 6:00 PM planned for a 60 minute meeting with Prime Minister Benjamin Netanyahu, that meeting went for 90 minutes. The pre-travel itinerary for March 20 planned for a visit of Mount Herzl at 2:00 PM, a visit of the National Library of Israel at 4:00 PM, a visit of the City of David at 5:30 PM, and a closing dinner with Israeli officials at 8:00 PM. These visits were cancelled due to the Tzevah Adom (Red Alerts) caused by incoming missiles fired at Jerusalem. Instead, travelers met with Foreign Minister Gideon Saar at the Foreign Ministry (originally scheduled for 12:30 PM, moved to 2:00 PM) and visited the Old City of Jerusalem and the Western Wall (originally scheduled for 7:00 PM, moved to 4:30 PM).

Cabelle St. John
Senior Advisor to Senator John Fetterman
United States Senate
393 Russell Senate Office Building
Washington, DC 20510

Dear Ms. St. John,

On behalf of *Relief Resources*, we are honored to extend an invitation for you to join Senator John Fetterman and his wife, Gisele, on a proposed Fact-Finding Mission to Israel, scheduled for March 16-21, 2024. This educational delegation will focus on Israel's response to the mental health crisis following the October 7th terrorist attacks and the ongoing war. The trip will provide firsthand insights into how Israel is managing an unprecedented surge in mental health needs, including PTSD treatment, crisis intervention, and trauma recovery for both civilians and soldiers. Participants will meet with Israeli government officials, mental health professionals, trauma specialists, hospital administrators, and community leaders to explore best practices for mental health infrastructure and policy.

Your presence as Senior Advisor to Senator Fetterman would be invaluable in supporting the Senator's engagement with Israeli policymakers, medical leaders, and mental health experts. Given the Senator's leadership in mental health advocacy and policy, this mission would offer an important opportunity to deepen understanding, build relationships, and inform efforts to enhance mental health support both in the U.S. and globally.

All trip-related expenses—including flights, accommodations, meals, and in-country transportation—would be covered by *Relief Resources* in full compliance with Senate Ethics rules, pending approval. We will coordinate with your office to ensure proper submission of travel documentation and ethics review.

Given the significance of this mission, we kindly ask for your response at your earliest convenience. For any questions or to discuss further, please contact me at (732) 929-6131 or bbabad@reliefhelp.org.

We appreciate your consideration and look forward to the possibility of your participation in this important initiative.
