Dear Keelan Rice,

The HALO Trust (USA) is pleased to invite you to attend a Congressional Delegation visit May 2nd-9th focused on humanitarian demining and malnutrition in Siem Reap and Phnom Penh, Cambodia.

The purpose of this Congressional delegation is to educate participants about the challenges of malnutrition and food insecurity in Cambodia, the presence and impact of landmines and other explosive remnants of war, and the ways in which U.S. demining programs support food security and prevent malnutrition in the area and worldwide. Members of the delegation will visit active and completed HALO demining projects near Siem Reap to see how these operations are conducted and will have the opportunity to engage with the U.S. Army Humanitarian Demining Research and Development Program. Attendees will see various programs in Phnom Penh to address hunger, including a clinic with malnutrition programming. Participants will hear from leading organizations in the malnutrition space, such as WFP and UNICEF, will connect with the U.S. Embassy in Cambodia, and will have the opportunity to discuss these issues with representatives from the Cambodian Government.

Meals, lodging, and economy-class airfare from and returning to Dulles International Airport will be provided, in accordance with Ethics Committee guidance.

Given limited space on this upcoming trip, we respectfully ask that you let us know as soon as possible if you are interested in attending. Thank you for your interest in these important topics and we hope you will be able to attend this educational visit.

Sincerely,

Kristen Stevens
Head of Congressional Affairs & Strategic Engagement

Demining and Malnutrition in Cambodia

Siem Reap and Phnom Penh, Cambodia

May 2nd-9th, 2026

HOSTED BY: The HALO Trust (USA), The HALO Trust

GRANTMAKING ORGANIZATION: Eleanor Crook Foundation

MISSION GOALS: The purpose of this Congressional staff delegation is to educate participants about the challenges of malnutrition and food insecurity in Cambodia, the presence and impact of landmines and other explosive remnants of war, and the ways in which U.S. demining programs support food security and prevent malnutrition in the area and worldwide.

RELEVANCE TO OFFICIAL DUTIES: The subject matter of the trip is important to Congressional participants to provide oversight of U.S.-funded humanitarian demining programs and the Strategic and Low Intensity Conflict Demining Program (formerly called the Army Humanitarian Demining Research and Development program). It is also critical for consideration of foreign, defense, and appropriations policies focused on Cambodia and Southeast Asia. It is also relevant for considering the impact of conflict on natural resources and U.S. policies regarding food security and malnutrition.

LOCATION: The purpose of travel to Cambodia is to see one of the world's largest humanitarian demining operations, supported by the U.S. State Department and the U.S. Army Strategic and Low Intensity Conflict Demining Program. Cambodia also suffers from malnutrition and food security challenges, and critical operators in this space are based in Siem Reap and Phnom Penh.
