JINSA 50TH ANNIVERSARY

Alana Foodman
354 Russell Senate Office Building
Washington, DC 20510

June 9, 2026

Dear Alana,

On behalf of the Jewish Institute for National Security of America (JINSA), it is my pleasure to invite you to participate in this year's Congressional National Security Program to Israel, to be held **August 16-22, 2026.**[1]

We take your security very seriously and have successfully organized several major programs and policy trips to Israel since 7 October 2023. Our Israel team, led by IDF MG (ret.) Yaacov Ayish, is constantly monitoring the security situation, and we will adjust our plans accordingly if necessary.

JINSA is a not-for-profit 501(c)3 organization dedicated to working with military and civilian decisionmakers to ensure American strategic interests in the Middle East are defended. JINSA believes the cornerstone of this defense is a robust U.S.-Israeli security cooperation relationship.

One of the ways JINSA executes its educational mission is through unique programs that promote dialogue between prominent U.S. government officials and military leaders and their Mideast counterparts. The Congressional National Security Program has provided insight and understanding into Israel's security challenges, the shared threats facing Israel and the United States, the benefits of U.S.-Israel security cooperation and ways to deepen that cooperation, and insight into how collaboration between U.S. and Israeli defense industries contribute to the defense of both nations. JINSA will cover your lodging, tours, food costs, and round-trip international travel between the United States and Israel.

The program curriculum will feature visits to strategically important sites, such as Israel's borders with Gaza, Lebanon, Syria, and Egypt, where participants will be briefed by IDF commanders to better understand the security challenges Israel faces on

[1] We will most likely depart for Israel late Saturday, August 15 and arrive on Sunday, August 16. We will depart from Israel the evening of Saturday, August 22 and arrive back in the United States on the morning of Sunday, August 23.

each respective border, including its lack of strategic depth. Delegation participants will also visit the Knesset, to understand the role it plays in developing and executing Israeli national security policy, and key religious and historical sites to gain a deeper appreciation for the importance of the land to three of the world's great faiths and how this directly impacts the security environment in the Middle East.

The program will include briefings on topics such as:

- Middle East regional security challenges confronting the United States and Israel;
- The impact of the Israel's multi-front war against Iran and its so-called Axis of Resistance that started with the Hamas terrorist attack on October 7, 2023;
- Perspective on how the Arab world understands and perceives Israel; and
- Linkages between Israel's "Silicon Wadi," IDF weapons technology, and the U.S. defense establishment.

Please RSVP by June 12, 2026 to Matt Kenney at mkenney@jinsa.org or (703) 946-8363 to let us know if you are interested in attending. Please also reach out if you have any questions about this invitation or travel arrangements.

Finally, the following information which participants will be required to submit to the Ethics Committee no later than July 16, 2026 will be provided upon confirmation of participation:
