ATTACHMENT 1 – CHANGES FROM APPROVED PRE-TRAVEL

Note: Material changes to a trip that occur after the Committee has issued an approval letter may invalidate the Committee's approval. Please contact the Committee with any questions regarding changes to an approved trip.

Were there any changes to the pre-approved travel expenses? (Transportation, Meals, Lodging, Other)?

○ Yes ● No

Expense Change	Revised Amount	Explanation
There were no changes to pre-approved travel expenses.		

Were there any changes to the pre-approved itinerary?

● Yes ○ No

Explanation: Itinerary change – Breakout Sessions (1:00–2:30 PM). The two breakout sessions listed in the pre-travel submission were combined into a single program attended by all Senate participants, with each segment lasting approximately 45 minutes. Group A (Working with the House, White House, and Agencies): Natalie Burkholter and Renee Hudson were unable to attend and were replaced by Hannah Anderson, Senior Director, Healthy America, America First Policy Institute, and Eric Ueland, Deputy Director, Office of Management and Budget. AFPI had originally invited an additional speaker based on his prior White House service. That speaker was reviewed by AFPI and the Committee prior to travel under the name he commonly uses, and no lobbying registration was found. Several days before the summit, AFPI learned that he is a registered lobbyist under a different legal name. AFPI notified the Committee on Tuesday, September 22, 2026, and removed him from the program. During the Group A segment, the moderator, then an AFPI employee, invited him to join the panel. That invitation was contrary to AFPI's decision and was made without the organizers' knowledge or authorization. He did not participate in any Senate staff programming other than this panel. AFPI disclosed his participation to the Committee on September 29, 2026, has addressed the matter internally, and the moderator is no longer employed by AFPI. Group B (Maximizing the Message): Proceeded as described in the pre-travel submission with the exception of Alex Miller, who did not attend. The combined session remained educational in nature, consistent with its pre-travel description. No advocacy for specific legislation, political positions, or campaign-related matters occurred at any point in the session, including during the lobbyist's participation.

Were there any additional changes to the pre-approved trip?

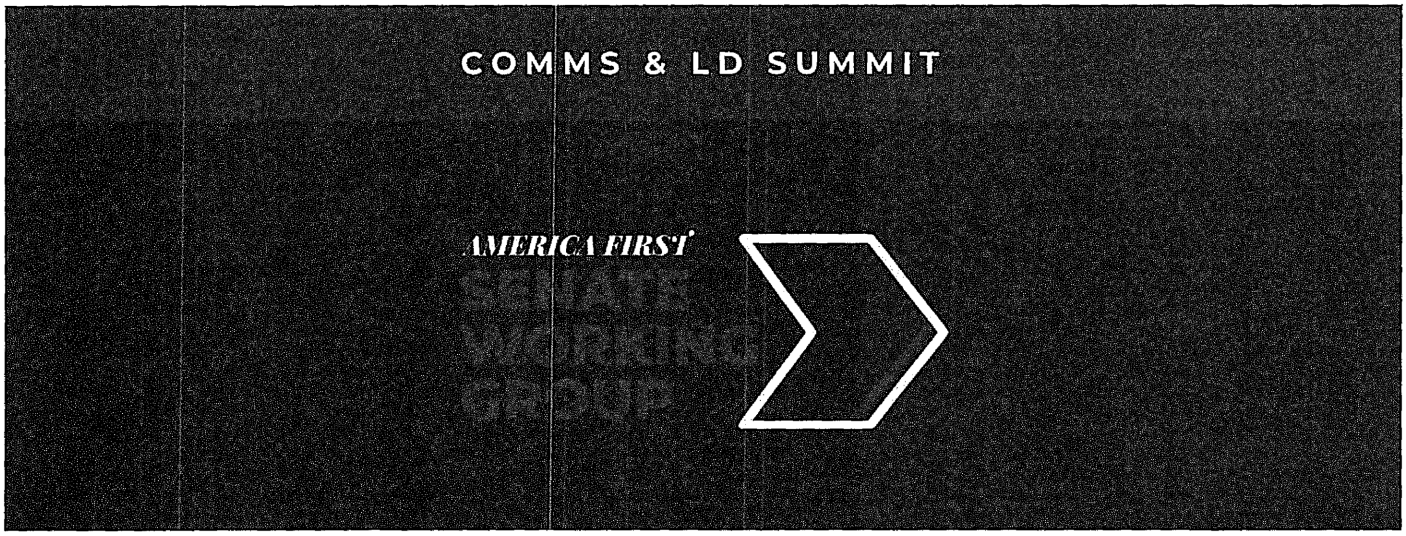

○ Yes ● No

Explanation: There were no additional changes to the pre-approved trip.

History of Congressional Travel

The America First Policy Institute (AFPI) has direct experience sponsoring educational travel for congressional staff in compliance with Senate ethics rules. Most recently, in spring 2026, AFPI sponsored an educational program in Palm Beach, Florida for Senate Chiefs of Staff and Committee Staff Directors, featuring policy briefings with subject-matter experts on issues before the Senate. The trip was conducted pursuant to Senate Ethics Committee requirements, including advance approval, detailed itineraries, and full transparency regarding expenses. AFPI's experience also includes programs historically conducted by the Senate Working Group (SWG), founded in 2021 and later acquired and integrated into AFPI. SWG organized multiple domestic educational programs for Senate Chiefs of Staff, Committee Staff Directors, and other senior staff, focused on policy education, expert briefings, and site-based learning, all conducted in full compliance with Senate Ethics Committee requirements.

Educational Activities

The America First Policy Institute conducts public policy and civics education, including policy research and analysis, educational briefings, seminars, and publications designed to inform policymakers, congressional staff, and the public on a range of public policy issues. The Institute also convenes subject-matter experts, former government officials, and industry leaders to engage in educational discussions and briefings intended to inform policymaking and public understanding.
