Note: Material changes to a trip that occur after the Committee has issued an approval letter may invalidate the Committee's approval. Please contact the Committee with any questions regarding changes to an approved trip.

Were there any changes to the pre-approved travel expenses? (Transportation, Meals, Lodging, Other)?

○ Yes ● No

Expense Change	Revised Amount	Explanation
There were no changes to pre-approved travel expenses.		

Were there any changes to the pre-approved itinerary?

● Yes ○ No

Explanation: The bus was late leaving Washington DC and ran into accident traffic on the way to Gettysburg, so we adjusted the itinerary to retain as close to the original timeline as possible. At the lunch briefing, Toby Watkins from NPF introduced Gettysburg Foundation President Barbara Sardello and board Member Gene Barr. He then introduced Acting Superintendent Bolitho. At the first bus stop, Lee's Headquarters, American Battlefield Trust's President David Duncan spoke to the group about his organization's role in the project and the importance of historic preservation of battlefields. At the Second stop at Little Round Top, Duncan described ABT's role in that rehabilitation project. Bryn McLaughlin from NPF described their role in the project and the importance of public/private partnerships, and Britt Isenburg briefly mentioned the role of the Gettysburg Foundation. At the third stop, the Weikert House, NPF staffers Ben Hosansky and Toby Watkins spoke about the history and future of the Legacy Restoration Fund. The final stop pivoted from the National Cemetery to the High Water Mark, where Chief Gwinn told the story of the third day of the battle, including Pickett's Charge and wrapped up the battle and President Lincoln's Gettysburg Address. Instead of returning to Washington DC at 4:30 PM, the bus arrived at 5:10 PM.

Were there any additional changes to the pre-approved trip?

○ Yes ● No
