Invitation
American Compass Workshop on Conservative Economics
Friday, April 24 – Sunday, April 26, 2026
Hyatt Regency Chesapeake Bay
Cambridge, MD

The American Compass Workshop on Conservative Economics is an annual event our organization holds to provide American Compass members with the opportunity to encounter political and economic ideas that can help shape a new conservative consensus. At the workshop, we will explore new approaches to industrial policy, labor, family formation, financial regulation, and many other topics essential to developing that new consensus. Via our panels, guest speakers, and policy modules, we will endeavor to increase the fluency of each participant in these issues so that they are better equipped to engage in a number of ongoing, critical policy debates.

You are being invited because of your interest in conservative economic policy. If you choose to attend, we will cover lodging, meals, and provide a charter bus between Cambridge, MD and DC, for you as well as any family members you wish to bring along.

Sincerely,
Oren Cass
Founder and Chief Economist

They will also have the opportunity to discuss more generally challenges and opportunities that they face as New Right conservatives in their profession. Congressional staff will have the opportunity to caucus with other members working on the Hill to discuss what future educational initiatives by American Compass might best help them navigate future policy discussions.
