You will gain:

- A better understanding of the energy security, environmental and economic benefits of renewable fuels.
- Insight into technological advancements that are improving the efficiency and minimizing the carbon footprint of biofuels production and agricultural processes.

Please expect:

- Boots on the ground tour, seeing firsthand the scope of biofuels. Participants will be walking and standing a majority of the time and will be exposed to typical conditions that come with agriculture and industrial operations.

SELECT COMMITTEE ON ETHICS

August 12, 2026

Victoria Maloch
Office of Senator Michael F. Bennet
United States Senate
Washington, DC 20510

Dear Ms. Maloch:

This responds to your recent correspondence requesting approval from the Select Committee on Ethics (the Committee) to accept an invitation you received to travel to the *17th Annual Biofuels Science and Sustainability Tour* in Des Moines, Ames, Newton, and Nevada, Iowa, on August 17-20, 2026, sponsored by Iowa Renewable Fuels Association, Biodiesel Coalition of Missouri, Clean Fuels Alliance Foundation, Farm Credit Services of America, Indiana Corn Marketing Council, Iowa Biodiesel Board, Iowa Biotechnology Association, Iowa Corn Growers Association, Iowa Soybean Association, Kansas Corn Growers Association, Kansas Soybean Commission, Minnesota Biofuels Association, Missouri Corn Growers, North Dakota Ethanol Council, Nebraska Corn Board, Renewable Fuels Nebraska, Renew Kansas, Renewable Fuels Foundation, South Dakota Ethanol Producers Association, and Wisconsin Bio-Fuels Association (collectively, the Sponsors). Provided that you adhere to the guidance set forth below, it is permissible for you to accept necessary expenses from the Sponsors for this trip.

Background

Based on your communication with the Committee, the background in this matter is as follows.[1] You are employed as a senior policy adviser for the Office of Senator Michael F. Bennet. The Sponsors invited you to travel to the *17th Annual Biofuels Science and Sustainability Tour* in Des Moines, Ames, Newton, and Nevada, Iowa, on August 17-20, 2026. The Sponsors certified to the Committee that they will pay the necessary expenses related to the travel,[2] are not lobbyists, lobbying firms, agents of a foreign principal, or otherwise acting as representatives or agents of a foreign government. The Sponsors also certified that they do not retain or employ a registered lobbyist or agent of a foreign principal and that no registered lobbyists or agents of a foreign principal will accompany you at any point throughout your trip.[3]

---

[1] If this letter does not correctly recite the facts, contact the Committee immediately.

[2] The term "necessary expenses" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 10-13.

[3] The term "any point throughout your trip" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 15.

Discussion

Privately sponsored travel includes any gift of travel and travel-related expenses for travel outside the Senate duty station, including transportation, lodging, food and refreshments, and conference fees and materials, whether paid for directly, reimbursed, or provided directly, from a private individual or entity, in connection with a Member's, officer's, or employee's official Senate duties. Incorporating reforms from the Honest Leadership and Open Government Act of 2007 (HLOGA), Pub. L. 110–81 (2007), Senate Rule 35.2 permits Members, officers, and employees to accept privately sponsored travel only with the prior written approval of the Committee.

The Committee's approval process is governed by the *Regulations and Guidelines for Privately Sponsored Travel* (*Travel Regulations*). The *Travel Regulations* contain detailed requirements regarding who may sponsor travel; time limits for trips; and the type and amount of expenses that can be reimbursed.

Entities that do not retain or employ a lobbyist or foreign agent and all non-profit organizations designated as tax-exempt organizations under § 501(c)(3) of the Internal Revenue Code of 1986, regardless of whether they retain or employ a lobbyist or foreign agent, may sponsor domestic trips for up to three days. The three-day limitation means three 24-hour periods, calculated from the time of arrival in the trip location to the time of departure from the trip location. With very limited exception, lobbyists and foreign agents are prohibited from accompanying a Senate invitee at any point throughout the trip.[4] This means that neither lobbyists nor foreign agents may accompany Senate invitees at any point to and from the event, at the event itself, or at the location being visited.[5]

Under Senate Rule 35, Senate staff must receive advance authorization signed by the Member or officer under whose direct supervision the individual works in order to accept payment or reimbursement for necessary expenses related to fact-finding travel. Further, such authorization and expenses must be disclosed to the Secretary of the Senate by filing the completed *Employee Pre-Travel Authorization* and the *Employee Post-Travel Disclosure of Travel Expenses* (Form RE-1 and Form RE-2), along with a copy of the *Private Sponsor Travel Certification Form,* and all relevant attachments (e.g., the private sponsor's invitation and itinerary) **within 30 days of the conclusion of Privately Sponsored Travel**.

Consistent with these standards and Committee precedent, and the Sponsors' factual representations, it is permissible for you to accept necessary expenses from the Sponsors in connection with this trip, provided that the actual travel and travel-related expenses conform to the information you provided, and the travel and all required documents are disclosed to the Secretary of the Senate (Office of Public Records).

---

[4] The term "*de minimis*" has a specific definition. *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 6-8 for a discussion on the de minimis contact exception.

[5] *See Select Committee on Ethics Regulations and Guidelines for Privately Sponsored Travel* at 6-10 for a discussion on the de minimis contact exception .

Finally, federal law and Senate Rule 34 require a reporting individual[6] on their financial disclosure report, to make an annual disclosure of the receipt of payments or reimbursements under Senate Rule 35 from a private sponsor for officially-related travel expenses where, in the aggregate, travel expenses exceed $525 from that sponsor during a calendar year. However, if a Member, officer, or employee properly reports the receipt of necessary expenses for such travel to the Secretary of the Senate within 30 days of the travel, as discussed above, the travel expenses need not be disclosed a second time on their financial disclosure report.

I hope you find this information helpful. If you have any additional questions, please do not hesitate to contact the Committee.

Sincerely,

Shannon Hamilton Kopplin
Chief Counsel and Staff Director

Enclosure: Employee Privately Sponsored Travel Checklist

[6] A reporting individual is someone whose salary equals or exceeds 120% of the basic rate of pay for GS-15 ($151,661 for CY 2026) or is a political fund designee and is required to file financial disclosure reports.
