Dear Tatum,

On behalf of the Clean Fuels Alliance Foundation (the Foundation) and sponsoring organizations, we invite you to join us for our 2026 New Orleans Congressional Tour, "Sustainable Fuels: Building the Ag Economy." The tour will take place in New Orleans and the vicinity on Friday May 29, 2026, and include one overnight stay. You and other participants will fly to New Orleans on Thursday May 28 and return to D.C. Friday evening. Space is limited, so please reserve your spot early. **Reservation forms must be received by Thursday, April 2, 2026.**

This privately sponsored tour will provide you a first-hand look at the integration of agricultural resources and biodiesel, renewable diesel and sustainable aviation fuel production. It is a valuable opportunity to see how soybean oil processors and renewable diesel producers are investing and scaling up to meet America's demand for clean energy. Made from an increasingly diverse mix of resources such as soybean oil, recycled cooking oil, and animal fats, clean fuels are available, affordable solutions for transportation markets such as heavy-duty trucking, rail, and marine.

With stops at Diamond Green Diesel, Bunge Chevron Ag Renewables, IMTT Terminals and ARTCO river transport, participants will learn how soybeans are processed to separate oil, which is then used to produce renewable diesel. Participants will hear from industry representatives about the market coordination needed to support investments in new infrastructure as well as the development of new markets for clean fuels.

Reserve your place on the tour today with an email or phone call to Paul Winters, pwinters@cleanfuels.org, (202) 737-8803. Paul will provide you the registration form and then Foundation staff will coordinate with you for travel arrangements and ethics paperwork.

Reserve your spot now!

Please contact us if you have any questions.

Sincerely,

Mark Caspers, Foundation Chair

Tom Verry, Foundation Director

Purpose and Details

Provide a brief description of the trip.

This one-day (and one travel day) privately sponsored tour will provide a first-hand look at the integration of agricultural resources and biodiesel, renewable diesel and sustainable aviation fuel production. It is a valuable opportunity to see first-hand how renewable diesel producers and soybean oil processors are investing and scaling up to meet America's demand for clean energy. Made from an increasingly diverse mix of resources such as recycled cooking oil, soybean oil, and animal fats, clean fuels are available, affordable solutions for transportation markets such as heavy-duty trucking, rail, and marine.

With stops at Diamond Green Diesel, Bunge Chevron Ag Renewables, IMTT Terminals and ARTCO river transport, participants will learn how soybeans are processed to separate oil, which is then used to produce renewable diesel. Participants will hear from industry representatives about investments in new technologies and feedstocks as well as the development of new markets and growing demand for clean fuels.

Explain how the purpose of the trip relates to your organization's mission.

The topics covered on this tour meet the Foundation's stated mission to advance the research and education of clean-burning, biomass-based diesel alternatives and their co-products.

SELECT COMMITTEE ON ETHICS

May 26, 2026

Tatum Brunkow
Office of Senator Jerry Moran
United States Senate
Washington, DC 20510

Dear Ms. Brunkow:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to the *2026 New Orleans Clean Fuels Congressional Tour* in New Orleans, Louisiana on May 28–29, 2026, sponsored by Clean Fuels Alliance Foundation and Clean Fuels Alliance America (collectively, the Sponsors). Provided that you adhere to the guidance set forth below, it is permissible for you to accept necessary expenses from the organizations above for this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.[1] You are employed as a Legislative Correspondent for the Office of Senator Jerry Moran. The Sponsors invited you to travel to the *2026 New Orleans Clean Fuels Congressional Tour* in New Orleans, Louisiana on May 28–29, 2026. The Sponsors certified to the Committee that it will pay the necessary expenses related to the travel,[2] the Sponsors are not lobbyists, lobbying firm, agents of a foreign principal, or otherwise acting as a representative or agent of a foreign government. Although the Sponsors retain or employ a federally registered lobbyist or foreign agent, the Sponsors certified that no registered lobbyist or agent of a foreign principal will accompany you at any point throughout your trip.[3]

Discussion

Privately sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's official Senate duties. Incorporating reforms from the Honest Leadership and Open Government

[1] If this letter does not correctly recite the facts, contact the Committee immediately.

[2] The term "necessary expenses" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 10-13.

[3] The term "any point throughout your trip" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 15.

Act of 2007 (HLOGA), Pub. L. 110–81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately Sponsored Travel* (*Travel Regulations*). The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Entities that do not retain or employ a lobbyist or foreign agent and all non-profit organizations designated as tax-exempt organizations under § 501(c)(3) of the Internal Revenue Code of 1986, regardless of whether they retain or employ a lobbyist or foreign agent, may sponsor domestic trips for up to three days. The three-day limitation means three 24-hour periods, calculated from the time of arrival in the trip location to the time of departure from the trip location. With very limited exception, lobbyists and foreign agents are prohibited from accompanying a Senate invitee at any point throughout the trip.[4] This means that neither lobbyists nor foreign agents may accompany Senate invitees at any point to and from the event, at the event itself, or at the location being visited.[5]

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form,* and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately Sponsored Travel.**

Consistent with these standards and Committee precedent and the Sponsors's factual representations, it is permissible for you to accept necessary expenses from the Sponsors in connection with this trip, provided that the actual travel and travel-related expenses conform to the information you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

Finally, federal law and Senate Rule 34 require a reporting individual,[6] on their financial disclosure report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the

[5] *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 6-10 for a discussion on the de minimis contact exception.

[6] A reporting individual is someone whose salary equals or exceeds 120% of the basic rate of pay for GS-15 ($151,661 for CY 2026) or is a political fund designee and is required to file financial disclosure reports.

aggregate, travel expenses exceed $525 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their financial disclosure report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director
