History of Congressional Travel

Describe your organization's history of sponsoring congressional travel.

The Leaders in Technology (LIT) Program at CES brings together elected and appointed officials from federal, state, and local governments to engage directly with the forefront of innovation. Historically, more than 200 policymakers and their staff have participated in this unique program, gaining firsthand exposure to the technologies shaping the global economy. Through the LIT Program, participants explore cutting-edge advancements, connect with industry leaders, and engage in discussions on the policy considerations that govern emerging technologies. CES itself features more than 3,900 exhibitors, showcasing thousands of groundbreaking products across the dynamic consumer technology sector—an industry projected to drive \$1 trillion in retail sales worldwide. By offering context, insight, and direct experience, the LIT Program equips government leaders with the tools to better evaluate and shape federal policies that impact the future of consumer technology.

Educational Activities

Describe the educational activities performed by your organization other than sponsoring congressional travel.

The Consumer Technology Association (CTA) educates Congressional Members, their staff, technology allies, associations, and industry leaders through policy briefings, meetings, research reports, and press engagements.

Purpose and Details**Provide a brief description of the trip.**

The LIT program connects government officials with the latest innovations at CES, providing firsthand exposure to emerging technologies and industry trends. This one-day program allows participants to see cutting-edge advancements, gain insights to evaluate tech policies, engage with industry leaders, and build networks that support informed decision-making and American tech leadership.

Explain how the purpose of the trip relates to your organization's mission.

The LIT program advances the mission of CTA to educate government officials on the importance of American tech leadership and innovation. CES is the Global Stage for Innovation Owned and produced by the Consumer Technology Association (CTA)®, CES is the only trade show that showcases the entire tech landscape at one event. CTA is where technology connects, collaborates, and contributes. This is an opportunity for State & Local officials and federally elected Members of Congress and their staff an opportunity to engage and learn more about the latest technical advances being made.

Is your organization the only sponsor for this trip?

Subject: You're Invited: Leaders in Technology Program at CES 2026
Date: Monday, December 1, 2025 at 1:00:05 PM Eastern Standard Time
From: CES
To: Jorgensen, Mariel (Peters)

Web Version

Dear Mariel,

You are invited to be the special guest of the Consumer Technology Association (CTA)® for our **Leaders in Technology (LIT) Program** at **CES® 2026**, taking place in Las Vegas, Jan 6-9, 2026.

CES is where innovators show up — **where the business of technology happens**, deals are made and partnerships spark real growth. You'll have the opportunity to **hear directly from industry visionaries about how policy affects the cutting-edge tech** that's fueling our nation's economy.

The program is also designed to meet the requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. You are only allowed to attend CES on Friday if accompanying your member. **Frequently asked questions can be found on our website.**

Please find the required **Private Sponsor Certification Form and list of Senate staff invitees for your review here**. This form will need to accompany your request to the U.S. Senate Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today using this email address —

mariel_jorgensen@peters.senate.gov. This is a limited, non-transferable invitation and **we ask that you reply by Nov. 28**. For questions, please contact LITprogram@CTA.tech.

We hope that you will be able to join us for the Leaders in Technology program at CES 2026 — the global stage of innovation.

Sincerely,

Gary Shapiro
