History of Congressional Travel

Describe your organization's history of sponsoring congressional travel.

The Leaders in Technology (LIT) Program at CES has historically had over 200 elected and appointed leaders from federal, state, and local government participate in the Leaders in Technology program (LIT) at CES. The Leaders in Technology Program (LIT) at CES allows these public policy makers and officials, and their staffs, to interact with cutting-edge technology and discuss the policy issues that govern emerging technologies. CES features over 3,900 exhibitors showcasing thousands of new products that contribute to a dynamic industry, supporting an expected \$1 trillion in retail sales worldwide. The LIT program provides information and insight to assist officials in evaluating federal policies that affect the consumer technology industry.

Educational Activities

Describe the educational activities performed by your organization other than sponsoring congressional travel.

Consumer Technology Association (CTA) educates Congressional Members, their staff, tech allied associations, and industry leaders through policy briefings, meetings, with papers and research, and press briefings.

Purpose and Details

Provide a brief description of the trip.

The LIT program provides information and insight to assist officials in evaluating federal policies that affect the consumer technology industry. The LIT program advances the mission of CTA to educate government officials on the importance of American tech leadership and innovation. CTA is where technology connects, collaborates, and contributes. CTA helps companies succeed through research, events and an extensive network of councils and working groups covering everything from public policy to technology standards.

Explain how the purpose of the trip relates to your organization's mission.

The LIT program advances the mission of CTA to educate government officials on the importance of American tech leadership and innovation. CES is the Global Stage for Innovation Owned and produced by the Consumer Technology Association (CTA)®, CES is the only trade show that showcases the entire tech landscape at one event. CTA is where technology connects, collaborates, and contributes. This is an opportunity for State & Local officials and federally elected Members of Congress and their staff an opportunity to engage and learn more about the latest technical advances being made.

Dear Brianna,

You are invited to be the special guest of the Consumer Technology Association (CTA)® for our **Leaders in Technology (LIT) Program** at **CES® 2025**, taking place in Las Vegas, Jan 7–10, 2025.

You'll have the opportunity to hear directly from industry visionaries about how policy affects the cutting-edge tech that's fueling our nation's economy and job growth.

The program is also designed to meet the requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant

to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. You are only allowed to attend CES on Friday if accompanying your member. **Frequently asked questions can be found on our website.**

Please find the required **Private Sponsor Certification Form and list of Senate staff invitees for your review here**. This form will need to accompany your request to the U.S. Senate Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today using this email address —
brianna_walker@judiciary-dem.senate.gov. This is a limited, non-transferable invitation and **we ask that you reply by Nov. 29**. For questions, please contact **LITprogram@CTA.tech**.

We hope that you will be able to join us for the Leaders in Technology program at CES 2025 — the global stage of innovation.

Sincerely,

Gary Shapiro
