Dear Mr. Beezer,

I am writing to invite you to attend an MIT seminar for senior Congressional staff. The seminar, "The Future of AI," will take place on the MIT campus in Cambridge, MA from April 16-18, 2025. To allow for robust discussion, invitations are being extended only to senior Congressional staff who work on Artificial Intelligence-related policy areas.

We will cover the cost of travel and hotel accommodations and are carefully following House and Senate Ethics Committee requirements. The necessary ethics approval forms will be provided to you should you apply to attend.

As you will see in the agenda below, the seminar will cover a range of topics related to AI and its uses, with talks by MIT faculty experts and plenty of time for Q&A. The seminar will also include a tour of MIT's nanotechnology/semiconductor lab and drone and robotics demonstrations.

The seminar, which is sponsored by MIT's Open Learning with a grant from the Alfred P. Sloan Foundation, was organized by the MIT Washington Office and MIT Open Learning. If you would like to attend, please apply no later than close of business on Thursday, March 13 by [clicking here](#). This will allow sufficient time for filing the necessary paperwork with your Ethics Committee by Monday, March 17. Spaces are limited, so early application is strongly suggested.

If you have received this invitation in error and the seminar is not relevant to your portfolio, please feel free to forward it to a colleague who focuses on issues related to AI.

Helen Haislmaier in the MIT Washington Office will be happy to answer any questions, and she can be reached at (202) 744 5835 or at helenh@mit.edu.

Sincerely,

A handwritten signature in blue ink that reads "Cynthia Breazeal".

Purpose and Details**Provide a brief description of the trip.**

This is an intensive educational seminar presented by MIT faculty with a dinner talk by an expert in artificial intelligence from industry. The entire seminar will be held on MIT's campus (except for hotel accommodations) and utilizes MIT faculty, classrooms and laboratories. There will be a tour of MIT.nano and demonstrations with robots and drones showcasing the use of AI in these areas.

Explain how the purpose of the trip relates to your organization's mission.

MIT is a major non-profit research university with a mission focused on education and research in science, engineering and technology. Congressional staff will be exposed to the latest research and thinking about artificial intelligence and its applications. MIT has hosted similar seminars on a wide range of public policy issues related to science and technology for over 20 years.

Is your organization the only sponsor for this trip?☐ Yes ☒ No**If No, describe your organization's role in planning the trip.**

Members of the MIT Washington Office, along with campus faculty who focus on AI issues, were wholly responsible for organizing the agenda and logistics for the seminar but funding was received from The Alfred P. Sloan Foundation. No-one from the Sloan Foundation played any part in the planning or will play any part in the execution of the seminar.

If there are multiple sponsors, each sponsor must submit Organization Information (Page 1 of the Private Sponsor Travel Certification Form) and a Signature Page Form.
