Dear Tyler Goldstein,

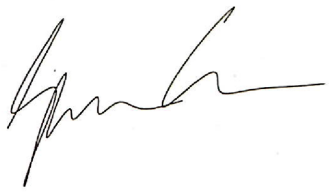

Given your congressional oversight role, Malaria No More is pleased to invite you on a staff delegation trip to Tanzania from March 28 to April 4, 2026, to examine the state of malaria prevention, control and elimination efforts, progress made, and challenges that remain.

During this trip, staff will have an opportunity to engage with a variety of key stakeholders, including the Department of State, the Government of Tanzania, the Global Fund to Fight AIDS, Tuberculosis and Malaria, the African Leaders Malaria Alliance, and private sector partners.
