Dear Luke,

On behalf of the Jewish Institute for National Security of America (JINSA), it is my pleasure to invite you to participate in this year's [Congressional National Security Program to Israel](#), to be held **August 8-17, 2025**.¹

We take your security very seriously. Our Israel team, led by IDF MG (ret.) Yaacov Ayish, will constantly be monitoring the security situation and we will adjust accordingly if necessary.

JINSA is a not-for-profit 501(c)3 organization dedicated to working with military and civilian decisionmakers to ensure American strategic interests in the Middle East are defended. JINSA believes the cornerstone of this defense is a robust U.S.-Israeli security cooperation relationship.

One of the ways JINSA executes its educational mission is through [unique programs](#) that promote dialogue between prominent U.S. government officials and military leaders and their Mideast counterparts. The Congressional National Security Program provides insight and understanding into Israel's security challenges, the shared threats facing Israel and the United States, the benefits of U.S.-Israel security cooperation and ways to deepen that cooperation, and insight into how collaboration between U.S. and Israeli defense industries contribute to the defense of both nations. JINSA will cover your lodging, tours, food costs, and round-trip international travel between the United States and Israel.

The program curriculum will feature visits to strategically important sites, such as Israel's borders with Gaza, Lebanon, Syria, and Egypt, where participants will be briefed by IDF commanders to better understand the security challenges Israel faces on each respective border, including its lack of strategic depth. Delegation participants will also visit the Knesset, to understand the role it plays in developing and executing Israeli

national security policy, and key religious and historical sites to gain a deeper appreciation for the importance of the land to three of the world's great faiths and how this directly impacts the security environment in the Middle East.

The program will include briefings on topics such as:

- The impact of the Israel's war with Hamas in the aftermath of the October 7, 2023 terrorist attacks;
- Middle East regional security challenges confronting the United States and Israel;
- Prospects for U.S.-Israeli strategic cooperation with Abraham Accords countries;
- Perspective on how the Arab world understands and perceives Israel; and
- Linkages between Israel's "Silicon Wadi," IDF weapons technology, and the U.S. defense establishment.

Please RSVP by **June 13, 2025** to Matt Kenney at mkenney@jinsa.org or (703) 946-8363 to let us know if you are able to attend. Please also reach out if you have any questions about this invitation or travel arrangements.
