Subject: Aug 20-22, 2025 - AgMazing Educational Tour in St. Louis

Hi Benjamin Easter:
As a congressional staff member, the **St. Louis Agribusiness Club** would like to offer you an invitation to the **AgMazing Congressional Tour**, **Wednesday to Friday, August 20-22, 2025**. This educational event has been Senate and House Ethics Committee approved for ten plus years.

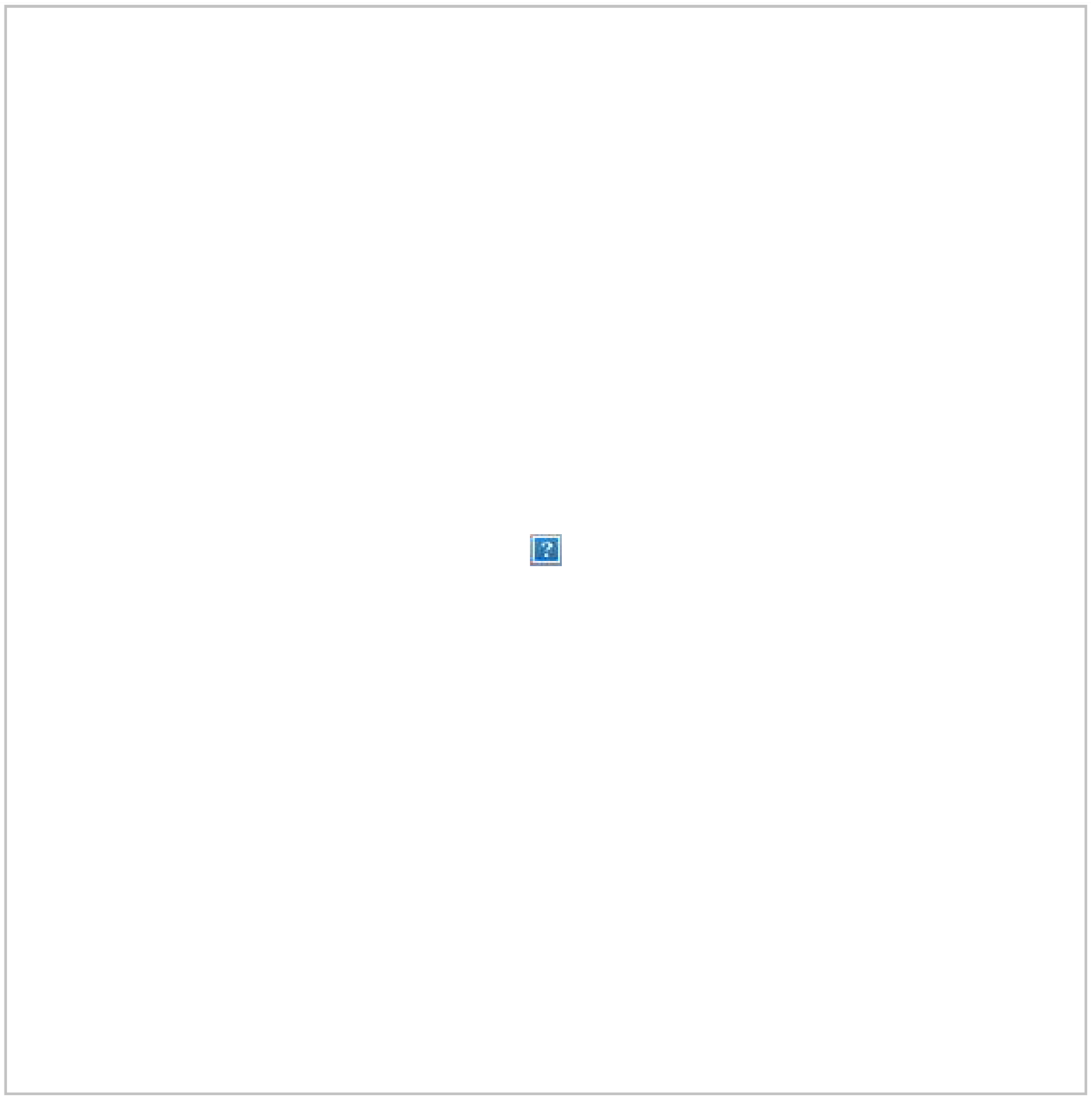

The goal of this three day event is to showcase the importance of agriculture in our region as well as nationally and globally. This tour will offer hands on education of farms, processing/storage facilities, river infrastructure and end users. Topics covered will include everything from sustainability in agriculture to job creation, infrastructure needs and economic impact. **$43 billion and 166 thousand jobs for the St. Louis region is demonstrated in our most recent Ag Economic Study.** Travel provisions of flights, hotel for two nights, ground transportation, and meals will be complimentary.

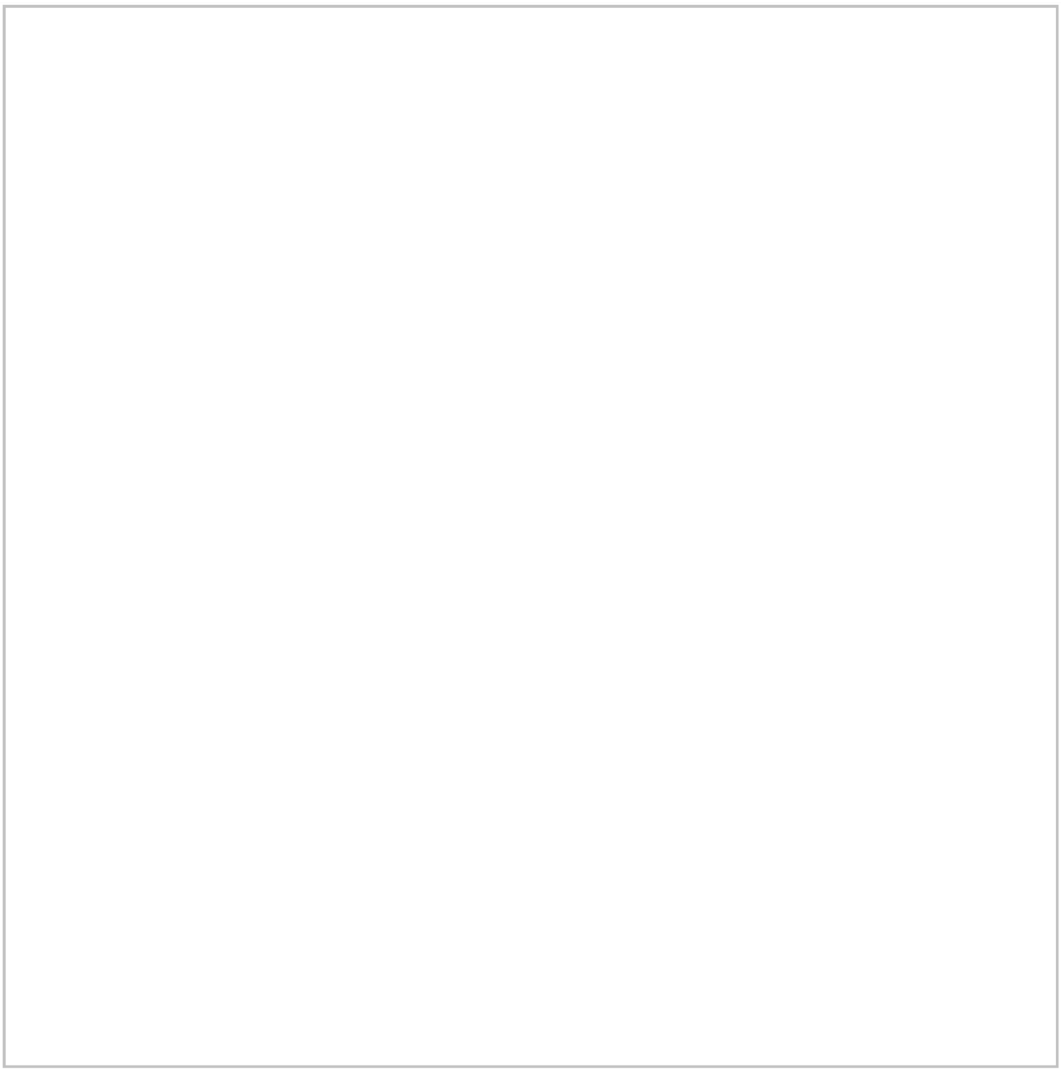

We ask that you indicate your interest in attending and help us in planning to **register** by our preliminary deadline date of March 15th. **Thank you.**

History of Congressional Travel

Congressional educational staff tours have been provided by the St. Louis AgriBusiness Club starting in 1985 and every odd numbered year through 2005. Event tours started again in 2013 and have been provided in 2015, 2017, 2019, 2023. Our organization has provided sixteen quality, hands-on, and valuable educational events with accountability over 40 years.

Educational Activities

Missouri and Illinois congressional staff are invited to St. Louis AgriBusiness Club meetings from September to June each year to learn more about challenges and successes of the agriculture and food industry. Staff members pay their own registration fees for these professional development events. The club partners with the Saint Louis Science Center GROW agriculture exhibit to educate K-12 students and the general public about the agricultural industry. The club promotes agricultural careers at various educational events and school career days within the St. Louis region.

Purpose and Details

Provide a brief description of the trip.

This event will highlight the process of food and non-food products from the farm to the table and consumer in the St. Louis region of Missouri and Illinois. Participants will have a close up view at each industry site. Tour stops will include: a barge ride on the Mississippi River going through a lock and dam; farm tour showcasing robotics, drones, equipment technology, animal care; grain terminal; plant research labs and greenhouses; food and beverages processing facilities, and ethanol processing facility. Expert agribusiness representatives and club members will be presenting the successes and advancements along with communicating issues and challenges at each tour site. Participants will be encouraged to ask questions and interact with industry professionals.

Explain how the purpose of the trip relates to your organization's mission.

World population is expected to grow by 2 billion people to 9.8 billion by 2050. Educating our decision makers and support staff is so important to ensure that our food supply is nutritious, abundant, and affordable. The mission of the St. Louis AgriBusiness Club is to promote the positive impact of the agricultural industry in the Greater St. Louis region through educational, networking and professional development opportunities. The phrase 'seeing is believing' means that if you see something yourself, you will believe it to exist or be true. This educational tour will provide participants with real life experiences beyond a classroom presentation. Our club's educational and networking mission mirrors the purpose of this tour for Congressional staff.

Is your organization the only sponsor for this trip?

Yes No

St. Louis Agribusiness Club AgMazing (7-31-25)
Congressional Staff Educational Event Itinerary
August 20, 21, 22, 2025 (Central Time Zone)

Mission Goals: This event will highlight the process of food and non-food products from the farm to the table and consumer in the St. Louis region of Missouri and Illinois similarly how it happens across the United States. Participants will have a close-up view at each industry site. Expert agribusiness representatives and club members will be thanking congressional staffers for their efforts, conveying the agricultural successes and advancements, and communicating policy, legislation, and government requirements and challenges at each tour site. Participants will be encouraged to ask questions and interact with industry professionals. World population is expected to grow by 2 billion people to 9.8 billion by 2050. Educating our decision makers and support staff is so important to ensure that our food supply is nutritious, abundant, and affordable. The mission of the St. Louis AgriBusiness Club is to promote the positive impact of the agricultural industry in the Greater St. Louis region through educational, networking and professional development opportunities. The phrase 'seeing is believing' means that if you see something yourself, you will believe it to exist or be true. This educational tour will provide participants with real life experiences beyond a classroom presentation. Our club's educational and networking mission mirrors the purpose of this tour for congressional staff.

Wednesday, August 20

8:00 am - Southwest Airlines Flight #2422 departs from Reagan International (DCA)
for Lambert International (STL)

8:45 am – Depart Embassy Suites Hotel, 610 N 7th St, St. Louis, MO 63101

Prairie Farms Dairy, a farmer-owned cooperative founded in 1938, operates 47 manufacturing plants across 18 states. They process milk from over 600 independent family farms, producing a wide variety of dairy products, including white and flavored milk, ice cream, cheese, yogurt, and more. Their commitment to quality, freshness, and sustainability is evident in their sourcing practices and processing methods, with milk processed within 24-48 hours of collection.

- Tour of the dairy processing facility.
- Presenters: Bob Kmetz, Plant Manager, Prairie Farms Dairy
  Matt McClelland, CEO, Prairie Farms Dairy

1:30 pm – Arrive to Kruckeberg Farms, 6933 Fields Drive, Moro, IL 62067, Depart at 2:45 pm.

Kruckeberg Farms is a grain(corn and soybeans), horseradish, and livestock(swine) farm focusing on the production, harvesting, and sales of agricultural products. The farm is known for its teamwork-oriented approach to ensure product flow, quality, and consistency.

- Presenters: Tim Kruckeberg, Farm Manager, Kruckeberg Farms
  Kyle Brase, Owner, Brase Farms, Inc.

3:15 pm – Arrive to Mel Price Lock and Dam and Barge Ride on the Mississippi River, 1 Lock and Dam Way, East Alton, IL 62024, with meal and networking. Depart at 7:15 pm.

The Melvin Price Locks and Dam, also known as Lock and Dam 26R, is a major navigation structure on the Mississippi River. It's a key component of the Upper Mississippi River 9-Foot Channel Project, which aims to maintain a navigable channel for commercial traffic. The dam utilizes a series of locks to raise and lower vessels as they navigate the river, effectively creating a "stairway of water". The complex includes two lock chambers, a main one 1,200 feet long and an auxiliary one 600 feet long, both 110 feet wide. The dam itself is 1,160 feet long and has nine tainter gates to control water flow. The primary function is to facilitate commercial barge traffic on the Mississippi River. The locks allow vessels to bypass sections of the river with varying water levels, essentially creating a series of pools. The National Great Rivers Museum explains the structure and its engineering. Through interactive exhibits, a theater, and tours, the facility introduces the public to the great rivers, their environments, the importance of their presence, and the interaction with humans.

- Tour of the Lock and Dam structure. Board the flatboat barge, tour the tugboat in operation and interact with tugboat staff learning about the importance of river infrastructure for navigation along the Mississippi River, what and how products are transported south and north, the need for infrastructure improvements and investment on the river, and how farmers and businesses can stay competitive in a global market.
- Presenters: Andrew Schimpf, Operations Manager, Rivers Project US Army Corps of Engineers
  Andy J. Pannier, Commander & District Engineer, St. Louis District-US Army Corps of Engineers
  Jose Lopez, L&D 25 Program Manager, US Army Corps of Engineers
  John Peukert, Civilian Deputy, US Army Corps of Engineers
  John Miller. Executive Liason Officer, US Army Corps of Engineers
  George Stringham, Chief of Public Affairs, US Army Corps of Engineers
  Paul Rohde, Vice President, Waterways Council, Inc.
  Dustin Hanson, Port Captain, Archer Daniels Midland (ADM)
  Matt French, Territory Operations Manager, Archer Daniels Midland (ADM)

8 pm – Arrive to Embassy Suites Hotel, 610 N 7th St, St. Louis, MO 63101.

Friday, August 22

7:30 am – Breakfast at the Embassy Suites Hotel, 610 N 7th St, St. Louis, MO 63101

8:15 am – Breakfast and Depart Embassy Suites Hotel, 610 N 7th St, St. Louis, MO 63101

8:30 am – Arrive to STL City Soccer Energizer Park, 2100 Market St, St. Louis, MO 63103. Depart at 10 am.

Energizer Park is the home of St. Louis CITY SC and reflects many of St. Louis' most amazing attributes, including its diverse neighborhoods, growing culinary scene, innovative technology, inviting community and a spirit of a new St. Louis. The 32-acre Energizer Park stadium district is the largest urban professional sports campus in the United States and the only one with a stadium, team headquarters, team store and practice facility all within the same footprint. It serves as the heartbeat of St. Louis by creating a 24/7/365 fan and community experience that encourages visitors and development to Downtown St. Louis.

- Tour of the soccer park on the turfgrass field.
- Presenters: Josh McPherson, Director of Stadium Grounds, STL City Energizer Park
  Lutz Pfannenstiel, Sporting Director, St. Louis CITY SC
  Chris Eckert, Owner, Eckert's Country Store and Farms ·

10:30 am – Arrive to Donald Danforth Plant Science Center, 975 N Warson Rd, Olivette, MO 63132, luncheon and networking, evaluation discussion. Depart at 1:30 pm.

The Donald Danforth Plant Science Center is a not-for-profit research institute with a mission to improve the human condition through plant science. Research, education and outreach aim to have impact of food security and the environment and position the St. Louis region as a world center for plant science. The Center's work is funded through competitive grants from many sources, including the National Institutes of Health, U.S. Department of Energy, National Science Foundation, and the Bill & Melinda Gates Foundation. 39 North is a 600-acre innovation district anchored by the Donald Danforth Plant Science Center, BRDG Park, the Helix Incubator, Bayer Crop Science, and the Yield Lab. At 39 North, we're building and championing a place and an idea that, hundreds of years from now, history will celebrate as changing the world and forever improving the human condition both in St. Louis and around the world.

- Tour of the lab facility to see and hear about the important plant science research learning the importance to farmers in the agricultural industry and to consumers developing plant science that will contribute to food security and allow farmers to use less resources.
- Presenters: Jim Carrington, CEO, Danforth Plant Science Center
  Karla Roeber, VP of Public and Governmental Affairs, Danforth Plant Science Center
  Ben Johnson, Sr. Vice President – Programs, BioSTL
  Emily Lohse Busch, Executive Director, 39 North AgTech Innovation District
