History of Congressional Travel

Describe your organization's history of sponsoring congressional travel.

The Leaders in Technology (LIT) Program at CES brings together elected and appointed officials from federal, state, and local governments to engage directly with the forefront of innovation. Historically, more than 200 policymakers and their staff have participated in this unique program, gaining firsthand exposure to the technologies shaping the global economy. Through the LIT Program, participants explore cutting-edge advancements, connect with industry leaders, and engage in discussions on the policy considerations that govern emerging technologies. CES itself features more than 3,900 exhibitors, showcasing thousands of groundbreaking products across the dynamic consumer technology sector—an industry projected to drive $1 trillion in retail sales worldwide. By offering context, insight, and direct experience, the LIT Program equips government leaders with the tools to better evaluate and shape federal policies that impact the future of consumer technology.

Educational Activities

Describe the educational activities performed by your organization other than sponsoring congressional travel.

The Consumer Technology Association (CTA) educates Congressional Members, their staff, technology allies, associations, and industry leaders through policy briefings, meetings, research reports, and press engagements.

☑ I certify that the sponsor does not receive funding from a foreign government.

Purpose and Details

Provide a brief description of the trip.

The LIT program connects government officials with the latest innovations at CES, providing firsthand exposure to emerging technologies and industry trends. This one-day program allows participants to see cutting-edge advancements, gain insights to evaluate tech policies, engage with industry leaders, and build networks that support informed decision-making and American tech leadership.

Explain how the purpose of the trip relates to your organization's mission.

The LIT program advances the mission of CTA to educate government officials on the importance of American tech leadership and innovation. CES is the Global Stage for Innovation Owned and produced by the Consumer Technology Association (CTA)®, CES is the only trade show that showcases the entire tech landscape at one event.CTA is where technology connects, collaborates, and contributes. This is an opportunity for State & Local officials and federally elected Members of Congress and their staff an opportunity to engage and learn more about the lastest technical advances being made.

SELECT COMMITTEE ON ETHICS

January 5, 2026

Max Seltzer
Office of Senator Eric Schmitt
United States Senate
Washington, DC 20510

Dear Mr. Seltzer:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to the *2026 Consumer Electronics Show: Leaders in Technology*, in Las Vegas, Nevada, on January 6-8, 2026, sponsored by the Consumer Technology Association (CTA). Provided that you adhere to the guidance set forth below, it appears that it is permissible for you to accept necessary expenses from CTA in connection with this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.[1] You are employed as a legislative assistant for the Office of Senator Eric Schmitt. CTA invited you to travel to the *2026 Consumer Electronics Show: Leaders in Technology*, in Las Vegas, Nevada, on January 6-8, 2026. CTA certified to the Committee that it will pay the necessary expenses[2] related to the travel, and that CTA is not a lobbyist, lobbying firm, agent of a foreign principal, or otherwise acting as a representative or agent of a foreign government. Although CTA is a private entity that retains or employs a federally registered lobbyist or foreign agent, CTA has certified that no registered lobbyist or agent of a foreign principal will accompany you on any segment of your trip.[3]

Additionally, you inform the Committee that you plan to extend your trip for a personal purpose. Based on the information you submitted, the Committee understands that, for a personal purpose, you intend to extend your trip in Las Vegas, Nevada for 24 hours after the conclusion of officially related events. You must personally pay the cost of any additional expenses incurred as a result of extending your trip.

[1] If this letter does not correctly recite the facts, contact the Committee immediately.

[2] The term "necessary expenses" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 10-13.

[3] The term "any segment of your trip" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 15.

Discussion

Privately sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's official Senate duties. Incorporating reforms from the Honest Leadership and Open Government Act of 2007 (HLOGA), Pub. L. 110–81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately Sponsored Travel* (*Travel Regulations*). The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Trips sponsored by private entities that retain or employ a lobbyist or foreign agent may not exceed one day, exclusive of travel time and one overnight stay. A second overnight stay may be allowed if the sponsor establishes in writing that a two-night stay is practically required and necessary to accomplish the purpose of the trip. The Committee examines these requests on a case-by-case basis and will consider the distance of travel, the availability of transportation to or from the location of the one-day event, the start and end time of the day's official activities, and any other exceptional circumstances described in writing prior to the trip. Regardless of whether one or two overnight stays are approved, all scheduled officially-connected activities must take place on one calendar day. The sponsor may pay for meals and expenses for the overnight stays but may not plan or sponsor any substantive activities for the Senate invitee on those days. For such trips, neither lobbyists nor foreign agents may accompany a Senate invitee on any segment of the trip.[4]

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form,* and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately Sponsored Travel.**[5]

Consistent with these standards and Committee precedent, CTA's factual representations and the guidance contained in this letter regarding your extension for a personal purpose, it appears that it is permissible for you to accept necessary expenses from CTA in connection with this trip, provided that the actual travel and travel-related expenses for this one-day trip

[5] Trip extensions for any purpose do not extend this deadline.

(exclusive of travel time and two overnight stays conform to the information and materials you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

Finally, Senate Rule 34 requires a reporting individual[6] on their financial disclosure report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed $480 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their financial disclosure report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director

Dear Max,

You are invited to be the special guest of the Consumer Technology Association (CTA)® for our **Leaders in Technology (LIT) Program** at **CES® 2026**, taking place in Las Vegas, Jan 6-9, 2026.

CES is where innovators show up — **where the business of technology happens**, deals are made and partnerships spark real growth. You'll have the opportunity to **hear directly from industry visionaries about how policy affects the cutting-edge tech** that's fueling our nation's economy.

The program is also designed to meet the requirements of the ethics committee of the U.S. Senate for privately-sponsored travel. Pursuant

to the rules, we are permitted to pay for no more than two nights and one day, subject to approval. The program, including guest rooms and the Leaders in Technology registration suite, is headquartered at the Encore at Wynn Hotel.

CTA is offering to provide your roundtrip coach airfare, lodging, transportation in Las Vegas from and to the airport, as well as the show sites and group meals during your stay in Las Vegas. You are only allowed to attend CES on Friday if accompanying your member. **Frequently asked questions can be found on our website**.

Please find the required **Private Sponsor Certification Form and list of Senate staff invitees for your review here**. This form will need to accompany your request to the U.S. Senate Selection Committee on Ethics for approval of privately-sponsored travel. CTA is not a lobbying firm, but does employ federal lobbyists.

Register today using this email address — max_seltzer@schmitt.senate.gov. This is a limited, non-transferable invitation and **we ask that you reply by Nov. 28.** For questions, please contact **LITprogram@CTA.tech**.

We hope that you will be able to join us for the Leaders in Technology program at CES 2026 — the global stage of innovation.

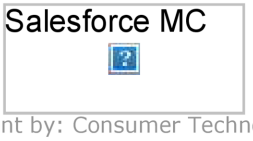

Sincerely,

Gary Shapiro
