ANSWER TO HOTEL PER DIEM QUESTION: The hotel was chosen because of conference space available, proximity to airport and possible site visits, and room capacity. Prices are high in the area in general but are increased during tourist season.

ANSWERS TO MEALS PER DIEM QUESTION: Congressional participants will be given meals commensurate with other non-congressional participants. CCF selected meals for the conference participants based on location (hotel catering for the meals at the conference venue) and cost and selected vendors that were deemed of reasonable quality and price-point. The tourist season and nature of large-scale event catering has elevated the costs beyond per diem rates.

INVITE LIST: *CCF invited Communications Directors from every Republican Senate office and relevant committees with an interest in clean energy and climate policy.
